

MCKINLEY ELEMENTARY SCHOOL

Please check back often to view upcoming opportunities. As a reminder, individuals who wish to volunteer need to complete the volunteer application and criminal record history release form at each site every school year. Thank you for your interest in helping!

Upcoming Volunteer Opportunities

As summer winds down, and you're getting ready to plan for the 2025/2026 school year. Here are the volunteering opportunities to look forward to! To ensure that you receive all updated volunteer opportunities please make sure to fill out your volunteer application and background check by [CLICKING HERE](#).

- Booster Fundraiser
- McKinley Family Fun Night
- Fall Book Fair

McKinley Family Fun Night- The PTO is looking for volunteers for the annual McKinley Family Fun Night on Thursday, September 25th. If this is something you're interested in please review the available slots below and click on the link to sign up. Thank you!

BOOSTER ★

Booster Fundraiser- The McKinley PTO is super excited to welcome back Booster for our fall fundraiser. This year, like last, the Booster team will not be in the school everyday and running all of the events, so the PTO is looking for your help! If you're interested in helping check out your options by clicking the link below

Enrichment Programs

Seeking volunteers who are interested in leading any of the following programs. Online training is available. Please contact [Tosha Hanson](#) if you are interested. (Training is required)

K-Skillbuilders

The program was developed to help kindergarten students develop lifelong literacy and math skills. The volunteer program is comprised of a variety of activities that volunteers can practice with students one-on-one in the classroom while reinforcing the skills that classroom teachers have already introduced to kindergarteners through lesson plans, including: Reading aloud, tracing the alphabet, sorting and finding letters, listening to sounds, and counting and building number recognition. This program occurs during the school day.

Challenge Reading

Volunteers provide children with additional opportunities to foster a love of reading outside of the classroom by introducing various genres of literature, extending students' writing connections, and promoting higher level thinking skills. Like a book club! This occurs outside of school hours, usually after school.

Math PLUS

The purpose of the Math PLUS is to provide additional, on-going mathematical experiences for students in grade K-5. Students participate in math activities that reinforce problem solving, logic and reasoning, and communicating mathematical findings. This makes math learning fun! This occurs outside of school hours, usually after school.

**Please remember to fill out the Volunteer Application
Forms for the 2023/2024 school year.**
