- Discuss issue with the teacher involved (if applicable).
- Discuss issue with the grade administrator/Vice Principal.
- Discuss the issue with the Principal.
- Contact the Superintendent's office.

2. ATTENDANCE / ABSENCES

It is extremely important that students attend school regularly. Achievement is closely correlated with excellent attendance. There will be progressive consequences for truancy. **If you are going to miss a class or be absent for any reason your parent or guardian must inform the school with a call or email to our HHHS Attendance line prior to the absence. Please contact hhhsattendance@rdpsd.ab.ca**

The only acceptable reasons for absences are medical, bereavement, school authorized activities, or if prior approval has been received from your teachers. Students that are truant may be assigned a zero for missed work. Failure to inform us of your absence is a serious problem. Students who have unverified absences will receive a computerized phone call to their home to confirm the absence with parents. **You must sign out at the office if you are leaving the school early.**

Students are expected to be on time for all classes. Being late for class will only be excused when the student has a note from their parent/guardian, a teacher, or the office. Frequent tardiness will be accounted for in an appropriate manner.

3. DRESS CODE

Students will come to school dressed appropriately, in accordance with the policies outlined by the school. Clothing needs to be appropriate to the educational setting. Failure to comply may result in disciplinary action.

Students are not allowed to wear clothing that is inappropriate, such as:

- a. Offensive to others
- b. Foul or suggestive language or pictures
- c. Promotes alcohol or drug use and associated paraphernalia
- d. Skirts/dresses/shorts no shorter than mid-thigh

Hunting Hills has adopted Alberta Education's Examination Policy for **ALL** grades and **ALL** exams as follows:

*"Students may not bring any headsets, CD players, digital audio players, cell phones, pagers, or other electronic devices into the examination room. No hand-held electronic dictionaries and no electronic or paper templates and/or graphic organizers are allowed. Students may not bring prohibited calculator materials into the examination room. Any student **in possession of materials not allowed in the examination room** will have his/her mark invalidated."*

Students who wish to appeal a final mark awarded by the school should first consult with the teacher. After discussion with the teacher, the student may appeal in writing to the Principal within one week of receiving their report card.

e. **Missed Exams / Assignments**

EXAMS: If a student misses an exam or assignment due to truancy they will be assigned a mark of 0%. Students will not be penalized for missing assignments/exams due to illness or other justifiable causes. Parent/guardian verification prior to writing is advisable to avoid a zero mark. In most circumstances, the student will be given the opportunity to write the exam or its equivalent upon their return to class. Alternative arrangements may be made to have the student write outside of class time or alternate location such as the Exam Room.

ASSIGNMENTS: Assignments that are not handed in by the due date shall be assigned an NR (not received) which equals a mark of 0%. It is expected that the assignment will be completed in a timely manner so that a mark of 0% will not be assigned in the final grade. Late assignments may receive: a reduced value; be excused (E); or an alternate assignment may be given. Reduced grades may range in value depending on the type of assignment given.

f. **Final Exam Policy**

If a student misses a final exam due to truancy, he or she receives a mark of zero pending an appeal to administration. Students may not exempt final exams other than for the following and only with approval from the Chief Examiner: Medical (doctor's note required), Court (copy of docket schedule required), Bereavement (note from parent/guardian), Inclement weather (Official advisory). Parent/guardian verification prior to writing is advisable to avoid a zero mark. If this is the case, alternative arrangements may be made. Under normal circumstances, all common, Provincial Achievement tests, and diploma exams **must** be written during the scheduled times. Students who are aware of a conflict regarding exams must see an administrator as soon as possible. Students missing non-common exams will be referred to their course teacher. Students missing common exams (unless for reasons stated above) will not be able to write. The class mark will count as their full grade and will have their final mark calculated as follows: *Final mark = student's year average +/- the difference of the class years' average and the class's exam average.*

NOTE: Students found with an electronic device (on or off) while writing a final and/or diploma exam will receive a "NO MARK" on their exam.

g. **Diploma Examinations**

As stated above, all diploma exams **must** be written at the scheduled times and dates. Failure to write at the scheduled time and date may require the student to write the exam at the next exam sitting resulting in a delay of final course mark being awarded. Diploma exams are held in English 30-1 & 30-2, Social Studies 30-1 & 30-2, Math 30-1 & Math 30-2, Science 30, Biology 30, Chemistry 30, and Physics 30. The final course mark will be a blended mark: 80% from school awarded mark and 20% of the provincial diploma exam mark. The high school transcript will show three marks: school awarded mark, diploma exam mark, and the final blended mark. *A student must receive a final blended mark of a minimum 50% to receive credit for the course.*

Prerequisite Marks for Diploma Examination Courses: Students in grade eleven who request to register in a Diploma examination course must have a minimum mark of **65%** in the prerequisite course.

Rewriting Diploma Examinations: If for any reason a student wishes to rewrite a Grade 12 diploma exam, he/she may do so by making an application to write the exams at the next scheduled sitting (January, April, June, August, or November). Application for rewriting a diploma must be made through the myPass Alberta Education account.

11. LOST AND FOUND

Lost and found items are to be brought to the office. Texts may be claimed at the bookstore. Items not collected by the last week of each month will be donated to charity. Stolen items should be reported to the office immediately. If theft is suspected, please submit a written report to the main office listing the items stolen. It is also the student's responsibility to file a police report with the R.C.M.P.

12. PARKING

Visitors must register their vehicles at the office. There are a limited amount of parking spaces available. Free public parking is available along Lockwood Avenue outside of bus zones. There are a limited number of permits available for both grades 11 and 12 on a first come, first served basis. Please ensure

you attend your designated bookstore date for reserved parking passes. If sold out, you can add your name to a limited waiting list for an available spot. A permit does not ensure the safety of your vehicle or its contents. Please lock valuables out of sight or take them with you.

Students are asked to park in designated areas only on the WEST side with a valid parking permit. **Permits must be displayed at all times.** Failure to comply may result in a parking ticket or revoked pass. HHHS does not accept responsibility for damages and/or thefts which occur in the parking lot. Complaints should be filed with the R.C.M.P.
