

Freedom Homeschool Alliance - Wilderness Wednesdays

What is FHA's Wilderness Wednesdays program?

This is an outdoor program lasting 12 weeks per session. We will meet at a beautiful, wooded location in Lancaster with so much to explore! There are no schedules or expectations, just nature and fresh air. Hike through the woods, play gaga ball, basketball or even human foosball, fish at the lake, swing on one of the large swings placed throughout the 350-acre property or just sit around the fire and roast a s'more.

Our co-op includes children of all ages, from infants to teens.

When do we meet?

Wednesdays between 10am and 2pm, and members may arrive and leave at their leisure during those hours.

Session 1: Fall 2025, Wednesdays Sep 10-Nov 26

Session 2: Spring 2026, March 11 - May 27

How much does it cost?

\$160 Full Year - Fall and Spring Session (all 24 weeks)

\$85 Single Session - choice of Fall OR Spring (all 12 weeks)

Part-time options:

\$100 Full Year - Fall and Spring Session (any 12 weeks)

\$60 Single Session - Choice of Fall or Spring (any 6 weeks)

100% of this fee goes toward facility rental.

Where is the Wilderness Wednesdays program located?

We meet in Lancaster, just off Route 33 at a beautiful, 350+ acre private campground and hiking area with a wooded, scenic landscape.

Are we able to bring friends?

We require prior leadership approval, along with a signed waiver by the non-family member's parent or guardian. More than one visit would require a separate family membership with an adult from that family attending.

What ages of children are involved with Wilderness Wednesdays?

Our group consists of all ages from infant to teen, and we feel every age benefits from being in nature!

How do we apply?
