2022 SEASON RECAP

INDOOR SEASON 2022

We had our first full indoor season since 2019. Our girls put in a tremendous amount of work over these last 4 seasons to get to this point in their careers. They have gone undefeated for the first time in our program's history - winning and sweeping all of our indoor invitationals:

*3/5/2022 - **Coach Heimsath Invite** (home) - 7th Consecutive Team win!*

*3/5/2022 - **Windy City Pole Vault Summit** - Megan Schulhof - ties for 6th at 11' 3"*

*3/11/2022 - **Distance Madness** (home) - Katrina Schlenker takes 2nd in 1600!*

*3/12/2022 - **Burlington Central Invitational** (1st place - without filling an entire lineup) - (away)*

*3/18/2022 - **Indoor DuKane Conference Championship** (home) - defended our Varsity Title (won the inaugural in 2019 - remember that is the last time we had a full indoor season)*

*3/24/2022 - **Bulldog Relays** (home) - Swept all 3 relays: 4x200, 4x400, 4x800!*

Indoor Record: Long Jump 17' 2" - Bridget Kosky (Junior)

OUTDOOR SEASON 2022

After our dominant indoor performances, our team looked to continue it outdoors. There were plenty of cold, windy, and rainy days this spring... until Sectionals when we hit a summer heat wave. We returned to our scheduled DuKane Tuesday open meets. Our invitationals were unique and we added a new one at Wheaton North. These meets allowed us to get the majority of our athletes in almost every meet. As the season progressed into our most competitive portion of our Varsity season, our Bulldogs showed up. They continued their dominant undefeated performance at every invitational! Led by our great group of senior leaders, we pursued our team and individual goals. We knew that our Bulldogs were an excellent group of talented young ladies and they proved it to our County, our Conference, and our Sectional meets! Up Next, is STATE BOUND! This season was also historic as we won the Triple Crown: winning all three of our top 3 Varsity Invitationals: Kane County, DuKane Conference & IHSA Sectionals - which is extremely difficult to do being a 16 team invite and only scoring top 6 places. Katrina Schlenker was the KC 3200 champ, and set a new meet and school record! She will break that at the State Meet this past weekend running 10:26.96! At the IHSA State meet we had 6 All-State Events and placed 12th overall as a team. See the State Stats on page 12 for more info on this historic accomplishment.

This was our 15th conference title in our programs' history. Being the defending champs bears responsibility and brings with it a higher standard. Our seniors from each past season, pass down their work ethic, their expectations, and their love for their Bulldog Family. That is a standard with a very high bar. To many that can be intimidating, but not for our Bulldogs. They not only carried the aforementioned variables, they built upon them and created their own history leaving a higher standard for the next set of teammates to step up into that role.

BATAVIA BULLDOGS GIRLS TRACK & FIELD 2022
