# PTC Meeting Minutes

Tuesday, January 27, 2026, at 11:15am, Greenhills Campus

Item #1 Welcome, Larisa Perryman @ 11:17am

Item #2 Approval of December 2 Meeting Minutes, Amanda Murray

Jennie motioned to approve, Nick seconded. Amanda Kari and Larisa said aye

Item #3 Principal's Report, Mrs. Johnson

Had a good jamboree - a lot of TK turnout and questions, at least 40 families were there. This year Greenhills passed out a pamphlet going over the differences and similarities between traditional grades and MA. Many families went over to the MA classrooms to tour and meet teachers. Tomorrow is the 100th day of school celebration, all grade levels are invited to dress up and participate or wear green. We're starting a math lab - math intervention for those who need a little extra math help after school, for 1st, 2nd, 3rd grades for kids who need help - more game based and hands-on. Playground replacement equipment is here and should be put in on Friday. All students will do iReady tests again in Feb. K-2 will do it at the end of the year while 3rd does CAASP. Parents should get updates of results with spring progress reports.

Item #4 Grade Level Updates, PTC Teacher Representatives

- TK, Gomez:
    - TK has been working on the letters M and O, are on P this week. Pajama day on Friday. 100 day activities are happening, 10's and counting up to 100. Arctic animals are a focus - penguins, arctic foxes, polar bears. In math, we are focused on 1-10. Next will be shapes, transportation and Valentine's Day. There was a question on when TK playground will be complete - Mrs. Gomez updated the group that not everything is ordered, probably will not be complete until next school year. TK teachers are thinking about asking DAD's club to paint a track on the blacktop. Mrs. Gomez mentioned we might not be able to put all 3 classes in the TK area at the same time.
- K, Lobban:
    - Kindergarten is starting to get in the flow of things! Something magical happens to the brains of Kindergarteners this month, when they are more ready to start putting all their foundational learning into mastery and beyond. Students are blending words together as well as reading in "decodable texts." In science we are learning all about plants, and putting that knowledge into writing our first informational writing, aka "teaching books," which is our next unit in writing. In math, we are learning about numbers up to 100, and culminating with a celebration of the 100th day on the 28th! Finally, the students have been able to use the tricycles for a few weeks, and are loving it - thank you again for funding our grant proposal!
- 1, Shafto:

    - 1.  Pajama Day, January 26 - Students came dressed in their pajamas and brought their favorite book and stuffie. Students were engaged in reading, being read to, reading to a friend, sharing, making a book, drinking hot chocolate & marshmallows, and FUN!  FUN! FUN!
    - 2. 100's Day, January 28 - First Graders are so excited to reach the 100th day of school this Wednesday. Reaching three digit numbers will help in their understanding of Place Value. They will also be invited to dress up like they are 100 years old, or decorate a shirt and wear it to school, or wear green for Greenhills Spirit.
    - 3. Math - speaking of Place Value, we are beginning to dive in deep to understand the meaning of Tens & Ones and working with higher numbers beyond 20.
    - 4. Arctic Animals - Polar Bears and other arctic animals have been the focus this month.
- 2, Brown:
    - We are rolling right along in second grade. We just wrapped up all the vowel teams and dipthongs (ou, ow, oi, oy) in phonics. We are now working on silent letter combinations and then will move into some suffixes for words. In reading we are working on using text evidence to Compare and Contrast characters in a story. We will be to cause and effect with informational text soon. In writing we just finished a timeline of MLK Jr. and are now working on the Informational Writing unit for Mystery Writing. In math, we just wrapped up money and time along with 2-step word problems and balancing equations. We just started our unit on numbers to 1,000. We will use this knowledge to move into adding and subtracting 3 digit numbers. Finally, in Science we just began our Works of Water unit where we focus on where river begin and what erosion is. We wanted to thank the PTC for the yummy lunch last week and all the wonderful things you do for the school.
- 3, Bousfield:
    - Field Trip to Roseville Theater - Dear Edwina. Off Broadway Prep right now. March 27 - lots of practice. Teacher for the day on Friday. 100th Day, maybe 3rd graders dressing up. Deep into division. Fractions will start in Feb. ELA - using evidence from text. Will begin bringing home an extra piece of homework. Planets and invisible forces. Mindfulness. CAASP Practice Tests - very first time for a lot of them. Jennie will reach out to Loomis Author.
- MA, Freer:
    - First, thank you so much for supporting our assemblies. The students absolutely loved the **Wild Things** assembly — it was such a memorable experience for them. They are also very excited and already looking forward to the upcoming **Sami Circuit** assembly.
    - In the classrooms, we have begun practicing for our **spring play**, *The Garden Show*, which will be coming up in March. We are just starting to utilize the stage for rehearsals, and the students are especially excited to practice in that space.
    - As you know, tomorrow is our **100th day of school,** so there will be lots of adorable little “100-year-olds” in the hallways as we celebrate this milestone. We will be doing classroom activities centered around the number 100 to celebrate as well.
    - This past Saturday, we participated in the **Kindergarten Jamboree**. Ms. Heiskell, Ms. Gooler, and I were on campus meeting families and sharing information about what the Multiage program looks like alongside TK and Traditional K teachers, who were also here highlighting their programs. It was a great opportunity to connect with incoming families.
    - Thank you for all you do! We appreciate you!

