

MATERIALS:

- Two clear or transparent colored plastic plates

-
- To fill the inside of your drum, use items such as rice, beans, beads, or seeds
- Glue gun, glue, tape
- Decorations for your drum: stickers, markers, ribbon, glitter

DIRECTIONS:

1. Fill the bottom plate with the items you are using.
 - Try a few different objects so you get multiple sounds.
Bigger and smaller objects make different sounds.
2. Follow the rim of the plate with hot glue or get ready to use tape to seal it shut
3. Place the second plate on top and seal
4. Decorate the outside of your drum and you are set!
