

CURRICULUM VITAE

Catherine A. Forestell, Ph.D.

PERSONAL INFORMATION

Address Department of Psychological Sciences
 William & Mary
 P.O. Box 8795
 Williamsburg, VA 23187-8795

Phone Office: (757) 221-3892

Web e-mail: caforestell@wm.edu
 Website: [Home](#) | [Forestell](#)

Citizenship Canadian with permanent residency in USA

EDUCATION

2002 PhD in Psychology and Neuroscience
 Dalhousie University, Halifax, NS, Canada
 Advisor: Vincent M. LoLordo, PhD

1997 MSc in Experimental Psychology,
 Dalhousie University, Halifax, NS, Canada
 Advisor: Vincent M. LoLordo, PhD

1995 BSc in Biopsychology with Distinction,
 University of New Brunswick, Saint John, NB, Canada
 Honors Advisor: Murray J. Goddard, PhD

ACADEMIC POSITIONS

2025-Present Vice Dean of Natural, Mathematical and Health Sciences & Interdisciplinary
 Studies

2022-Present Professor, Psychological Sciences

2020-2025 Director, Neuroscience Program, William & Mary

2013-2022 Associate Professor, Psychological Sciences, William & Mary

2007-2013 Assistant Professor, Psychological Sciences, William & Mary

2005-2007 Research Associate, Monell Chemical Senses Center

2002-2005 Postdoctoral Fellow, Monell Chemical Senses Center

ACADEMIC AFFILIATIONS

2024-Present Faculty Affiliate, Schroeder Center for Health Policy

2010-Present Faculty Affiliate, Neuroscience Program, William & Mary

2007-Present Affiliated Scientist, Monell Chemical Senses Center

FELLOWSHIPS AND AWARDS

2022	Arts & Sciences Teaching Award, William & Mary
2022	Flourishing Award (Faculty Recipient), William & Mary
2019-2021	English-Stonehouse Faculty Fellow, William & Mary
2018-2020	Plumeri Award for Faculty Excellence, William & Mary
2017	Arts & Sciences Award for Faculty Governance, William & Mary
2015-2018	Class of 1953 Distinguished Associate Professor, William & Mary
2015	President's Award for Service to the Community, William & Mary
2012	Nominated for Moskowitz Jacobs Inc. Award for Research Excellence in the Psychophysics of Taste and Smell
2002	APA Science Directorate Dissertation Research Award
1997	President's Graduate Teaching Award, Dalhousie University
1990	Canada Scholar Award for Sustained Academic Excellence in Science, Engineering, and Technology

RESEARCH

Publications - Peer-reviewed journal articles and book chapters (*student co-authors)

Manuscripts Currently in Progress

- Krishnamurti, H.,* & Forestell, C.A., (Under Review). What Lies Beneath? Examining Explicit and Implicit Attitudes Toward Vegetarians. *PLoS ONE*
- Hsu, T.,* David, C.K.*, Cooper, S.*, & Peterson, C.*, Hussey, Grace, Forestell, C.A., (Under Review). Difficulties in Emotional Regulation Moderate the Impact of Cognitive Restraint on Food Intake. *Appetite*

Presentations

Invited Presentations

27. February, 2025 American Association of Cardiovascular and Pulmonary

- Rehabilitation Annual Conference, “How Sensory Perception Shapes Healthy Eating Habits in Children”, Williamsburg, VA
26. October, 2024 Seminar Series for Department of Pediatrics, Section of Nutrition at the University of Colorado School of Medicine, “Predictors of Parents’ Decisions about Introducing Meat to their Infants and Toddlers”. Denver, CO.
25. July, 2023 The Development of Early Food and Taste Preferences. American Society for Nutrition, Nutrition 2023 Conference Symposium: “Nourishing the Future: How Early Taste and Food Exposures Shape Diet and Health in Later Life”, Boston, MA
24. December, 2022 Promoting Healthy Food Preferences from Early Life - Flavor Perception and Preference Development. 22nd IUNS International Congress of Nutrition Symposium: “Infant Nutrition for Growth and Future Health”, Tokyo, Japan
23. October, 2021 Early Influences on Sensory Development and Food Preferences. Webinar for Abbott Nutritional Health Institute, Virtual
22. May, 2021 Reducing Omnivores' Desire and Intentions to Eat Meat. Society for Psychology of Human-Animal Intergroup Relations (PHAIR), Virtual.
21. April, 2021 Beyond Repeated Exposure: Encouraging Children to Try Unfamiliar Foods. Society for Research in Child Development Symposium: “Expanding research on child food acceptance to include individual differences, innovative interventions, and under-represented populations”, Minnesota, MN. Conference was moved online due to COVID.
20. September, 2020 Development of flavor perception and preferences in young children. Nestle Nutrition Institute Workshop: “Building future health and well-being of thriving toddlers and young children”, Rio de Janeiro, Brazil. Conference was moved online due to COVID.
19. November, 2019 Can we Train Kids to Love Broccoli?: How Flavor Preferences are Developed. Food Navigator Summit 2019: Food for Kids, Chicago, IL.
18. March, 2018: Early Flavor Experiences and their Adaptive Role during Weaning and Beyond. Philips Avent Scientific Symposium 2018: Perspectives on feeding and sleeping: From pregnancy to playground. Amsterdam, Netherlands.
17. February, 2018: The Effect of Marketing Messages and Health Claims on Implicit and Explicit Attitudes and Affect toward E-cigarettes in Young Adults. Center for the Study of Tobacco Products, VCU Medical Center, Richmond, VA.
16. October, 2017: Early Learning about Flavors: Functional Significance and Implications for Health, IUNS International Congress of Nutrition, Buenos Aires, Argentina.
15. July, 2015: The Sensory World of Infants: The Ontogeny of Taste and Smell. Nestle Institute European Meeting: “Intrauterine and Early Postnatal Nutrition: Long-Term Outcomes”. Lausanne, Switzerland.

14. November, 2014: The Sensory World of Infants: The Ontogeny of Taste and Smell. 85th Nestle Nutrition Institute Workshop: “Preventive Aspects of Early Nutrition”. Windsor, UK.
13. September, 2013: Role of Early Experiences in the Development of Preferences for Food and Addictive Behaviors. Terry Anders Memorial Lecture, Dalhousie University, Halifax, NS, Canada.
12. August, 2012: American Food Culture. Framework Lecturer for the 2012 Keio University/College of William & Mary Cross-Cultural Collaboration. Williamsburg, VA.
11. July, 2011: Increasing Consumption of Fruits & Vegetables in Children: Does the Type of Exposure Matter? Symposium: New Perspectives on the Development of Flavor Preferences. Talk presented at the Society for the Study of Ingestive Behavior, Clearwater, FL.
10. January, 2011: Factors Influencing the Development of Children's Flavor Preferences. Talk presented at the Winter Conference on Animal Learning and Behavior, Winter Park, CO.
9. September, 2010: The Sensory World of Infants. Talk presented at VII Simposio Internacional Anjinomoto: Glutumato: Indispensable, Aminoacido, No Esencial. Guayaquil, Ecuador.
8. April, 2007: Measuring Emotion: Facial Expression. Talk presented at the Monell Spring Colloquium for Sponsors. Philadelphia, PA.
7. December, 2006: Understanding Learned Flavor Preferences: From Rats to Children. Talk presented at the William & Mary Colloquium Series. Williamsburg, VA.
6. June, 2006: Role of Early Experiences in the Development of Flavor Preferences. Talk presented at the Sensory Science Symposium “Why do people eat? Drivers of food intake behavior” at the International Food Technology Annual Meeting in Orlando, FL.
5. December, 2005: Development of Food Preferences and Obesity. Talk presented at Monell’s Symposium for Sponsors entitled “Approaches to the Problem of Obesity.” Philadelphia, PA
4. March, 2005: Role of Experience in the Development of Learned Taste and Flavor Preferences. Talk presented at the Monell Colloquium Series, Philadelphia, PA.
3. July, 2004: Development of Food Preferences throughout Childhood. Talk presented at Monell’s Summer Lecture Series for Students, Philadelphia, PA.
2. April, 2003: What the Nose Knows and the Tongue Prefers: Learned Flavor Preferences in Rats and Children. Talk presented at the Brainwash Seminar Series, Southampton College of Long Island University, Southampton, NY.

