

1. Log into the online school at <https://learn0.k12.com/>
2. On the left side, go down to **Resources**. Sometimes it takes a few moments to load.
3. Click **My Account**.
4. Find your student and click Edit Student to find their student number and email.

The screenshot shows the K12 Academy California Learning Coach View interface. On the left sidebar, the 'Resources' icon is highlighted with a red box. The main content area displays the 'My Account' settings page. The 'Students Settings' tab is highlighted with a red box. Below this, a table lists students, with the 'Demo Student' row and its 'Edit' link highlighted with a red box. The right sidebar shows the student's information, including the Student Number (3993764) and School Email (demos1488@caliva.org).
