

Name _____

Period _____

Unit Five Study Guide – Ancient Greece

You will get to use your notes/worksheets during part of the test, so study them and bring them to class. They should be stapled together in the order below and turned in after the test.

- City-State Notes – folded into six boxes
- Chapter 25 – Reading Notes - Geography and Early Settlement
- Chapters 26 & 27 – Debate Notes – Forms of Government & Athens vs. Sparta
- Chapter 28 – Fighting the Persian Wars
- Chapter 29 – Reading Notes - Athens
- Chapter 30 – Alexander the Great – C-Notes
- Chapter 31 – Greek Contributions – folded into six boxes (front and back)

Here are some things you should know for the test!

- An understanding of the six Greek city-states we studied, especially Athens and Sparta
- An understanding of the geography and early settlement of Greece
- An understanding of the four forms of government we studied
- An understanding of the five battles fought in the Persian Wars
- An understanding of the life of Alexander the Great
- An understanding of the contributions Ancient Greece has given to our modern society
