

Design School Students Only

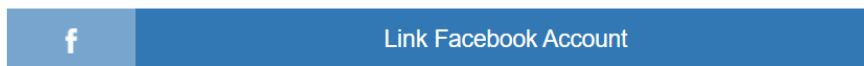

Rhino Cloud Zoo Setup

Accepting the Rhino team invitation:

Follow the invitation link in the email to create an account (if you dont have this talk to a Technician). It's best to link Rhino to your @aucklanduni.ac.nz google account.

Create an Account

Do you have an external account you would like to login with?

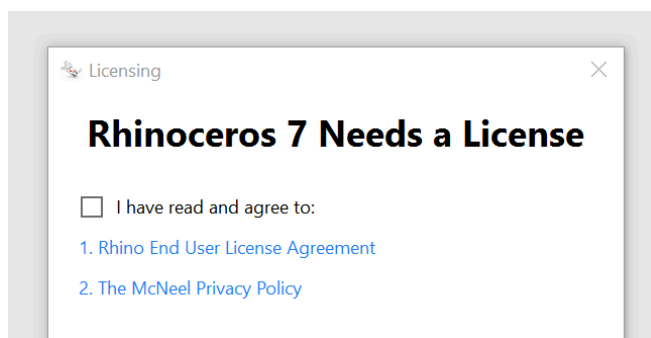

No thanks, I'll use a password

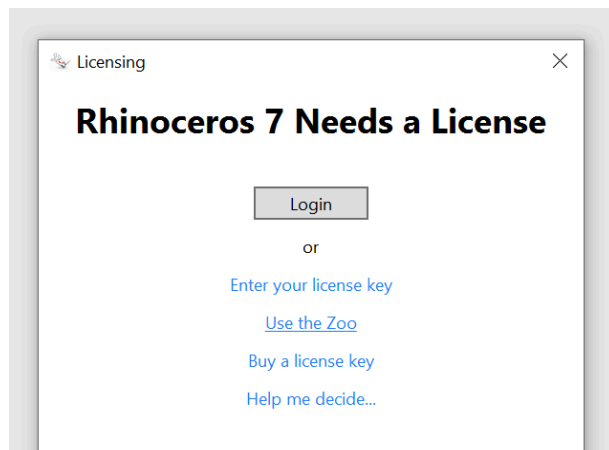

Use your account to download and install Rhino 7 ([Download here](#)) if you have not already.

Running Rhino 7 for the first time:

Read and agree to the terms and conditions.

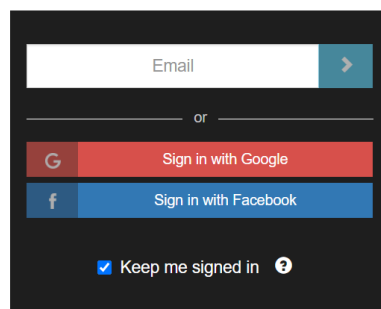

Click Login. It will take you to a webpage to login to your Rhino account you just created.

Sign in with your linked Uni Google account

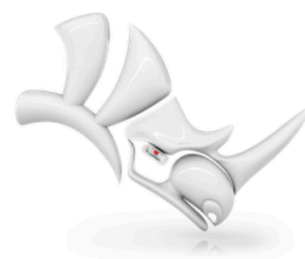

Login to your Rhino Account

 Rhinoceros would like to access your Rhino account from your device.

A login form with a dark background. At the top is an 'Email' input field with a right-pointing arrow button. Below this is a horizontal line with the word 'or' in the center. Underneath are two buttons: a red one with the Google 'G' logo and the text 'Sign in with Google', and a blue one with the Facebook 'f' logo and the text 'Sign in with Facebook'. At the bottom is a checkbox labeled 'Keep me signed in' followed by a help icon (a circle with a question mark).

[Create a New Account](#)
[I Can't Login](#)

The webpage will say Login complete and you can go back to Rhino which should now be activated.

Login completed. Please go back to Rhino.
