

**This year CNE Elementary School is challenging  
the students and staff to read 25,000 books!**

Students and staff can log the books that they read  
at school, at home, at the library...**anywhere!**

**This is NOT an individual competition.**

It's a combined effort to encourage students and staff to read and enjoy books!

**You can support your students by encouraging them to read!**

Once they finish a book, just have them tell you about it.

Then click the QR code below to record the book and it will be added to the total.

Students will also be able to report their book completion at school.

**We will be celebrating milestones in our journey during the year.**

Some of these initiatives will require sponsors. If you, or someone you know, would like to sponsor an activity, let us know.

**\*\*Parents who are interested in supporting this initiative as a volunteer during the school day can sign up via Signup Genius**

(<https://www.signupgenius.com/go/20f0b4aa9aa2aa75-oneschool#/>)

We are looking for people to be available for students to tell them about the book that they finished. Background checks are required for this, but can be done for \$25 at Central Office (contact Vicki Warman).
