

Little O, you do know there is a fine line between fucking and making love, right?...What I mean is that they are two very different things. Making love is what we normally do. When I take you apart nice and sweet. I kiss sweet nothings into your skin and make you feel good. It's gentle, it's romantic. It's about two people enjoying their time together, making each feel good and coming together for one climax of a moment. It's a way that people bond together and strengthen their love for each other. Fucking is what we did during my rut. How I bent you over every available surface in this house and railed you. It was quick and dirty. It was about getting my cock inside you and breeding you, nothing else. Fucking can be rough, doesn't require emotions or even attachment. You can fuck someone and never think about them again. But when you make love to someone, you care about them. You can fuck someone you love but you can't love someone who you don't have any emotional attachments to. You do understand that, right?

...[**chuckle**] You don't, huh? Does Dr. Bardot need to give her new omega a more hands on teaching approach? If you are confused about it, I can always demonstrate it. Fuck you nice and rough against the floor without a care for your own pleasure. You are already imagining my cock sliding inside you like so many times before. The stretch of it makes you moan and spread yourself wider to accommodate all my length. But I wouldn't give you a second to adjust or anything. I would start pounding into you without a care in the world because you feel that good and it's all I can care to focus on. But I can also take you to the bed and spend hours taking you apart until you can't think or speak. Eating you out, edging you, worshiping your body, teasing your nipples, until you can't take it anymore and you are a begging mess. [**chuckle**] You're going over every time we've been together and trying to categorize it, aren't you?

...I love you so much, my omega. You're so cute. Don't overthink it. You don't have to figure out which times were which. You've enjoyed them all, haven't you?...Then that's all that matters. You like when I'm sweet with you and you like when I'm rough. As long as you have your alpha then you're happy, aren't you?...Such a good omega for your alpha. Starting to make yourself wet as you keep thinking about everything, listening to my words. You're only riling yourself up, honey. [**sniff**] I can smell you from over here. [**thigh pats**] Why don't you take a seat on alpha's lap? [**shuffle**] If you are really so confused about the whole making love and fucking thing, I can show you a more hands on approach. That is, if you really want to learn more about it...I don't think I would have a problem showing my new mate the difference. But you have to pick one. Do you want to make love or do you want to fuck, little O.

...Yeah, I can make fuck you, sweetheart. **[kiss]** Whatever you want, little O. Making you happy is what I live for. Why don't you take off your robe, honey. I want to be able to see you. **[shuffle]** That's better, slut. I don't like when you hide any part of yourself from me. You belong to alpha, don't you?...Then all of this is mine to use as I please. Face down, ass up for your alpha. I want you presented so I can see just how wet your desperate little hole got thinking about my cock **[chuckle // shuffle]**...You can follow instructions, consider me surprised, slut. Having me crawl behind you, my cock hanging heavy between my thighs. Keep your head down and your cheeks spread...You're so pretty when you listen. Your body responding as your alpha looks down at you. Someone's getting wet for me, aren't they?...**[sniff]** Really? Then what's this?

...It seems like my finger got wet from touching you, omega. Open your mouth and suck. Good slut. Don't you taste delicious? **[chuckle]** So wet, honey. You're practically dripping for your alpha without me ever laying a finger on you. That mating bite makes you so weak for me, little O. The thought of resisting your alpha's commands haven't even crossed your mind. You're just doing what you are told in hopes of getting my knot to breed your desperate fucking hole. It's really the only thing an omega can focus on, isn't it?... Just look at you. Already so disheveled from sucking the taste of yourself off my finger. Aren't you a pathetic little thing? **[kiss]** I wanted to taste you, cover your pretty lips with mine so that no one else can have them. That's my good slut, melt into the kiss...You like how my hand feels teasing you, don't you?...Slowly working you up, getting you more desperate for alpha...Who do you belong to, little O?

...That's right. You belong to Dr. Bardot. My pretty omega, stretched out and pliant underneath me. Getting wetter with every passing second. Your hole flutters uselessly around something, trying to entice me to put my cock in faster. You're getting desperate the more I tease you. Touching every spot that I know you love, digging my hands into your thighs leaving marks. My own cock growing in interest with every noise that escapes. I want tears filling those pretty eyes of yours with desperation from the need to be filled. The ache inside you gnawing away because only one thing can soothe it. You feel so empty, don't you?...Poor omega slut, so empty with your alpha's knot filling your hole. You can only think about how good it would feel to have my thick cock filling you up, breeding you just how you crave. Nothing like alpha's knot, alpha's cum, to make you feel like a good omega. You never get tired of how it feels entering you. Every inch slides inside like it's nothing. You're such a good slut for your alpha. You know your place and who you belong to. There's nothing more you love then a breeding session with alpha, right?

