Present: Everybody (Dean, Pavan, Mohamed, Madelynn, Miranda, Kiana)

LAST WEEK: https://docs.google.com/document/d/1RE110xxUf3rpTQfyF--v0DLeDbzWHSyIhNs9Gi4zZA0/edit

1) SURVEY SAYS:
https://docs.google.com/forms/d/1mi2chG0l--3_-uriwkzv8wuPqkyaaA5t_feLaj-_73s/edit

Word Cloud:

-What are we gonna do?
Send out an email with links to the old surveys, probably summary of first 3 questions
Overall we need to be better at publicity (even just SGA itself); might not want to get our own page but maybe ask for class presidents to get access to the FB page?

Mo- free stuff, student center
Pavan- mental health, free stuff (give out free stuff with our budget, but we need to pair it with something i.e. events, could try and boost our twitter and instagram by having people mention us in photos)
Madelynn + Miranda- sexual violence (Miranda's working with SARU to get priorities/things that SGA can do, etc.)

Omar working on to-go boxes in FFC; same for waiting for years to get funding for sports clubs
Dean looking into napping spots at the library/if we should even do it
Kiana following up with the “civic engagement” / political action / specifically refugee rights
Paragraph or so on addressing the points; would like to have that done by next meeting (Dean’s making a new doc)

2) Office Hours
-Make the Sign
-Find a Table, Sit
-Rinse and Repeat
Would be nice if we could just do 2-3 instead of 4
Sunday 5-6PM definitely (starting today); Thursdays 7PM and Wednesday 12PM
We could try first sunday for a week and then try branching out to have more times (thursday/wednesday)
“Severely expecting” studying at office hours
Omar will make the sign- might be able to get it done by office hours today, tbd. Can use a piece of paper in the meantime
Move it forward to 4:30-5:30? We’ll do 5 today but consider for next week

3) Assassin/Event Update
Risk management says kinda ok; informal though
Will hopefully have an answer by tomorrow
Roughly 50 people interested so far, would need to make purchase order for spoons (guessing no more than 100)

4) Video Update
Two main speakers- dos and don’ts for the rules; Dean will definitely narrate it, Miranda can also help narrating

Exposure- whole social media thing, every time you make a kill you need to take a selfie and use hashtag or mention SGA Junior class council etc.
Prize should be t shirts about junior class sga with spoon graphic
All videos- signoff of “be a good noodle”
Omar can go this week to get materials this week
Miranda will make script by friday or so
Shoot next week, edit before halloween
Purchase order goes through tomorrow, hopefully we’ll have spoons before the video
Make “hotspots” map for where people tend to be killed (have people post location as well)
Official app
Put sign up link with the video as well
Miranda can edit within two days; one week sign up period and launch on the 31st
Class-wide unity event at the end
Roughly $1000; somewhere off-campus (hopefully something close by) and Miranda can fill out forms/reserve the place. We can potentially go up to $1200 if that can help us get a better venue
Dean will contact Zanir and see if we want to do a joint event; try and go for a slightly bigger space (350 people?) at Mosaic potentially

Informational video could be done a bit later
Baltimore explore; each of us appear in a different location (give riddle, no name given) and people need to guess where we are, can get reward for getting names and going there- could do this for all undergrad potentially? Because juniors might not really participate