1. July, 2001: Using Taste Reactivity to Measure Shifts in the Palatability of Conditioned Taste Cues. Talk presented at the bi-weekly meeting of the Australian Learning Group, University of Sydney, Sydney, NSW, Australia.

Presentations at Professional Meetings

101. An, Z. & Forestell, C.A., (2025, July). Navigating Novelty: Arousal and Motivation in the Context of Food Familiarity. Poster presented at the Society for the Study of Ingestive Behavior, Oxford, UK.
100. Moding, K.J., Forestell, C.A., Johnson, S.L., Glime, G.N.E., Tang, M. (2025, July). Does Early Exposure to Protein-Rich Foods during Infancy relate to Later Acceptance and Enjoyment of Food? The MINT Study. Poster presented at Society for Nutrition Education and Behavior Conference, Indianapolis, IN.
99. Forestell, C.A., Moding, K.J., Johnson, S.L. (2025, May). Factors Associated with Caregivers' Decisions about when to Introduce Meat to their Infants and Toddlers. Poster presented at American Society of Nutrition, Nutrition Conference, Orlando, FL.
98. Forestell, C.A., Moding, K.J., Johnson, S.L., Krebs, N.F., Glime, G.N.E., Matzeller, K.L., Hernandez, M.L., Tang, M. (2025, May). Effects of Early Exposure to Protein-rich Complementary Foods on Toddlers Liking and Acceptance: The MINT Study. Poster presented at American Society of Nutrition, Nutrition Conference, Orlando, FL.
97. Ferrante, M.J., Shapiro, A.L., Forestell, C.A., Moding, K.J., Johnson, S.L. (2025, May). Nutrition-related knowledge, knowledge confidence, and self-efficacy of caregivers in the complementary feeding period. Poster presented at American Society of Nutrition, Nutrition Conference, Orlando, FL.
96. Johnson, S.L., Shapiro, A., Tanner, B., Schaefer, C.A., Forestell, C.A., (2025, May). Pacing and Time Interval Are Important for Repeated Exposure Effects on Infant Novel Food Acceptance. Poster presented at American Society of Nutrition, Nutrition Conference, Orlando, FL.
95. Ferrante, M.J., Forestell, C.A., Moding, K.J., Johnson, S.L. (2024, July). Caregivers' thoughts and questions related to the complementary feeding period. Talk presented at the Society for Nutrition Education and Behavior Conference, Knoxville, TN.
94. Johnson, S.L., Lawless, M.C., Shapiro, A.L., Forestell, C.A. (2024, July). Examining Caregiver Decisions to Begin Introduction of Complementary Foods to Infants and Toddlers. Poster presented at American Society of Nutrition, Nutrition 2024 Conference, Chicago, IL.
93. Forestell, C.A., Moding, K.J., Johnson, S.L., Milla, A., Tutman, J., Krebs, N.F., Tang, M. (2024, July). Associations Between Toddlers' Eating Behaviors and Their Liking and Consumption of Protein-Rich Foods. Poster presented at American Society of Nutrition, Nutrition 2024 Conference, Chicago, IL.
92. Forestell, C.A., Moding, K.J., Lawless, M., Barrett, K.J., Johnson, S.L. (2023, July). Factors Associated with Caregivers' Decisions about When to Introduce Beef to Infants and Toddlers. Poster presented at American Society of Nutrition, Nutrition 2023 Conference, Boston, MA.

91. Moding, K.J., Lawless, M.C., Barrett, K.J., Ueki, M. Forestell, C.A., Johnson, S.L. (2023, July). Iron and zinc content of commercial infant and toddler foods containing animal-source proteins. Poster presented at American Society of Nutrition, Nutrition 2023 Conference, Boston, MA.
- 90 Lawless M.C., Barrett, K.J., Forestell, C.A., Moding, K.J. & Johnson, S.L.(2023, July). Assessing the Nutrition Literacy of Caregivers Related to Feeding their Infants and Toddlers. Poster presented at American Society of Nutrition, Nutrition 2023 Conference, Boston, MA.
89. Nezlek, J.B., Forestell, C.A., Cyprianska, M., Tomczyk, J., (2023, June). Perceived Treatment by Others as a Function of Diet is Related to the Well-being of Vegetarians. Talk presented at the Psychology of Human-Animal Intergroup Relations (PHAIR) Meeting, Canterbury, UK.
88. Forestell, C.A., Krishnamurti, H.,Tomczyk, J., Cyprianska, M., Nezlek, J.B. (2023, June). Attitudes toward Vegetarians and Vegetarians' Perceptions of their Treatment by Others. Talk presented at the Psychology of Human-Animal Intergroup Relations (PHAIR) Meeting, Canterbury, UK.
87. Forestell, C.A., Barrett, K.J., Lawless, M., Campaign, A., Flesher, A., Lage, S.J.*, Cohodas, R.N.*, Moding, K.J., & Johnson, S.L. (2023, June). A Matter of Health, Taste, and Tradition: Parents' Rationales for Introducing Meat to their Children. Poster presentation at the Psychology of Human-Animal Intergroup Relations (PHAIR) Meeting, Canterbury, UK
86. Forestell, C.A., Krishnamurti, H.*, Cohodas, R.*, Kappel, L.*, Siroty, M.*, Carlson, A*., Li, G.* (2023, June). Birds of a Feather Flock Together: The Roles of Gender Norms and Dietary Similarity in Determining the Attractiveness of Potential Romantic Partners. Poster presentation at the Psychology of Human-Animal Intergroup Relations (PHAIR) Meeting, Canterbury, UK
85. Barrett, K.J., Lawless, M.C., Campain, A.*, Forestell, C.A., Fisher, A., Lage, S.J.*, Cohodas, R.N.*, Ueki, M.*, Moding, M.J., Johnson, S.L. (2023 April). "It's just a matter of practice": Understanding parental conceptualizations of complementary feeding. Poster presentation at the Human Biology Association Annual Meeting, Reno, NV.
84. Forestell, C. A., Cypriańska, M., Tomczyk, J.*, & Nezlek, J. B. (September 2022). Vegetarians' perceptions of how they are treated by others. In J. B. Nezlek (Chair), Implications of considering vegetarianism as a social identity. Congress of the Polish Association of Social Psychology, Gdańsk, Poland.
83. Tomczyk, J.*, Cypriańska, M., Forestell, C. A., & Nezlek, J. B. (September 2022). Vegans vs. self-identified vegans: The importance of distinguishing vegans and plant-based dieters. In J. B. Nezlek (Chair), Implications of considering vegetarianism as a social identity. Congress of the Polish Association of Social Psychology, Gdańsk, Poland.
82. Forestell, C.A., Krishnamurti, H.*, Tomczyk, J.*, Cypriańska, M. & Nezlek, J.B., (July 2022) Omnivores' Explicit and Implicit Attitudes Towards Vegetarians and Vegetarians' Perceptions of Omnivores' Treatment of Them. Poster presented at the Society for the Study of Ingestive Behavior, Porto, Portugal.
81. Herchenroeder, L*., Forestell, C.A., & Bravo, A.J., (July, 2022). Using Video Appeals to Reduce Wanting of and Intentions to Consume Meat. Poster presented at the Society for the Study of Ingestive Behavior, Porto, Portugal.

