

Draughn Band Boosters & Marching Band Fee Information

Operating a successful high school marching band program involves a tremendous amount of volunteer support and financial support. That is where the Draughn Band Boosters come in. The non-refundable marching band fee may seem high, but it pales in comparison to the hundreds of dollars that students at some schools must pay just to be a member of their marching band. In fact, Draughn High School has the lowest fee in the county. The fee is required of every member of the Marching Wildcats. Here is a list of ***SOME*** of the marching band expenses that this fee will help the Band Boosters cover:

- Music and Drill for our field show
- Instructors for the marching season
- Props
- Dry cleaning of uniforms after season
- Color Guard Choreography for our field show
- Gas for the buses that get the band where it needs to go

As mentioned above, these are only some of the expenses that the marching band incurs throughout the season. This does not even address the needs of other ensembles, such as the Wind Ensemble, Symphonic Band and Percussion Ensemble that are just as vital to the success of the Draughn Band Program. Please consider completing the application below and becoming a Draughn Band Booster Member, so that you can help with supporting your child's complete musical education and experience. Also, make sure you become an ***active band booster member*** by helping with a particular committee or volunteering at various events throughout the year. Let's not become an organization in which 10% of the members do 90% of the work. Together we can make the Draughn Band Program synonymous with "Excellence", which will guarantee positive and memorable experiences for the students that will last a lifetime!