[wet noises start] Oh, that's it, slut. No need to give you time to adjust or anything. You can take it just like this, can't you? So used to how my cock already feels, your body opens up for your mate. Mnf, that's it. You're taking me so well, that's it. That's my good omega. You are finally happy now that you have something inside you, aren't you? The emptiness going away as I fill you up, thrusting in and out of your wet hole. Tight heat engulfing me completely, mnf, such a good slut for me. Taking me so easily. It's like your hole was made for my cock. Ruined you for everyone else, had to make sure that you were mine. Couldn't have others taking such a pretty slut. You were born to be a knocked up omega always impaled on alpha's cock. There's nothing more that an omega like you could want. Ngh, that's right. You're just a hole for alpha to bury her cock into, right?...Mmmm that's a good omega. For that, I'll reach down and start stroking you with the thrusts. **[chuckle]** Does that feel good?...Of course it does, Alpha wants to make you feel good so that I can get your hole milking my knot. Feel my cum fill you up to the brim until it is leaking down your leg. You want that too, don't you? You want alpha's knot pumping cum inside you, don't you?

...That's right. It feels so good, my pretty slut. You're doing such a good job for me. Taking me nice and deep, ass bouncing with every snap of my hips against you. Reaching so deep inside your hole, taking it like a good omega should. Ngh, you like it deep, don't you?...Then keep taking it for me. You're doing a good job for once. Moaning as you take alpha's cock, thinking about how good the knot is going to feel. Everything feels really good to you, doesn't it?...You can't help it. You're just an omega slut. All you can think about is your mate's cock, your alpha's knot, right?

...That's right. Mnf, fuck. Yeah, right there. That's good. That's it. Clenching around me, that's a good slut. A natural at taking cock. Really your only talent. Ngh, love how you feel against me, how your hole works my cock as you moan nice and loud. That's it, little O. Keep it up. You're being so good for your alpha, going to earn that knot you need so badly. Looking up at me with those gorgeous eyes as you ask for more. You can take it, can't you?...Doesn't really matter because you're getting more. Ngh, impaled on my cock as you spread yourself wider. You love this, don't you?...Say it louder for me...Alpha feels good, doesn't she?...Ngh, that's my slut. Love watching you get closer to your own orgasm as you take me so easily. It's not even hard to get an easy omega to cum. Mnf, so pretty when you take alpha's cock. Getting lost in your own pleasure as you moan and beg for more. What a pathetic slut you've become, little O. All you want is to be bred by alpha, right?

...Mnf, that's right. That's what you're good for. Letting me ruin you for all other alphas, letting me fuck into you and knot you as much as I want. You've spoiled me with how desperate you are for it all the time, slut. Ngh, making me feel so good. You're so cute and desperate when you are trying to get a knot. Taking me so well. You can handle it, can't you?...That's my omega. Moaning as you take me deeper, my hand continues to stroke you in time with the thrusts. It feels so good, doesn't it? You can't help the moans and cries that are escaping your lips as you buck against me, trying to get closer to your own orgasm. Only alpha can make you feel this good. My cock opening you up just how you need, my knot starting to inflate as I keep touching you. You can feel it, can't you? The way it's starting to catch just outside the entrance. Slowly getting thicker the more I rut against you. It feels good, doesn't it?

...That's right. Slowly expanding, little by little. You almost don't notice it until I point it out. Then it's undeniable. My knot forming making you cry out in pleasure. You can't help but feel good at the stretch. Mnf, need to feel you cum around my knot and milk me dry, not letting an ounce go to waste. You're taking me so well, slut. Every inch of my cock swallowed up by your hungry hole and you just keep wanting more and more. So fucking greedy, omega. Yes you are. Keep it up and maybe you'll get what you want. You want alpha to knot your leaking hole, don't you?...You sound so cute when you are broken like this. My hand continues to stroke you as I thrust in and out of you. Ngh, fuck. So good for me, omega. Such an obedient little O. Going to make your alpha cum like a proper slut, aren't you?

Mnf, that's right. You're doing a good job for your alpha, making alpha feel so good with this tight hole of yours. That's it, omega. Such an inviting hole for me to play with whenever I want. You're so close, aren't you?...All you need is your mate's knot, huh? That's what is going to send you over the edge, my omega. Need to feel your mate breeding you like a proper omega to even think about cumming. Mnf, that's it, just look at you. Taking me like it's nothing, looking so good while you do it. That's why you're my slut, little O. Fuck, right there. Yeah. Ngh, just remember to keep your eyes on me. I want to watch you when you cum around my knot. I want to see your face as I start to breed you like a good omega. Ngh, come on. You can do it. Clench around my cock, around my ever growing knot. Show me what a good slut you are. Mnf, I know you can do it, sweetheart. Make me cum. That's your only job. Ngh, like that. Fuck. Getting so close, omega. You're doing so good, keep it up. Ngh, yeah. Fuck, I think, I'm gonna, little O, I'm gonna- **[adlib mutual orgasm]** That's my omega. So good for me. Milking my knot just like a proper omega.

[kiss] You look so good when you've just cum. The smile is clear on your face as you look up at me with that dazed but happy look on your face. You're so adorable, honey. **[kiss]** Was that a good example of fucking?...Mmmm I'm glad you enjoyed it. Enjoy your time on the knot resting. We still have to show you what making love is like, sweetheart. How would you be able to understand both if you don't experience them?