80. Krishnamurti, H.*, & Forestell, C.A., (May, 2022). What Lies Beneath? Examining the Implicit and Explicit Attitudes towards Vegetarians. Poster presented at the American Psychological Society, Chicago, IL.
79. Herchenroeder, L.*, Forestell, C.A., & Bravo, A.J. (May, 2021). The Effectiveness of Health, Environmental, and Animal Welfare-Focused Video Appeals on Implicit and Explicit Wanting of Meat and Intentions to Reduce Meat Consumption. Poster presented at the Animal Advocacy Conference, University of Kent, Kent, UK (virtual). - First prize winner in poster competition.
78. Plummer, R.S.* & Forestell, C.A. (July, 2019). Appearance-Related Media Affects Implicit Cognitive Responses to Food. Poster presented at the Society for the Study of Ingestive Behavior, Utrecht, Netherlands.
77. Etuk, R.E.* & Forestell, C.A. (July, 2019). Children's Attentional Bias Toward Fruits and Vegetables as a function of Exposure and Food Neophobia. Poster presented at the Society for the Study of Ingestive Behavior, Utrecht, Netherlands.
76. Forestell, C.A., & Dickter, C.L. & Volz, S.* (November, 2017). Effect of parental smoking behavior on pre-adolescents' attentional bias to smoking-related cues. Poster presented at International Society for Developmental Psychobiology, Washington, DC.
75. Forestell, C.A., & Goldberg, L.S.* (July, 2017). The role of cognitive conflict in food consumption. Poster presented at the Society for the Study of Ingestive Behavior, Montreal, Canada.
74. Marty, L.,* Monnery-Patris, S., Chambaron, S. Nicklaus, S., & Forestell, C.A. (July, 2017). Implicit and explicit attitudes towards food in American and French Children: A cross-cultural study. Poster presented at the Society for the Study of Ingestive Behavior, Montreal, Canada.
73. Masi, E.A.,* Forestell, C.A., & Dickter, C.L. (May, 2017). Electrophysiological Measures of Attention in Children as a Function of Parental Escape Drinking. Poster presented at Association for Psychological Science, Boston, MA.
72. Le, T.P.,* & Forestell, C.A., (May, 2017). A Caloric Preload Increases Restrained Eaters' Evaluation of Low Calorie Foods. Poster presented at Association for Psychological Science, Boston, MA.
71. Forestell, C.A., Collier, L.A.,* & Dickter, C.L., (November, 2016). Effect of parental drinking behavior on pre-adolescents' affect and attentional bias to alcohol-related cues. Talk presented at International Society for Developmental Psychobiology, San Diego, CA.
70. Chopp, B.H.,* & Forestell, C.A., (July 2016). Predictors of Children's Ability to Evaluatively Categorize Foods. Society for the Study of Ingestive Behavior, Porto, Portugal.
69. Goldberg, L.S.,* Plummer, R.S.,* Webb, K.L.,* & Forestell, C.A., (July, 2016). Women's food choices and intake. Poster presented at the Society for the Study of Ingestive Behavior, Porto, Portugal.
68. Le, T.P.,* Forestell, C.A., (May, 2016). Good mood foods: Induced positive mood enhances emotional bias to food. Poster presented at the Association for Psychological Science, Chicago, IL.

67. Goldberg, L.S.,* Plummer, R.S.,* Webb, K.L.,* & Forestell, C.A., (May 2016). The effect of calorie and health information on women's food choices and intake. Poster presented at the Association for Psychological Science, Chicago, IL.
66. Zhuang, W.,* Karabaich, C.,* Robles-Steiner, M.,* & Forestell, C.A. (May 2016). Why do we overeat? The role of impulsivity in dietary restraint. Poster presented at Association for Psychological Science, Chicago, IL.
65. Volz, S.C.,* Forestell, C.A., Dickter, C.L. (May, 2016). Children's attentional bias to cigarette images: Effect of parental smoking. Poster presented at Association for Psychological Science, Chicago, IL.
64. Perry, S.,* Kelsey, C.,* Dallaire, D., & Forestell, C. A. (November, 2015). Linking Clinical Depression and Recidivism in Incarcerated Pregnant Women. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Chicago, IL.
63. Dallaire, D., Perry, S.*, Kelsey, C.*, & Forestell, C. A. (November, 2015). Recidivism Rates among Recently Incarcerated Pregnant Women. Paper presented at the annual meeting of the American Society of Criminology, Washington, DC.
62. Libster, N.*, Kelsey, C.*, Dallaire, D., & Forestell, C.A., (2015, August). Breastfeeding Initiation among Incarcerated Pregnant Women at Point of Delivery. Poster presented at the 123rd Annual Convention of the American Psychological Association, Toronto, Canada.
61. Forestell, C.A., Knapp, J.C.*, Kruja, K.M.*, Oberg, L.A.*, & Piulson, L.* (July, 2015) How does calorie information affect women's food choice and intake? Poster presented at Society for the Study of Ingestive Behavior, Denver, CO.
60. Zhuang, W.*, Schroeder, T.*, & Forestell, C.A., (July, 2015). Food odors and attentional bias for visual food cues. Poster presented at Society for the Study of Ingestive Behavior in Denver, CO.
59. Schiano, A.*, Chiang, A.*, Xu, L.*, & Forestell, C.A. (April, 2015). The Relationship between Taste Sensitivity for Monosodium Glutamate, Food Neophobia, and Daily Consumption of High-Protein Foods. Poster presented at the Association for Chemoreception Sciences, Fort Meyers, FL.
58. O'Gorman, E.*, Hull, C.*, Kelsey, C.*, Dallaire, D. & Forestell, C.A. (2015, March). Prenatal nutrition and nutrition knowledge for pregnant incarcerated women. Poster presented at the Society for Research in Child Development Biennial Meeting, Philadelphia, PA.
57. Medel, N.*, Mullins, C.*, Kelsey, C.*, Dallaire, D., & Forestell, C.A. (March, 2015). National standards of care for pregnant incarcerated women. Poster presented at the Society for Research in Child Development Biennial Meeting, Philadelphia, PA.
56. Kelsey, C.*, Dallaire, D., & Forestell, C.A. (March, 2015). Birth Outcomes Among Pregnant Incarcerated Women and Women Enrolled in WIC. Poster presented at the Society for Research in Child Development Biennial Meeting, Philadelphia, PA.

