

Privacy Policy

This Privacy Policy applies to the treatment of your information by BANIAMER ("we", "us", or "our") when providing Cash Horn Crush ("App" or "Service") to you.

The Privacy Policy sets out our manner and methods regarding the collection, use and disclosure of information about you.

By using the App, you fully consent to our processing of your information in accordance with the Privacy Policy.

Information Collected

We may collect the following information from you:

Email address.

The type, version, brand, language, screen resolution and operating system of device.

The type and operator of network (such as Mac address).

Device identifiers (such as IDFA, IDFV for Android, GAID for IOS).

Behavioral usage of the App.

Disclosure of Information

We work with service providers to carry out certain tasks, including maintaining technology and related infrastructure, presenting surveys, managing and analyzing research and detecting security incidents. When performing these tasks, they often have access to your personal data.

We can preserve or disclose your information if the law requires us to do so.

Use of Information

We use the personal data we collect to:

Provide you with the features of the App.

Provide you with services and improve the App.

Respond to any questions or requests you may have.

Comply with laws and respond to legal requests.

Enforce our Terms of Use.

Children

We believe it is important to protect children's privacy. We encourage parents and guardians to regularly review and monitor their children's use of online activities. If a parent or guardian discovers that a minor has provided us with personal data without consent, please contact us immediately.

Privacy rights

You have the right to request an electronic copy of the information we have collected about you.

You may also request to delete, correct or amend your information and withdraw your consent to our processing of your information.

It is important to note that despite your rights above, we may reject requests that are unreasonably repetitive, require excessive technical measures, pose a risk to the legitimate rights and interests of others, or are extremely impractical.

Storage of information

Your personal data will be stored by us in accordance with applicable data protection laws to the extent necessary for the processing purposes set out in this Policy. Subsequently, we will delete your personal data in accordance with our data retention and deletion policy or take steps to properly render the data anonymous, unless we are legally obliged or permitted to keep your personal data longer.

Security of Information

We use a combination of administrative, technical, organizational and physical measures to safeguard personal data in our possession against accidental, unlawful or unauthorized loss, use, access, disclosure or modification. We make reasonable efforts to ensure a level of security appropriate to the risk of the processing, taking into account the costs of implementation and nature of the processing of personal data.

Third-Party links or services

The App may contain links to websites, resources or tools maintained by third parties that we do not control. We are not responsible for the content, accuracy or security of any website linked to the App. Any links to such websites, resources and tools should not be considered as an endorsement by us of them or their content. We recommend that you read the privacy policies and terms of service of these third-party websites before visiting them.
