```
     Em          Em Em/Gb* Em
Well I'll be damned
            C
Here comes your ghost again
             G
But that's not unusual
              D
It's just that the moon is full
              Em  Em Em/Gb* Em
And you happened to call

   Em       Em Em/Gb* Em
And here I sit
         C
Hand on the telephone
        G
Hearing a voice I'd known
         D
A couple of light years ago
                  Em   Em Em/Gb* Em  2x
Heading straight for a fall

  Em               Em Em/Gb* Em
As I remember your eyes
            C
Were bluer than robin's eggs
          G
My poetry was lousy you said
          D
Where are you calling from?
             Em     Em Em/Gb* Em  2x
A booth in the Midwest
Em         Em  Em/Gb* Em
Ten years ago
                C
I bought you some cufflinks
             G
You brought me something
              D
We both know what memories can bring
                    Em   Em Em/Gb* Em  2x
They bring diamonds and rust

Em                    Em Em/Gb* Em
Well you burst on the scene
         C
Already a legend
             G
The unwashed phenomenon
           D
The original vagabond
                  Em   Em/Gb* Em
You strayed into my arms

   Em           Em Em/Gb* Em
And there you stayed
          C
Temporarily lost at sea
             G
The Madonna was yours for free
              D
Yes the girl on the half-shell
           Em      Em Em/Gb* Em
Would keep you unharmed

   Bm
Now I see you standing

With brown leaves falling around
              Am
And snow in your hair
   Bm
Now you're smiling out the window

Of that crummy hotel
            Am
Over Washington Square
   C
Our breath comes out white clouds
                G
Mingles and hangs in the air
       Fmaj7
Speaking strictly for me
                      G   B7
We both could have died then and there

Em  Em/Gb Em  2x

Em               Em Em/Gb* Em
Now you're telling me
          C
You're not nostalgic
             G
Then give me another word for it
          D
You who are so good with words
                 Em   Em Em/Gb* Em
And at keeping things vague

Em                                Em Em/Gb* Em
Because I need some of that vagueness now
              C
It's all come back too clearly
          G
Yes I loved you dearly
                D
And if you're offering me diamonds and rust
          Em
I've already paid
Em Em/Gb* Em  4x
