The set up for the UW Oshkosh WEF is different than you may be accustomed to for WEFs. Our Career and Professional Development Office is hosting their annual fall Career Fair the day after, thus we are fortunate enough to share our set up with them. All tables will be covered and skirted with pipe and drape behind and between tables (tall drape behind and short drape between). In addition, the tables will be taller than usual. This is a unique WEF set up due to this select opportunity for collaboration.

If you have any questions or concerns prior to the WEF, please do not hesitate to contact me at (920) 424-7384, e-mail stevens@uwosh.edu. We look forward to seeing you on September 23rd! Safe travels to all.

Sincerely,

Laurie Stevens
Associate Director of Admissions and WEF Site Coordinator
