

This zine features Ace Attorney's Phoenix Wright/Ryūichi Naruhodō as a pinup model! There is no single Ace Attorney game that this zine is specific to- all of the games are welcome. It is an open zine, which means **there is no application process!** The only requirement is to fill out the Contributor Form, which can be found on our [Carrd](#) or [Twitter](#).

The zine is rated **NSFW (18+)** due to partial and full nudity, which means contributors and consumers are **required to be 18 and over.**

For more information regarding the prompt, check out the "What is a Pinup?" document on our [Carrd](#).

"Turnabout Playboy" is an unofficial fanzine that is not associated with Capcom or Shu Takumi in any way shape or form.

Frequently Asked Questions

Can anyone be a contributor?

The zine is open to contributors **18 and over**. Contributors are **required** to have their age listed on their social media. We will check to make sure. Minors will be blocked immediately if they interact.

Can I join if I've never participated in a zine before?

Yes! The purpose of having an open zine is so anyone can join!

Can I apply as both a writer and an artist?

Yes!

Does this zine allow ships?

This zine focuses on Phoenix Wright only!

Will there be a community for contributors and mods?

Yes, we have a Discord server linked on our Carrd!

What are the page dimensions for artists?

Full page size: 5.75" x 8.75" Safe space: 5.5" x 8.5"

Is traditional art allowed?

Yes! If possible, we would like your final piece scanned so we can get the best quality. If you need help scanning your work, reach out to Mod Lauren on Twitter or the Discord server for more information!

What are the max and min word count for writers?

We'd like a minimum of 900 words, if possible! If your piece is shorter than that, please reach out to the mods to let us know!

Are collaborations between contributors allowed?

Yes! You can reach out to the artists or writers in the Discord server to discuss if they would like to collaborate.

Is a beta required for writers?

Nope!

Can I use my beta for my story?

Yes!

How will contributors be notified about progress check-ins?

Check-ins will take place on Discord!

How will the completed pieces be collected?

We will have a Google Drive available for the contributors to upload their completed pieces.

What if I need to drop out of the zine?

We understand life comes first! If you do need to drop out, if possible, please let us know before the 3rd check-in (April 21st-April 25th)!

What do contributors get?

All contributors will receive a free PDF zine!

Are AUs (alternate universes) allowed (for example: mermaid Phoenix AU, etc.)?

If you would like to include an AU in your piece, just reach out to the mod team to run it by us first for approval! AUs can definitely be incorporated into pinups, we just don't want to stray too far from our prompt.

Does Phoenix have to be a specific age?

No! As long as he is drawn above the age of 18, it can be at any point across the canon timeline. An example of works not allowed would be canon elementary and middle school Phoenix.

Do I have to draw full nudity since this is a NSFW zine?

Not at all! The zine is rated NSFW (18+) as a precaution since pinups are seen as sexual pieces and tend to be, at minimum, suggestive when it comes to nudity.

Can I ask another question that wasn't included, or was and I need more clarification?

Of course! You can reach out to our Twitter, email, or Curious Cat and a mod will respond as soon as possible.
