

Hero Line Wars Allstars

Patch 0.97

News:

- Repick Command! (repick and select repicked heros for the first 60 sec of the game)
- Heroes from outside of the Warcraft universe have gotten new icons
- All Heroes have gotten a description on gameplay/role when picking
- Re-added a courier purchasable for 2000 income at the witchdoctor's hut
- 4 new items for Item Combination Recipies 2
- 1 new item for Item Combination Recipies 3
- New Hero: Kharazim the monk: Tank/Damage dealer

Balances:

- Spell Tower slow ability has been improved from 60% for 10 sec to 80% for 13 sec
- Oversending Income Bonuses have been halved (200/4000/60000/500000) to (100/2000/30000/250000)

Bug Fixes

- Typo on Hunting Hood level 4 and Curse debuff
- Potions placement is now right
- Huffer now autocast bloodlust on itself
- Articuno's Ice beam now freezes 5 seconds as it says (only lasted 2 seconds before)

Minor Edits

- Picked heroes will be removed from the tavern and repicked heroes will return
