

Hello Mikko,

I'm impressed by the variety and quality of the bushcraft courses that you offer. They're the perfect way to reach a large target audience.

I've taken a look at your Facebook page and came up with a brilliant Facebook Ad idea that could help increase your sales for the "Introduction to Karu Bushcraft" course through a Facebook Ad.

Would you like me to send over a free example of the Facebook Ad that I had in mind for you?

Have a great day!

Vuk Calic