Item #5 Treasurer’s Report, Kari Grischenko

Bank Accounts

- Checking-XXXX (*3122) : $25,761.45
- Checking-XXXX (*4904) : $150,469.55
- Paypal: $2,499.05
- Total for Bank Accounts: $178,730.05

Total Deposits since last PTC meeting = **$8,037.05**

Total Expenses since last PTC meeting = **$3,693.09**

Recent Events:

- Winter Wonderland: $1,989.41
- Dining out: Panera: $140.50
- Skate Night: $599.25

Item #6 25-26 Budget Revision, Kari Grischenko & Jennie Crawford

Needed to add $1500 per grade level for large projects to budget. Jennie motioned to approve, Amanda seconded, Nick Kari and Larisa said aye

Item #7 Recent Events, Larisa Perryman & Jennie Crawford

- Runnin' for Rhett MaraFUNrun (Dec 6)
    - 10 ¼ mile
    - 20 5K
- Holiday Helpers (Dec 13)
    - Fewer families than last year. Needed to tag gifts differently. Everything was fulfilled. Maidu joined in on our structure this year. Different feel vs District program. Great Greenhills Tradition
- Winter Wonderland (Dec 13)
    - No Rain! Good turnout. A lot of HS volunteers. Will need a new person to take it over. Added in the Greenhills Build a Bear. Will come up with an event where we can do them again. DADs Club did an awesome breakfast. New fire alarm works.
- Skate Night (Jan 6)
    - Maybe pick a new date?
    - Otherwise great.
- Wild Things Assembly (Jan 7)
    - Liked having Wild Things Assembly the week back. TaterTot the capybara was back
- Kindergarten Jamboree (Jan 24)
    - At least 40 families came to Jamboree. See Principal's Report above.

Item #8 Future Events, Larisa Perryman & Jennie Crawford

- Kindness Month, February 2026

    - Will sell Kindness Pathway Bricks. No rocks again.
- SAMI Family Night (Feb 3) - VOLUNTEER NEEDED
    - Teachers have received SOME forms back. Hoping more come in this week. Families can still come even without the form. Priya volunteered to sell products.
- Kindness Week (Feb 9-13)
    - Spirit Week and Challenge. See Paw Prints and Social Media.
- Cubs Night Out: BJ's (Feb 10)
    - 11a-9pm
- Cubs Night Out: Chick-Fil-A (Mar 3)
    - 4-7pm

Item #9 Book Fair, Amanda Murray

Had call last week with Scholastic. Book fair 16-20 of March. Opening Night on March 13. Drop off Supplies March 5&6. Setup right after. Class tour volunteers on march 11 & 12 (fewer) - hoping for more during VIP days. VIP days on March 17 & 18. No bags. Will do a bookmark. SignupGenius in mid-February. Will order the K-6 package and order extras. Needs cash on March 11 or 12. 4 registers. Will ask grocery stores for bags.

Item #10 Yearbook Updates, Larisa Perryman

- 215 books, 45 3rd grade cub shouts sold so far – books are trending the same as previous years, while cub shouts are down (one fewer 3rd grade class, parents are busy)
- Deadline to purchase cub shouts is this Sunday, 2/1
- Cover is done
- Began working on the portraits yesterday
- Need Candids
- Final pages are due in April
- Books delivered in May

Item #10 Open Forum/Questions, Larisa Perryman

Item #11 Next meeting date, Tuesday, February 24, 11:15am, Greenhills

Item #12 Adjourn @ 12:20pm
