To Whom It May Concern:

I am writing this letter for Autumn Manske. I have had the privilege of being one of her teachers and mentors for the past five years. She is one who loves to learn for the sake of learning. Her intellectual curiosity and drive are like none other I have had the privilege to teach. Autumn is an exceptional student who demonstrates kindness, compassion, and hard work in all that she does.

As a student, Autumn has demonstrated a love of learning and the level of commitment necessary to succeed in college and beyond. She is extremely hard-working and always puts in the extra effort that it takes to succeed.

Autumn is a smart and hardworking student in the classroom as well as in the community. She has been a part of the Beta Club for the past 2 years as well as the Junior Beta Club for 2 years in middle school. As a rising 8th grade student, Autumn was selected to attend the Tech Trek at the University of Alabama at Huntsville. This was a STEM program for rising 8th grade girls from all over the state of Alabama. She has been a member of the Leroy High School Cheer squad for the past 3 years as well. She is a leader both inside and outside of the classroom. Autumn volunteers her time with various organizations in the community where she has proven to be an asset where ever she is. She possesses exceptional leadership skills, work ethic, ambition, patience, and compassion for others. I fully believe these characteristics, coupled with her academic success, will carry over into her future professional endeavors.

I feel certain that you will be just as impressed with Autumn as I am. As an educator who is committed to helping deserving students succeed, I strongly encourage you to consider her for this scholarship. Please contact me with any questions and let me know if I can provide any additional information in support of this deserving student. You may reach me at sabrina.sanderson@wcbek12.org or at (251)-246-2000.

Sincerely,

Sabrina Sanderson