55. Forestell, C.A., Osborne, C.L.,* Cusumano, L.A.*, & Karcher, N.* (November, 2014). French Fries: healthy or unhealthy? Predictors of children's ability to evaluatively categorize foods. Poster presented at the International Society for Developmental Psychology, Washington, DC.
54. Forestell, C.A., Osborne, C.L.,* Cusumano, L.A.*, Karcher, N.* (November, 2014). French Fries: Healthy or unhealthy? Predictors of children's ability to evaluatively categorize foods. Poster presented at the International Society for Developmental Psychology, Washington, DC.
53. Ernesto, M.,* Kelsey, C.,* Dallaire, D. H., Forestell, C.A., Marshal, L.,* & Junghahn, V.* (2014, August). Incarcerated pregnant women: Links between depression and infant birth weight. Poster presented at the Annual Meeting of the American Psychological Association, Washington DC.
52. Forestell, C.A. & Dallaire, D. H. (2014, August). Intervening with Incarcerated Pregnant Women to Improve Prenatal Care and Birth Outcomes. Paper presented at the Annual Meeting of the American Psychological Association, Washington DC.
51. Forestell, C.A., Cunningham, E.,* & Dickter, C.L., (April 2014). The Effect of Odor-Induced Disgust on Reactions to Gay Men and Lesbian Women. Poster presented at Association for Chemoreception Sciences (ACheMS), Bonita Springs, FL.
50. Forestell, C.A., Cavanagh, K.V.*, & Kruja, B.,* (July 2013). The Effect of Product Information on Flavor Perception and Consumption. Poster presented at Society for the Study of Ingestive Behavior (SSIB), New Orleans, LA.
49. Jones, M.E.,* Sinton, M.M., & Forestell, C.A., (May 2013). Role of Maternal Messages on Girls' Body Image and their Approach and Avoidance of Healthful and Unhealthful Foods. Poster presented at the Association for Psychological Science (APS), Washington, DC.
48. Forestell, C.A., Cunningham, E.,* & Dickter, C.L., (May 2013). Induced Disgust Affects Implicit and Explicit Reactions to Gay Men and Lesbians. Poster presented at the Association for Psychological Science (APS), Washington, DC.
47. Harris, A.K.,* Dickter, C.L. & Forestell, C.A., (May 2013). Affective Responses to FDA Graphic Cigarette Warning Labels in Smoking Groups. Poster presented at the Association for Psychological Science (APS), Washington, DC.
46. Cavanagh K.V.* & Forestell, C.A., (May 2013). The Effect of Brand Names on Flavor Perception and Food Consumption in Restrained and Unrestrained Eaters. Poster presented at the Association for Psychological Science (APS), Washington, DC.
45. Dallaire, D.H., & Forestell, C.A., (April, 2013). The Psychological and Service-Related Needs of Pregnant Incarcerated Women. Paper presented at the Society for Research in Child Development (SRCD), Seattle, WA.
44. Stevens, J. A., Dickter, C. L., Spencer, J., Johnson, L., Forestell, C. A., Hunt, P. S., & Porter, M. C. (March, 2013). *WISE Partnering with Community Colleges: Strategies and Lessons Learned*. Poster presented at the ADVANCE Conference of the Association for Women in Science, Alexandria, VA..

43. Cunningham, E.,* Dickter, C.L., & Forestell, C.A. (January, 2013). The Effect of Induced Disgust on Implicit and Explicit Evaluations of Homosexual Couples. Poster presented at the Society for Personality and Social Psychology (SPSP), New Orleans, LA.
42. Hammett, P. J.,* Dickter, C. L., & Forestell, C. A., (October, 2012). Event-Related Potentials in Response to Smoking and Nonsmoking Cues among Individuals with Previous Exposure to Parental Smoking. Poster presented at the International Society for the Study of Developmental Psychobiology (ISDP), New Orleans, LA.
41. Dickter, C. L., & Forestell, C. A. & Kieffaber, P. D., (September, 2012). Determinants of P3 Attentional Bias to Smoking-Related Stimuli in Smokers and Non-smokers: The Role of Craving and Image Content. Paper presented at the annual meeting of Society for Psychophysiological Research (SPR). New Orleans, LA.
40. Dickter, C. L., Stevens, J. A., Forestell, C. A., Hunt, P. S., & Porter, M. C., (June, 2012). Implicit and Explicit Attitudes towards Women in STEM: The WISE Initiative. Paper presented at the annual meeting of Society for the Psychological Study of Social Issues. Charlotte, NC.
39. Dickter, C. L., Forestell, C. A., Kieffaber, P. D., & Kittel, J. A.,* (April, 2012). Determinants of P300 Amplitude to Smoking-Related Stimuli in Smokers and Nonsmokers: The Role of Craving and Image Content. Poster presented at the annual meeting of Virginia Youth Tobacco Prevention. Richmond, VA.
38. Forestell, C. A., & Dickter, C. L., (April, 2012). The Relationship between Parental Smoking and Attentional Bias in Smokers and Nonsmokers. Poster presented at the annual meeting of Virginia Youth Tobacco Prevention. Richmond, VA.
37. Forestell, C. A., & Marshall, V. H.,* (2011, November). Flavor preference conditioning in children. Talk presented at the International Society for the Study of Developmental Psychobiology (ISDP), Washington, DC.
36. Forestell, C. A. & Ege, E.,* (July 2011). Food intake regulation in infants. Poster presented at the Society for the Study of Ingestive Behavior (SSIB), Clearwater, FL.
35. Forestell, C. A., Schindler, J. M.,* & Corbett, D. (2010, October). The effect of nutrition education on children's healthy food choices. Poster presented at the 43rd Annual Meeting for the International Society for Developmental Psychobiology (ISDP), San Diego, CA.
34. Forestell, C. A., & Mennella, J. A., (2010, April). Factors influencing mothers' perceptions of their infants' liking of a green vegetable. Poster presented at the 32nd Annual Meeting of the Association for Chemoreception Sciences (AChemS), Sarasota, FL.
33. Forestell, C. A., Karcher, N. A.,* & Osborne, C. L.,* (2010, May). Strategies for increasing children's acceptance of healthful foods. Poster presented at the 22nd Annual American Psychological Society Convention, Boston, MA.
32. Forestell, C. A. & Spaeth, A. M.,* (2009, July). Flavor preference conditioning in children and young adults: An Update. Poster presented at the Society for the Study of Ingestive Behavior (SSIB), Portland, OR.

