

Online resources for equine courses

<https://docs.google.com/document/d/1h5Y88mhi8MhmX4Y1uj1E7QL6oiELbWnnhexaHz52YWg/edit>

The purpose of this document is to facilitate the exchange of resources for instructors in the equine sciences and related disciplines. It was originally compiled by [Sara Mastellar](#) of Ohio State ATI along with members of the [National Association of Equine Affiliated Academics](#) to meet the challenges posed by teaching equine courses during the pandemic. Any equine academic can type resources directly into this document.

How to use Google Docs: <https://youtu.be/I0OqnItA-zA?t=52> or just Google it.

Document sharing

Google Drive folder

This folder is open to all for putting in documents/files (resources without links):

https://drive.google.com/drive/folders/1k-m09v_LjbVF3MYPxWBRBuueBVJoe3DG?usp=sharing

Feel free to add subfolders as you see fit.

Facebook group file sharing

A less public way to share files to **only** NAEAA members is through the [Facebook group](#).

Instructions for adding files to a Facebook group:

https://www.facebook.com/help/397856870259152?helpref=uf_permalink

General teaching

- Center for the Integration of Research, Teaching and Learning: <https://www.cirtl.net/>
- Using citation tools in Word (horse centric ref examples): <https://youtu.be/N4Dnd1N933E>
- American Horse Publications (AHP) Style Guide for Equine Publications:
https://www.americanhorsepubs.org/wp-content/uploads/2012/07/AHP_Style_Guide.pdf
- National Center for Faculty Development & Diversity - Productivity strategy newsletter for those from diverse backgrounds (and even those who aren't):
<https://www.facultydiversity.org/>

Tech / software / LMS

- Best practices when using Canvas/Carmen as compiled by student government: <https://u.osu.edu/carmencs/carmen-common-sense-top-10-tips/>

Zoom and virtual meetings

- How to check Zoom's status: <https://status.zoom.us/>
- Virtual Meetings: Making Your Videos Look and Sound Better: https://news.osu.edu/virtual-meetings-making-your-videos-look-and-sound-better/?utm_campaign=umar_faculty-staff-newsletter_fy20_oncampus%20today%2020200403&utm_medium=email&utm_source=EOACLK

Screen recording software

- Screencast-O-Matic: <https://screencast-o-matic.com/> (good for those without a screen recording software; the free version lets you record up to 15 minutes; recording can then be saved as a video file or uploaded to YouTube)
- Loom: <https://www.loom.com> screen recording software

Closed captioning

- VidReader (creates closed captioning to be ADA compliant): <https://www.vidreader.com/>
- www.otter.ai for live closed captions and transcripts

Other tech tools

- Merlot: <https://www.merlot.org/merlot/index.htm> (curated online learning and support materials)
- National Assoc of Ag Educators - Equine lesson plans - <https://communities.naae.org/community/instruction/animalscience/content?filterID=contentstatus%5Bpublished%5D%7Ecategory%5Bequine%5D>
