## Section 6: Address Common Concerns & Answer Questions

### Frequently Asked Questions

#### **Q: What are the benefits of Invisalign over traditional braces?**

*A: Invisalign offers several advantages, including virtually invisible aligners, no dietary restrictions, easy maintenance, and reduced discomfort compared to traditional braces.*

#### **Q: Are Invisalign aligners comfortable to wear?**

*A: Invisalign aligners are made of smooth, comfortable plastic, causing minimal irritation to your cheeks and gums. Most patients find them comfortable to wear.*

**Q: What are the common dental issues that braces can address?**

*A: Braces can correct issues such as crooked teeth, overcrowding, overbites, underbites, crossbites, and gaps between teeth.*

**Q: Do braces hurt?**

*A: Initially, you may experience some discomfort or soreness when braces are first applied and during adjustments. This discomfort is usually mild and temporary.*

**Q: What happens if i delay or avoid a root canal treatment?**

*A: Delaying or avoiding a needed root canal can lead to the spread of infection, more severe pain, and potential tooth loss. It's essential to address the issue promptly to prevent complications.*

**Q: Is treatment painful?**

*A: We use the latest techniques and technology to ensure a pain-free experience. Your comfort is always our top priority.*

**Q: I'm worried about the cost. Do you offer payment options?**

*A: Yes! We provide a variety of payment options to make treatment affordable for every patient.*

**Q: How long will my treatment take?**

*A: Our team will give you an estimated timeline based on your specific needs, so you'll know what to expect before we begin.*

**Q: I'm nervous. Will you answer my questions & address my concerns?**

*A: Absolutely. We make time to discuss all your concerns and will guide you through every step of your treatment plan.*