31. Spaeth, A. M.,* & Forestell, C. A., (2009, July). Eating behavior and lifestyle characteristics of a sample of vegetarian and non-vegetarian university students. Poster presented at the Society for the Study of Ingestive Behavior (SSIB), Portland, OR.
30. Forestell, C. A., Beauchamp, G. K., & Mennella, J. A., (2009, April). Relationships between early experience and acceptance of the basic tastes during infancy. Poster to be presented at the 31st Annual Meeting of the Association for Chemoreception Sciences (AChemS), Sarasota, FL.
29. Forestell, C. A., Levillain, M. E.,* Reardon, K. M.,* & Speath, A. M.,* (November, 2008). Flavor preference conditioning in children and young adults. Poster presented at the 41st Annual Meeting for the International Society for Developmental Psychobiology (ISDP), Washington, DC.
28. Forestell, C. A. & Mennella, J. A., (July, 2008). Differential Facial Responses to a Fruit and Vegetable in African American and Caucasian Infants. The 12th European Conference on Facial Expression, Geneva, Switzerland.
27. Mennella, J. A., & Forestell, C. A., (June, 2008). Children's hedonic responses to the odors of alcoholic beverages: An Update. Poster presented at the 2008 Joint RSA/ISBRA Scientific Conference, Washington, DC.
26. Mennella, J. A., & Forestell, C. A., (2007, November). Children's hedonic responses to the odors of alcoholic beverages: A window to their emotions. Poster presented at the 40th Meeting for the International Society for Developmental Psychobiology (ISDP), San Diego, CA.
25. Mennella, J. A., Duke, F., Pepino, M. Y., Perlman, E., Forestell, C. A., & Reed, D. R., (April, 2007). Haplotypes of the bitter receptor TAS2R38 and their relationship to bitter perception of PROP in children, adolescents and adults. Poster presented at the 29th Annual Meeting of the Association for Chemoreception Sciences (AChemS), Sarasota, FL.
24. Forestell, C. A. Morgan, L., Yourshaw, L., Beauchamp, G., & Mennella, J. A., (April, 2007). Early milk-feeding history influences infants' taste preferences. Poster presented at the 29th Annual Meeting of the Association for Chemoreception Sciences (AChemS), Sarasota, FL.
23. Forestell, C. A., & Mennella, J. A., (October, 2006). Early Determinants of Fruit and Vegetable Acceptance. Poster presented at the 39th Annual Meeting for the International Society for Developmental Psychobiology (ISDP), Atlanta, GA.
22. Forestell, C. A., Beauchamp, G. K., & Mennella, J. A., (September, 2006). Role of Early Experiences in the Development of Taste Preferences in Infants. Poster presented at the bi-annual European Chemoreception Organization (ECRO), Granada, Spain.

21. Forestell, C. A., & Mennella, J. A., (April, 2006). Feeding Vegetables and Fruits to Infants: Does the Type of Exposure Matter? *Chemical Senses*, 31. Poster presented at the 28th Annual Meeting of the Association for Chemoreception Sciences (ACheMS), Sarasota, FL.
20. Forestell, C. A., & Mennella, J. A., (November, 2005). Strategies to Enhance Green Bean Consumption in Infants [#43]. *Developmental Psychobiology*, 47(4), 415-455. Poster presented at the 38th Annual Meeting for the International Society for Developmental Psychobiology (ISDP), Washington, DC.
19. Forestell, C. A., Steinmeyer, A., Howard, J., & Mennella, J. A., (April, 2005). Children's Hedonic Responses to Alcohol Odors are Related to Parental Drinking and Smoking Habits. *Chemical Senses*, 30(5), A126-A258. Poster presented at the 27th Annual Meeting of the Association for Chemoreception Sciences (ACheMS), Sarasota, FL.
18. Lolordo, V. M., Forestell, C. A. & Boudreau S. E., (June, 2004). Conditioning of Preference, Avoidance, and Palatability Shifts. Talk presented at the Symposium on Taste Reactivity: A Tool for Evaluating Taste Hedonics and Taste Aversions at the Brain, Behaviour and Cognitive Science 14th Annual Meeting, St. John's, Newfoundland.
17. Forestell, C. A. Maggi, L. & Mennella, J. A., (April, 2004). Children's Preference for Cigarette Odor: Effects of Maternal Smoking and Mood. *Chemical Senses*, 30(3), A1-A125. Poster presented at the 26th Annual Meeting of the Association for Chemoreception Sciences (ACheMS), Sarasota, FL.
16. Forestell, C. A., & Mennella, J. A., (November, 2003). Children's Hedonic Judgments of Tobacco Odor: Effects of Parental Smoking [#43]. *Developmental Psychobiology*, 43, 254. Poster presented at the International Society for Developmental Psychobiology (ISDP), New Orleans, LA.
15. Forestell, C. A., & LoLordo, V. M., (July, 2003). Dissociations in conditioned flavour preferences and palatability shifts. *Appetite*, 40, 331. Paper presented in the New Investigator Symposium at Society for the Study of Ingestive Behavior (SSIB), Groningen, The Netherlands.
14. Mennella J. A., & Forestell C. A., Henry C., Beauchamp G. K., (April, 2003). Early Learning about the Sensory Properties of Tobacco. *Chemical Senses*, 28(6), 562. Poster presented at the 25th Annual Meeting of the Association for Chemoreception Sciences (ACheMS), Sarasota, FL.
13. Forestell, C. A., & LoLordo, V. M., (March, 2003). Palatability Shifts in Flavor Preference Learning. Paper presented at the Eastern Psychological Association Meeting, Baltimore, MD.
12. Forestell, C. A., & LoLordo, V. M., (July, 2002). Palatability Shifts and Flavour Preference Conditioning. Paper presented at the EPS Workshop for Professor N. J. Mackintosh: Associative Learning and Representation. Cambridge, England.

11. Forestell, C. A., de Groot, M. H. M., LoLordo, V. M., & Schellinck, H. M., (November, 2002). Assessment of immediate-early gene expression following exposure to classically conditioned olfactory stimuli in mice. Program No. 281.17. Washington, DC: Society for Neuroscience, 2002. Poster presented at the Annual Society for Neuroscience Conference, Orlando, FL.
10. Forestell, C. A., & LoLordo, V. M., (March, 2002). Taste Reactivity and Taste and Flavor Preference Conditioning. Paper presented at the Eastern Psychological Association Conference, Boston, MA.
9. Forestell, C. A., & LoLordo, V. M., (July, 2001). Does taste preference conditioning shift palatability of taste cues? Poster presented at the Australian Learning Group Conference, Magnetic Island, Australia.
8. Forestell, C. A., & LoLordo, V. M., (April, 2001). Reverse-order preference conditioning of odors in rats. Poster presented at the Eastern Psychological Association Conference, Washington, DC.
7. Schellinck, H. M., Forestell, C. A., Brown, R. E., & LoLordo, V. M., (July, 2000). The development of an associative olfactory test of learning in mice. Paper presented at the Chemical Signals in Vertebrates Conference, Poland.
6. Forestell, C. A., & LoLordo, V. M., (July, 2000). Effect of food restriction on the conditionability of relatively acceptable and unacceptable taste stimuli. Poster presented at the joint BBBS and EPS meeting, Cambridge, England.
5. Forestell, C. A. Humphrey, T. M.*, & Stewart, S. H., (November, 1999). Restraint, weight, and waist and hip size as predictors of attractiveness in female line drawings. Poster presented at the 33rd Annual Association for the Advancement of Behavioral Therapy (AABT) conference, Toronto, Ontario, Canada.
4. Forestell, C. A., Schellinck, H. M., LoLordo, V. M., Brown, R. E., & Wilkinson, M., (April, 1999). Olfactory conditioning and immediate early gene expression in mice. *Chemical Senses*, 24 (5), 517-622. Poster presented at the 21st Annual Meeting of the Association for Chemoreception Sciences, Sarasota, FL.
3. Forestell, C. A., & LoLordo, V. M., (May, 1998). Does reverse-order conditioning produce taste preferences in water restricted rats? Poster presented at the 10th Annual American Psychological Society Convention, Washington, DC.
2. Forestell, C. A., & LoLordo, V. M., (April, 1998). Saccharin must be added to the taste cue to condition robust taste preferences in rats. Poster presented at the Associative Learning Symposium II, Gregynog, Wales.
1. Forestell, C. A., & LoLordo, V. M., (June, 1997). Pitfalls in odor and taste preference conditioning. Paper presented at the Canadian Society for Brain, Behaviour and Cognitive Science 7th Annual Meeting, Winnipeg, Manitoba, Canada.

