Whether you are a veteran school nurse or a novice, you know things that other nurses would love to learn. Share your ideas and programs at PASNAP's annual educational conference!

Poster ideas include:

Your best bulletin board A health education program you presented for students, staff, or parents Implementation of an immunization clinic An in-service session for other school nurses An innovative way to address school health challenges Your original research

Participation is simple:

- 1. Using a standard 36" by 48" presentation trifold, create a poster featuring some facet of your practice.
- 2. Develop a handout (approximately 300 copies) conveying the important concepts of your poster.
- 3. Bring your poster and handouts to the PASNAP Annual Education Conference at the Penn Stater Conference Center March 27-29, 2020 where it will be displayed for other nurses to view.

All contributors will be given a Certificate of Participation to include in your professional portfolio. In addition, the names of all participants will be included in a special drawing for a \$50.00 gift certificate towards the 2021 PASNAP Conference registration!
