Welcome Week:

- Make an effort to be at every event, be willing to serve while there
- Key roles to delegate and emphasize:
 - ◆ BCM Cookout- we need a presence
 - ◆ Be meeting new faces before church and encourage them to come to free lunch in the Tab after; sit with new faces at lunch, not just your friends

- ◆ Text new contacts on Tuesday and see if they can't hang out or do something casual
- ◆ Intersections, not additions!!! For any day that we are not having events (specifically that Saturday)
- ◆ Daniel, Brugh, and Perry in charge of running Ultimate tournament

→ **It's not about hanging with the friends we have now, it's about connecting new people to people at Prince and making them feel welcome and invited in with us**

→ We are all responsible for making contacts