GRANTS***Currently Funded External Grants***

- 2023-2025 National Dairy Council
(\$614,364 total costs. This includes a subcontract award (MOA-1861) to W&M for \$95,432 in direct costs)
Project: Influence of a dairy-based complementary diet on body composition, bone growth, and food acceptance: a randomized controlled trial.
Role: co-PI with Kameron Moding, Minghua Tang, PI
- 2022-2024 Avocado Nutrition Center
Project: Avocado Intake in the Early Years
Role: Consultant; Susan Johnson, PI (Grant Administered through University of Colorado)

Previously Funded External Grants

- 2019-2023 Polish National Science Centre
(OPUS 018/31/B/HS6/02822, 1,350,230 PLN zł which is equivalent to approximately \$335,000 USD: \$243,440 direct + \$91,598 indirect costs).
Project: Vegetarianism, Social Identity, and Well-being
Role: co-PI; John Nezelek, PI (Grant administered through SWPS University of Social Sciences and Humanities, Warsaw)
- 2021-2023 National Cattlemen's Beef Association
(NCBA 212936/V10, \$232,363.00 direct costs. This includes a subcontract award (MOA-1861) to W&M for \$35,123 in direct costs)
Project: Understanding Factors Involved in Preferences for Animal-based Foods
Role: co-PI; Susan Johnson, PI
- 2018-2019 Virginia Foundation for Healthy Youth (\$457,000 direct costs)
Project: Systems Modeling & Simulations for Effective Tobacco Control and Prevention Policies among Youth.
Role: Consultant; Hong Xue, PI (Grant administered through Virginia Commonwealth University)
- 2016-2017 Center for the Study of Tobacco Products at VCU
(Subaward FP000003667 to W&M, \$33,561 direct + \$15,774 indirect costs)
Project: Do Marketing Messages and Health Claims Affect Implicit and Explicit Cognitive Responses to E-Cigarettes?
Role: PI
- 2015-2016 The Anthem Foundation (\$48,850 direct costs)
Project: The W&M Healthy Beginnings Project
Role: co-PI; Danielle Dallaire, PI

2015-2016	March of Dimes Foundation, Virginia Chapter (\$12,000 direct costs) Project: Baby Basics Moms' Club for Pregnant, Incarcerated Women Role: co-PI; Danielle Dallaire, PI
2012-2016	Eunice Kennedy Shriver National Institute of Child Health and Human Development (NIH R15 HD071486-01, \$299,160 direct + \$143,597 indirect costs) Project: Influences of Parental Smoking on Pre-Adolescents' Reactivity to Smoking- Related Stimuli Role: PI with Cheryl Dickter
2012-2014	W.K. Kellogg Foundation (Award #P3020450, \$316,369 direct costs + \$47,440 indirect costs) Project: Improving Birth Outcomes by Providing a Nutrition Intervention Program to Incarcerated Women Role: co-PI; Danielle Dallaire, PI
2011-2014	National Science Foundation (ADVANCE_PAID 1107147, \$440,982 direct + 139,292 indirect costs) Project: The Women in Scientific Education (WISE) Initiative Role: co-PI; Jennifer Stevens, PI
2004-2006	Canadian Institutes of Health Research Postdoctoral Fellowship (\$100,000) Project: Development of Food Preferences during Infancy Role: PI
2004	International Glutamate Technical Committee (\$60,000) Project: Flavor Preferences: Imprinting and the Role of Early Experience Role: Post-doctoral Investigator; Julie Mennella and Gary Beauchamp (PIs).
1995-1997	Natural Science and Engineering Research Council Post-Graduate Fellowship (\$36,000). Project: Conditioned Taste and Odour Preferences in Rats Role: Graduate student PI

Internal Research Grants

2021	Arts & Sciences Faculty Research Grant (\$2,000) Project: Measuring Neophobia in Children Role: PI
2013	Eastern Virginia Medical School/W&M Collaborative Grant Program (\$10,000) Project: Development of Social Risk Warning Labels to Reduce Smoking Behavior in Young Adults Role: PI
2010	HHMI Faculty-Student Exchange Program (\$16,400) Project: Physiological Determinants of Flavor Preference Development in Infants Role: co-PI, Ernestine Duncan (Norfolk State University), PI

- 2008 Faculty Summer Research Grant (\$4,000)
Project: Effect of Hunger State on the Development of Infants' Preferences for Palatable and Unpalatable Foods
Role: PI
- 2007 Faculty Summer Research Grant (\$5,000)
Project: Effect of Infants' Physiological State on Responses to Palatable and Unpalatable Foods
Role: PI

Grants not funded

- 2019 NIH NIAAA R21 Grant (299,392 direct costs)
Project: A Randomized Control Trial of Koru Mindfulness for College Students who Drink Alcohol to Cope
Role: co-PI; Daniel Gutierrez, PI
- 2015 NSF Division of Behavioral and Cognitive Sciences, Social Psychology (\$445,630 direct costs)
Project: The Effect of Outgroup Contact on Attentional Processing and Subsequent Prejudicial Behavior
Role: co-PI; Cheryl Dickter, PI
- 2012 Virginia Youth Tobacco Projects Small Grants Program (\$24,300 direct costs)
Project: The Role of Anxiety and Impulsiveness of Daily and Occasional Smokers
Role: PI, Cheryl Dickter co-PI
- 2012 VFHY Youth Tobacco Prevention Research Grant (\$439,057 direct costs)
Project: Effects of Nicotine on Anxiety and Impulsivity in Adolescents: A Translational Approach
Role: co-PI, Josh Burk, PI
- 2010 Anthony Marchionne Foundation Small Grants Program (\$24,250 direct costs)
Project: Parental and Peer Influences on Attentional Patterns to Smoking-Related Stimuli in Pre-Adolescents
Role: PI with Cheryl Dickter
- 2009 NIH NIDA R03 Grant (\$141,581 direct costs)
Project: The Effects of Environmental Influences on Psychophysiological Responses to Smoking-Related Stimuli in College Students
Role: PI with Cheryl Dickter

TEACHING

Courses Taught at William & Mary

PSYC 100 (COLL 100) Interplay between Nature & Nurture (Spring 2016 - Spring 2024)

PSYC 302	Research Methods in Psychology (Spring 2008, 2009, 2010).
PSYC 310 (COLL 200)	Developmental Psychology (Fall 2007 – Fall 2015, Spring 2018, Fall 2021, Summer 2021, Summer 2025 online asynchronous format)
PSYC 317	Sensation & Perception (Fall 2010)
PSYC 356 (COLL 300)	Health Psychology (Fall 2015-Fall 2016, Spring 2019) (COLL 300 in Fall '16 and Spring '19)
PSYC 410 (COLL 400)	Advanced Research Seminar in Developmental Psychology (Fall 2007 - 2012, Spring 2013, Fall 2017)
PSYC 453	Infancy (Spring 2021, 2024)
PSYC 470	Service Learning in Developmental Psychology (Fall 2010)
PSYC 632	Graduate Research Methods (Fall 2014 - Fall 2021, Fall 2023)

