

**Семестрова контрольна робота з читання
для учнів 5 класу
за II семестр**

Dear Ann,

I am writing to tell you about my family, friends and me. I am 12 and I am at the 5th form.

I have got a great family. My father is friendly and kind-hearted. He works as a fisher. We often spend free time together. My mum is a seller. She likes reading and flowering, but doesn't like cooking. Mum is always busy and sad, so I don't like to do something with her.

I have got two sisters, they are younger than me and go to the kindergarden. I don't like take care about them, because they are very energetic and active. But sometimes mum asks me to cook for them. And I go to the dairy and buy milk, then I go to the baker's and buy pasta. After that I cook tasty milk pasta for them. I like cooking. I can make a cake or sandwiches for my friends.

My best friend is Kate. She goes to the 5th form. We like to go for a walk with our dogs. Kate helps me with my sisters. My second friend is Kim. He is a captain of our basketball team. He practice it in the gym on Tuesdays and Fridays. Also he plays on the sport ground at weekend. Kate and me more like volleyball.

What about your family? What do you like to eat? Who is your best friend? Can you cook anything? Write me soon, please.

Love,

Dana
