part A) Listen to the text and fill in the blanks

Hello everyone! Welcome to our school. Today, let's talk about our school routines and responsibilities. First of all, we always line up in front of the school before the lessons start. In the mornings, we listen to our national anthem during the ceremony. During the day, we have different rules. For example, we must follow the school rules carefully. We should listen to the teacher carefully in the classroom. During breaks, some students like to play chess in the library or join a science club to do active experiments in the lab. Also, being helpful and successful is very important for a good leader.

PART B) Listen to the text and words or phrases you hear.

Hi kids! In our country, we celebrate many national and religious days. For instance, 29 October Republic Day and 23 April National Sovereignty and Children's Day are very important national days for us. During these special days, students attend a school ceremony, sing in the choir, and read a poem. Some students carry the flag during the parade. Also, we have religious holidays like Eid al-Fitr and Festival of Sacrifice. To prepare for these events, we love to prepare the bulletin boards and give a speech to our friends.
