The Museum has many dinosaur fossils

*Name 2 things you **observe** about these dinosaurs?*

-
-

Name 2 things you wonder about these dinosaurs?

-
-

What animal is the “Big Gobbler”?

What are 3 characteristics that dinosaur fossils and birds share?

-
-
-

How did small dinosaurs survive the “big asteroid” and not big dinosaurs?

What does domestic mean ?

Why did the Native Americans domesticate turkeys ?

Domestic Turkey:

Draw a wild turkey:

Describe 3 characteristics that are different between wild and domestic turkeys?

-
-
-

Describe why the wild turkey's characteristics help it survive in its environment better than a domestic turkey:

Finally, build a wild turkey out of craft or natural materials. Prepare a presentation for your family to describe how a wild turkey is actually a dinosaur for the next time you have a turkey meal.