Guest Lectures

ENSP 440: Parks and Ecotherapy Research (Spring 2023 for Dorothy Ibes)

KINE 352: Nutrition and the Brain (Spring 2014 for Ken Kambis)

PSYC 310: Developmental Psychology (Fall 2014, Fall 2015 for Peter Vishton)

PSYC 317: Sensation & Perception (Fall 2015)

Student Supervision

Masters Research Directed at William & Mary

Victoria Marshall (MA, 2012), Masters of Counseling from William & Mary (2014)

Chelsie Young (MA, 2012) - co-advisor, PhD Social Psychology, University of Houston (2016),
Researcher at Meta

Anna Harris (MA, 2013) - co-advisor, MS Clinical Mental Health Counseling (2015), University
of North Carolina, Greensboro

Kevin Cavanagh (MA, 2013), PhD Business, Case Western University (2019). Currently a
Financial Advisor at Edward Jones

Patrick Hammett (MA, 2013) - co-advisor, PhD Epidemiology (2017), University of Minnesota.
Currently a statistician, Center for Care Delivery and Outcomes Research, Assistant Professor,
Department of Medicine, University of Minnesota

Wen Zhuang (MA, 2016), PhD, Developmental Psychology, University of California, Davis
(2023). Currently a Research Associate at the Renée Crown Wellness Institute, University of
Colorado, Boulder.

Lisa Goldberg (MA, 2017), Program Manager at Monte Nido & Affiliates.

Repairet Etuk (MS, 2019), PhD Psychology (2024), University of Nevada, Las Vegas. Currently a
T32 Postdoctoral Fellow at Yale.

Ti Hsu (MS, 2020), PhD Candidate in Clinical Psychology, the University of Iowa, Iowa City

Christina Marlow (MS, 2021), PhD Candidate in Psychology, North Carolina State University

Harini Krishnamurti (MS, May 2022), PhD Candidate in Psychology, George Washington University

Daniel Valerio Montero (MS, May 2023), Clinical Research Coordinator, Virginia Commonwealth University

Zhen An (MS, expected May 2025)

Honors Research Directed at William & Mary

Over the years, several of my students have been honored by receiving departmental awards at graduation. These are indicated below as follows: ¹Williams Award, ² Alumni Association Research Award, ³ Excellence in Neuroscience Award.

Chelsea Osborne¹ (BS, 2009), JD, New York University School of Law (2013).

William Schreiber² (BS, 2010), PhD, Neuroscience, University of Delaware (2015). Currently an Assistant Professor of Psychology at Elon University.

Jennifer Schindler (BS, 2010), MPH, Columbia University (2012), DrPH in Health Behavior at George Washington University (2018). Currently an Assistant Professor of Nursing at Fairfield University

Pia Lau (undergraduate student from Germany, 2012), PhD, Cognitive and Behavioral Neuroscience, Institute of Biomagnetism and Biosignal Analysis, University Hospital Münster (2018).

Stephanie Kane (BS, 2012), MEd, Speech Language Pathology, University of Virginia (2017).

Maegan Jones¹ (BA, 2013), PhD in Human Development and Family Science, North Dakota State University (2019). Currently an Assistant Professor at St. Cloud State University.

Blina Kruja (BS, 2014), MS, Life Science Economics & Policy, Technical University, Munich (2018)

Nicholas Gupta (BS, 2015) - Registered Nurse

Dahanah Josias Sejour (BA, 2015) - co-advisor. MPH, Behavioral Sciences and Health Education, Emory University Rollins School of Public Health (2017). Currently a lead scientist at Booz Allen Hamilton.

Lauren Collier (BS, 2015) - MA Psychology, Wake Forest University (2017). PhD, Organizational Psychology, Michigan State University. Senior UX Researcher at Meta

Emily O’Gorman (BA, 2015), MS, Psychology, Villanova University (2017). PhD, Clinical Psychology, The University of Toledo (2021), Assistant Professor of Pediatrics at University of Virginia Medical School.

Sarah Volz³ (BS, 2016) - MA Psychology, Wake Forest University (2018). PhD candidate Social psychology studying health behavior change, University of Minnesota.

Gabrielle Mecca (BA, 2016). Assistant Service Manager/Dispatcher at Priority Hyundai, Virginia Beach.

Emily Masi (BS, 2017). M.D. Candidate at University of Florida College of Medicine (2023).

Thomas Le¹ (BA, 2017), PhD, Counseling Psychology, University of Maryland (2021). Assistant Professor, Bryn Mawr College, PA.

Rachel Plummer¹ (BA, 2018), MPH, Harvard. T.H. Chan School of Public Health (2021).

Associate Director at Cambridge Economic Opportunity Committee.

Elizabeth Gally² (BA, 2019), Human Capital Analyst at Deloitte Consulting, Washington, DC.

Giselle Ferguson¹ (BA, 2019), PhD, Social and Health Psychology, Stony Brook University (2024). Visiting Assistant Professor, Union College

Stephanie Cerrato (BA, 2020), PhD Candidate, Counseling Psychology, University of Maryland.

Yuxin (Vicky) Liu (BA, 2021), PsyD candidate, La Salle University

Madelyn Moore (BA, 2021), Graduate student at Florida State University

Isabel Li² (BS, 2024), Research Assistant, Virginia Commonwealth University

International Student Supervision

Pia Lau (undergraduate honors student from Germany); Fall, 2011 and Spring 2012.

Lucile Marty (Ph.D. student from France; Spring 2017)

Internship Supervision

Camille Galecki (2009), Children's Autism Center, Fort Wayne, IN.

Alexandra Hayes (2011), Virginia Department of Public Health.

Jennifer Michael (2012), Williamsburg, James City County Schools.

Elizabeth Payne (2013), Williamsburg, James City County Schools

Bailey McCarthy (2017), Columbia University

Internal Teaching Grants and Support

Spring 2025 Summer Online Course Development Seminar offered by STLI to convert my Developmental Psychology course into an online asynchronous summer course.

2015-17 Co-developer (with Sharon Zuber, Steve Otto, Lori Jacobson, & Paul Showalter) of "Communication Concepts & the First-Year COLL Experience" a 3-day seminar for faculty developing COLL 100 and 150 courses. Supported by the Center for Liberal Arts (CLA) at W&M.

2016 Co-developer (with Gene Tracy, Carey Bagdassarian, Iyabo Osepum, Fabricio Prado) of Developing your On-Campus COLL 300 course. 3-day seminar for faculty developing COLL 300 courses. Supported by the CLA

2009 QEP/ Mellon Teaching Fellowship. Funds provided to hire an undergraduate teaching assistant to supplement the service learning component on my developmental psychology course.

2008 Technology Integration Program Focus Group: Teaching with Tablet PCs Tablet PC provided for use in the classroom along with focus group meetings throughout the school year.

