

Accessibility Info:**A Few More Details about the building and event**

The Arts Club of Chicago's entrance is located at 201 E. Ontario Street, on the southeast corner of the intersection of St. Clair and Ontario. When you enter the building, there will be a small vestibule after the front door, and then the main gallery through a second door after the vestibule. If you're standing in the main gallery with your back to the door, the west gallery will be on your right.

Bathrooms are at the back of the building. Enter through the front door, head straight back, and take a right. The restrooms will be on the left wall (women's first, then men's).

The third door on the back wall, after the restrooms, is a coat check. Proceed forward from there into The Drawing Room bar. The garden, where the event will take place, is accessible through the doors in The Drawing Room.

Service dogs may relieve themselves at any of the trees on the sidewalk not enclosed in fencing on Ontario Street. Please pick up and dispose of feces in the outdoor trash bin on the corner of Ontario and St. Clair (at the traffic light).

The building will close at 3pm.

Pro-tip for parking: use the spothero app to compare and contrast garage rates in the area!
