

Green Week 2019 Art Show

Student Entry Form

Guidelines: All forms of physical art are accepted, including traditional media, SEM photos, recycling sculptures, and/or anything else you can tie back to the theme, “the art in the environment”. All completed works to be judged must have the bottom of this form attached to them facing to the front. Please print as neatly as possible. You may submit up to three entries, but each must have their own separate forms attached. Prior to submitting artwork, please email Holly Keating at hrkeatin@owu.edu, so we can have an accurate count of the number of pieces to expect, what kind of art it will be, and how large the piece will be. Drop off all submissions to the Student Involvement Office in the Hamilton Williams Campus Center on Monday, April 22 by 3:00 pm. The artwork will be displayed and judged during Green Week on Wednesday, April 24. Awards will be presented at 5:00 pm the same day. All submissions must be collected again at the end of the show. Please bring your student ID when picking up submissions. If you cannot collect your artwork at that time, email Holly Keating to arrange another pickup time or to have someone pick it up for you. **Artwork that is not picked up and not arranged for a later pickup time will be not be kept.**
