I can contribute to an organized and clean studio space by taking responsibility for cleaning up after myself, organizing materials, and ensuring that shared areas are tidy and ready for others to use.	ALL	MOST	SOME	FEW
I can demonstrate persistence by working through challenges, revising my work when necessary, and staying committed to completing my projects even when they are difficult.	ALL	MOST	SOME	FEW
I can engage and explore new ideas by experimenting with different techniques, materials, and concepts, showing a willingness to take creative risks.	ALL	MOST	SOME	FEW
I can use materials responsibly and as intended by following instructions for their proper use, minimizing waste, and taking care of tools and supplies to ensure they remain in good condition.	ALL	MOST	SOME	FEW
I can respect the studio community by collaborating effectively with peers, sharing resources responsibly, and contributing to a positive and productive group environment.	ALL	MOST	SOME	FEW
