

玉苒廈之書沉思語錄

A Thought to Ponder from The Urantia Book

Needless

“It is needless further to expatiate on the attributes of the Eternal Son. With the exceptions noted, it is only necessary to study the spiritual attributes of God the Father to understand and correctly evaluate the attributes of God the Son.”

[6:4.10 \(77.3\)](#)

沒有必要

「進一步詳述永恆之子的屬性是沒有必要的。除了已提及的例外，只需研究上父神的靈性屬性便可理解且正確地評估上子神的屬性。」