PROFESSIONAL ACTIVITIES & SERVICE

Workshops, Courses, and Certifications

Spring 2022 Provost's Inaugural Supporting Mid-Level Academic Leaders program

Spring 2017	Provost's Leadership Initiative
January 2008	W&M Workshop: The Art of Strategic Persuasion
March 2008	McGraw Hill Workshop: Using Stories in Teaching
February 2006	Paul Ekman's Facial Action Coding System Course - Certified

Service to the Profession

January 2025	Executive Editor for <i>Appetite</i>
2022 - Present	Associate Editor for Psychology of Human-Animal Intergroup Relations (PHAIR) Journal
2022 - Present	Board of Editors for <i>Food Quality and Preference</i>
2020 - Present	Board of Editors for <i>Nutrition Education & Behavior</i>
October 2024	Grant Reviewer for National Science Centre, Poland
September 2024	External Reviewer for Promotion and Tenure Case
February 2024	Grant Reviewer for Research Grants Council (RGC) of Hong Kong
Fall 2024	External reviewer for Psychology dissertation, University of Regina, Saskatchewan, Canada
Spring 2025	External reviewer for Psychology dissertation, University of Warsaw, Warsaw, Poland
Summer 2022	Reviewer, NIDDK Special Emphasis Panel, "Pediatric Obesity Discovery Science Research"
2020	Advisor to the Good Feeding Pediatric Professional Network
2010, 2022	NSF Grant Reviewer, Division of Behavioral & Cognitive Sciences
2002 – Present	Ad Hoc Reviewer for various journals (~20 reviews per year)

Service to William & Mary

Key Leadership Positions

2020-25	Director, Neuroscience Program
2018-20	Faculty Liaison, Board of Visitors for William & Mary
2018-19	Chair, Faculty Affairs Committee for Arts & Sciences
2017-18	President, Faculty Assembly
2015-18	Co-chair, Women's Network (representing faculty)

Other Leadership Positions

2023-2024	Co-organizer, Provost's STEM Talks Seminar Series,
2022-23	Chair, COPAR of the Faculty Assembly
2019-20	Co-chair, Teaching and Learning subcommittee, University Strategic Planning
2018-19	Chair, President Rowe's Inauguration Committee
2017-18	Chair, Executive Committee of the Faculty Assembly
2017-18	Convener, William & Mary 2026 Working Group
2017-19	Convener, Faculty Handbook Revision Working Group
2016-17	Vice President, Faculty Assembly
2016-17	Chair, Liaison Committee, Faculty Assembly

2015-17 Convener, Faculty Survey Working Group

Committee Membership

Spring 2025	Internal program reviewer for Government Department, William & Mary
Fall 2024	Member, Biochemistry Faculty Search Committee for Chemistry
Fall 2024	Tenure Committee member for Kinesiology
2024-2025	Member, Future of A&S Committee
2023-2025	Teaching & Learning Technology Advisory Committee
2023 (Fall)	Interim member, Educational Policy Committee
2022-2023	Member, Nutrition Faculty Search Committee for Kinesiology
2022-2023	Area II representative, Faculty Assembly
2022-2023	Member, Executive Committee of Faculty Assembly
2022 (Spring)	Ad hoc working group for the Sustainability of the COLL Curriculum
2022 (Spring)	Governance Award Review Selection Committee
2021 (Fall)	Term Distinguished Associate Professorships Review Advisory Committee
2021 (Fall)	Plumeri Award for Faculty Excellence selection committee
2021 - 2023	Counselor Education Advisory Committee, Member
2019-2022	W&M Kindness & Bridging Differences Initiative, Member
2019-20	Strategic Planning Committee, Member
2019	University Vision, Mission, Values Drafting Group, Member
2019-23	Assessment Steering Committee, Member
2018-19	Daily Work of Justice Conversation Series, Planning Committee
2017-19	Committee on Education and Prevention of Violence, Faculty Representative
2014-19	Faculty Advisory Committee (FAC) for Arts & Sciences, Area II
2014-19	Area II representative, Faculty Assembly
2017-18	University Strategic Planning Steering Committee
2017-18	Member of Wellness Minor Working Group
2015-17	Fellow, Center for the Liberal Arts (CLA)
2012-19	Women's Network Executive Committee
2016-18	Dean's Working Group on Undergraduate Research
2015-20	Presenter, Undergraduate Research & Scholarship, Day for Admitted Students
2015-16	Faculty Affairs subcommittee of the Faculty Assembly
2015-18 & 22-23	Committee on Planning and Resources (COPAR)
2012-17	Committee for Honors and Interdisciplinary Studies
2016-17	COLL 100 EPC subcommittee (approved communication component of COLL 100 courses submitted to EPC)
2016-17	Search committee for Administrative Director for CLA
2015-16	Quality Assessment Plan (QEP) Steering Committee
2016-18	Academic Initiatives Task Force of the 100 Years of Women Celebration
2015-16	Best Practices for Retention, Promotion, & Tenure Working Group
2014-15	President's Task Force on Preventing Sexual Assault & Harassment (Prevention and Education subcommittee)
Spring 2015	Alcohol Study Steering Committee
2014-15	Partnership Task-force – Advising and the First Year Experience
2014-15	W&M Bike Alliance (Member & Research Coordinator)
2013-15	W&M Women's Mentoring (WM ²) Steering Committee
Spring 2014	Member of panel for Grant Writing Workshop for Graduate students

Spring 2012-18	Charles Center Summer Scholarship Committee
2008 – present	Undergraduate Advising (Pre Major Advising)
2008-11, 2015-17	University of William & Mary Teaching Project
2008-12, 2015-17	May Seminar (week-long retreats devoted to curricular development)

Service to the Neuroscience Program

Fall 2020-Present	Director of Program
Fall 2024	Co-chair, Behavioral/Cognitive Neuroscience Teaching Faculty Search Committee
Spring 2024	Co-chair, Behavioral/Cognitive Neuroscience Teaching Faculty Search Committee
	Co-chair, Cellular/Molecular Neuroscience Teaching Faculty Search Committee
Fall 2010-Present	Major Advisor

Service to the Psychology Department

Fall 2024	Member, Sensation & Perception and Affective Neuroscience Faculty Search Committee
2021-2022	Graduate Studies Committee
2024-25	
2018-2019	Chair, Personnel Committee
2017-2018	Member of Research Committee
2009-11, 2014-17	Director, Undergraduate Studies
2019-2020	
2014-17 2018-20	Member of Planning Committee
2012-2013	Co-Chair, Public Relations Committee
Fall 2015	Search Committee for Administrative Secretary
Summer 2011	Search Committee for Visiting Professor in Developmental Psychology
2009	Co-organizer of undergraduate conference: Research Methods in the Psychological Sciences for research conducted in the classroom
2008 – 2012	Psychology Department Representative for Annual Majors' Fair
2007–11,	Member, Undergraduate Committee
2014-17, 2019-20,	
2022-24	

Service to the Community

2020 - 2025	Member of Landscaping Advisory Committee (2022-2023: Secretary) for New Town Residential Association
Spring 2015	What's On <i>Your</i> Plate? Understanding the Factors underlying Food Choice. Psi Chi Invited Speaker
Spring 2014	Talk entitled "Healthy Eating for Families" with Brittany Stroud, RN, Iron-Bound Gym in Williamsburg, VA
January 2014	Co-organizer, Host and Presenter of an Open Forum to Discuss Evidence-Based Practices for Pregnant Incarcerated Women, Williamsburg, VA.
2012-2014	Volunteer at Virginia Regional Peninsula Jail, Williamsburg, VA

2012-2016	Volunteer at Riverside Regional Jail, Hopewell, VA
2013	Faculty Advisor for Kenya Sustainable Village Project sponsored by Branch Out Alternative Breaks at William & Mary

Society Memberships

Association for Chemoreception Sciences, International Society for Developmental Psychobiology, Society for the Study of Ingestive Behavior, Association for Psychological Science
