## **Pre-Launch Email 2 – 24 Hours to Go!**

**Subject:** ⌚ 24 Hours Until the Amazon Royalties Go LIVE

Hey [First Name],  
We're officially 24 hours out.

Tomorrow, your subscribers get access to a hidden Amazon system that's quietly paying out **\$25 to \$50/hour** in **royalties** — just for uploading audiobooks they didn't even create.

- ✅ No writing. No recording.
- ✅ Just download, upload, and get paid.
- ✅ 100% done-for-you.
- ✅ Works on any phone.

This is one of the easiest recurring income models we've ever released.

And it's built around **Amazon Audible's royalty engine** — a system that pays creators month after month.

But this opportunity won't stay open forever.

We're capping access to protect commissions.

## Email Swipe 1 – Launch Day

**Subject:** This Amazon loophole pays \$25 to \$50 over and over 📖

Hey [First Name],

What if Amazon paid you \$25 to \$50 every time someone listened to an audiobook?

No writing. No speaking. No selling.

Just upload a done-for-you audiobook... and get paid in royalties.

That's exactly what's happening with **AZ Instant Payday** —  
a brand-new system that taps into **Amazon Audible's royalty program...**  
and turns it into recurring, passive income.

We're talking real royalties.

Paid direct to your bank.

From audiobooks you didn't even create.

It's live right now.

And the faster you move, the sooner you start getting paid.

## **Email Swipe 2**

**Subject:** I uploaded an audiobook... and Amazon paid me 🤖

Hey [First Name],

This sounded crazy at first — but I tried it, and it worked.

I uploaded a done-for-you audiobook to Amazon...  
and within a day, I got paid.

No product.

No writing.

No tech headaches.

Just a simple upload... and boom — royalty payment.

Turns out, there's a hidden cash system inside Amazon Audible.  
It was made for authors — but now, anyone can use it.

And with **AZ Instant Payday**, you don't even have to create your own books.

You just download the audiobooks we give you,  
upload them with our 3-step process,  
and let Amazon handle the rest.

This system is hot — and it's live now.

## **Email Swipe 3**

**Subject:** Would you upload an audiobook for \$50?

Hey [First Name],

Serious question:

If Amazon offered you **\$25 to \$50** every time you uploaded an audiobook...  
how many would you upload?

One a day? That's \$1,500 a month.

Five a week? That's \$1,000+ in weekly passive income.

This isn't theory.

It's happening right now with **AZ Instant Payday** —  
the easiest royalty system we've ever seen.

You don't need to record anything.

You don't need to write a single word.

You just upload audiobooks we give you...  
and let Amazon do the rest.

The more you upload, the more you earn.

## **Email Swipe 4 – Closing Warning**

**Subject:** 🚨 24 Hours Left – Amazon Royalty Loophole Closing

Hey [First Name],  
This is your final warning.

In less than 24 hours, the **AZ Instant Payday** doors will close — possibly for good.

Right now, people from around the world are uploading done-for-you audiobooks and getting paid **\$25 to \$50/hour** in Amazon royalties...

And all they're doing is following three simple steps:

Access the system.  
Download the audiobooks.  
Upload and get paid.

No selling.  
No voice recording.  
No complicated tech.

But this window is closing fast.
