

Cleaning Bags for the T&E Care Holiday Drive

If you are donating a Cleaning Bag for the T&E Care Holiday Drive, may we kindly ask that you include the following items in your bag. If you can, please use a reusable bag (such as the type from Trader Joe's, Acme, or Wegmans, etc). to accommodate the weight and help this look more like a "gift". Feel free to select any brand you like.

- Container of toilet cleaner and a cleaning brush
- Bag of dishwashing pods
- Package of 2-3 new sponges
- Container of Comet OR a box of SOS pads
- Spray bottle of all-purpose kitchen or bath cleaner
- Container of wipes
- Bottle of hand sanitizer
- Bottle of kitchen dish soap
- Bag of unscented laundry detergent pods
- Small bottle of hand soap (like for bathroom)
- Windex or window cleaner

If there is additional room in your bag, you can add in a few more items, but they are not necessary.

Thank you very much for your donations!
