

ALL SOUTH JERSEY BAND AUDITION INFORMATION

The All South Jersey Band is selected through auditions held each January. Hundreds of students audition from the south jersey region to be a part of this prestigious group.

Students always grow from the experience win, lose or draw and always come back more mature musicians and students! This year's audition is scheduled for **SATURDAY, JANUARY 25th** at Southern Regional Middle School in Manahawkin, NJ.

The audition consists of three parts...

- 1. Scales:** Major scales up to 4 sharps / flats plus the chromatic scale (scale sheet posted in google classroom).
- 2. Solo:** A prepared piece (posted in your student's google classroom).
- 3. Sight-reading:** The student must play a short piece never seen before.

Students selected for the band are required to attend five afternoon (4pm-7pm) rehearsals as well as a concert (district transportation is provided to all weekday rehearsals).

Students who miss a rehearsal without a doctor's note are not permitted to participate.

All information regarding this audition including rehearsal dates, concert dates as well as registration information can be found [HERE](#). Please note that the registration information is not "live" until early December. Once the online registration form is submitted you will receive an email with a signature form that must be returned to Mr. B. along with \$10 (cash). This must be completed prior to winter break. I will make myself available to assist your student with preparing for the audition. Please contact me with any questions or concerns.
