How would you describe the difficulty level of your book?

I would say this book is a 5 out of 10 or so because it wasn't that difficult to read there wasn't any difficult working in the book and also the the context was very good

What did you enjoy most about your book?

What I enjoyed about this book was how drug addictions can affect your daily life and how the relationships of people change.

What did you enjoy least about your book?

The only thing I didn't like was how small the text was. No complaints on how the book was written

To what extent will your book help you with your final speech in American Lit?

I think the book will help a lot because the book is a nonfiction book and has facts.

Did your book help you understand anything better or differently?

I t help me understand the side effects of using drugs

Did this book deserve to be one of the five full-length books you read this year for American Lit?
Why or why not?

I would say yes this book should be on the the books we read because it has a lot of facts and it could teach teens to not use drugs

What kind of reader would be the ideal audience for this book?

I would say this book would be for someone who needs to know the power of drugs and what they can do to you

Out of five stars, how many stars would give this book?

4

How would you describe the difficulty level of your book?

- Out of 10, about a 4. Not very difficult to read and understand, a little bit more difficult to understand how it translates into becoming a nationwide epidemic

What did you enjoy most about your book?

- I actually was interested in the topic of drug addictions and how drugs affect your life

What did you enjoy least about your book?

- I wanted there to be more than one story. I think it would've been better to see how it really affects different types of people that come from different families and different backgrounds

To what extent will your book help you with your final speech in American Lit?

- Im not sure yet. We still aren't 100% sure about the topic we've chosen

Did your book help you understand anything better or differently?

- I never really thought about how quickly and easily you can get addicted to any sort of drug

Did this book deserve to be one of the five full-length books you read this year for American Lit?

Why or why not?

- I liked the book a lot, but it was pretty long so i probably wouldn't read it again for a class if we only had two weeks to do it

What kind of reader would be the ideal audience for this book?

- I don't think it's really specific. I think its more of one that you either like it or you dont

Out of five stars, how many stars would give this book?

- 6 stars

How would you describe the difficulty level of your book?

I'd say that this book was fairly difficult, but not too hard to understand and comprehend.

What did you enjoy most about your book?

I enjoyed the fact that it was all true stories about different people and how their lives were affected by opiates.

What did you enjoy least about your book?

How long it was.

To what extent will your book help you with your final speech in American Lit?

I think it'll help a lot with our final speech, especially considering it's completely factual.

Did your book help you understand anything better or differently?

It helped me understand the dangers of opiates better.

Did this book deserve to be one of the five full-length books you read this year for American Lit? Why or why not?

I definitely think this book deserved to be one of the full-length books I read this year because it was very interesting but still non-fiction, and it was very informative and overall a good read.

What kind of reader would be the ideal audience for this book?

I think that anybody would be a good candidate to read this book, but it has to be someone who is a little more mature, who knows of the world of drugs, and who realizes the true dangers of drugs.

Out of five stars, how many stars would give this book?

I think I would give this book 4 stars, it was totally amazing to me and I really loved it even though I don't really like reading non-fiction books.
