

(OWA intro plays.)

(A video package plays highlighting the events of Odyssey LXXXVII.

The show opened with Diantha Rosso coming to the ring, flanked by the rest of For The Minorities. After being booed by the fans for what felt like an eternity, Diantha cut a scathing promo on why she did what she did at Hardcore Havoc, but she would be interrupted by all three members of Thotyssey. As the two groups traded words back and forth, Jeff X emerged from the crowd, bashing DT with a beer bottle and nailing Raivo with an X-Crusher while Thotyssey laid a beatdown on Diantha. Just then, however, Havoc showed up with another targeted attack on Thotyssey. But as the demon strangled them, Chris Sabertooth shocked everyone by showing up and hitting the Dead Trigger on Havoc. Havoc then challenged Jeff and Chris to a fight, but the Hex Girls arrived, warning the Kingdom boys against it. After some coaxing, Murder Inc relented and went to the back to regroup.

The first contest of the night got underway when Bethany Hastings took on Cassie Wu. Still irate about the loss to Alyssa Grace at Hardcore Havoc, Hastings made relatively quick work of Wu, landing a trio of Saito Suplexes followed by the Archetype: Self to put Cassie away for the three count. That wasn't enough for the doctor though, as she instructed Leona to continue the assault on Cassie after the match. Dani Fatale would run down in an attempt to save Cassie, but she would only receive a Pounce from Leona for her efforts. Bethany then announced that she'd be cashing in her shot at the Sparks title in two weeks time, using Dani and Cassie as an example of what she would do to Felix.

Backstage, Rebecca Brookes seemed dejected with how her return had gone up until this point. In a hope to change things, Rebecca vowed to get back to her roots, proclaiming to all that she was essentially starting over from the bottom again, but, renewed with confidence, she vowed that this would lead to her finally becoming the Undisputed Women's World Champion.

The next match featured two fan favorites in Tomomi Shinozaki and Aalyah Landerson. It was a fast paced affair that ended with both women battling it out on the top rope. Tomomi would manage to nail a Superplex from there, rolling through and into the Welcome to Candyland for the three count. After the bell, the two shook hands in a heartwarming show of respect that the fans clearly enjoyed.

April Song had drifted to sleep backstage, and was visited in her dream by none other than her former friend and Tag Team partner Hana Nakajima. Hana begged and pleaded with April to save her because Chris and the Frontline were trying to kill her. Upon being woken by the Frontline themselves, April didn't know who to believe and instead left the arena to gather her thoughts.

Somewhere deep in the woods, Josie Grey and Gwen Harper went on a hunting trip to clear their mind from their problems with the Golden Dawn. The two appeared to be bonding, when

Gwen shot and killed a wolf. This seemed to bring out the Norse demigod Ulvensdatter, who brutally attacked Gwen, leaving her a bloody wreck in the woods.

Up next, Devi Krysis battled newcomer Eleni Angelos. Eleni, in her first match on the roster, showed some grit, hitting the New York Grove for a near fall, but not long afterwards, she went for a springboard attack, only to catch a boot to the gut, followed by the Way to the Wolf to put her away.

Backstage, the Golden Dawn approached Hana once again with the idea of joining forces. Rin Asakura made a compelling argument for why the alliance would be beneficial to all parties, but Havoc then showed up and demanded that Rin prove she could be trusted by eliminating her comrade NAMI. Rin wasted little time beating NAMI into a bloody pulp and, with the snap of their fingers, a pleased Havoc ended NAMI's life right before Rin's very eyes.

In the first title contest of the night, Hana defended her Goddesses Championship against Ruri Kuzunoha. In an incredible bout, Ruri took the fight to Hana, showing no fear and proving herself more than capable of hanging with the former world champion. Ruri appeared poised to score the upset with the Final Heaven. but Hana managed to roll out of the way and connect with the Sour Candy followed by the Kuro No Tenshi to put Ruri away and retain her title. After the match however, Havoc reared their head and looked to continue the death count with Ruri as the next victim. Rin Asakura would arrive however, pleading with Havoc to spare Ruri. Havoc agreed to do so IF Ruri agreed to join the Golden Dawn. Left without much choice, Ruri reluctantly joined the once powerful Asian faction.

Backstage, the Hex Girls seemed very concerned with Havoc's allies seemingly growing. As they formed a plan of their own to combat the demon however, an irate Liz Karlson barged into the room and immediately attacked The Banshee in retaliation for what happened inside of the Promethean Chamber. As Bad Meets Evil ripped Liz off of Banshee, Alyssa Grace joined the fray to even the odds for her tag team partner. A melee broke out, but when Jeff, Chris, and Filth entered the room, they helped to break it up, but not before Alyssa and Liz laid out a challenge to Bad Meets Evil for the tag team titles which Violet and Marie quickly accepted.

In the main event, Diantha Rosso defended the Undisputed Women's World Championship against Skylar Arceneaux. Diantha clearly underestimated her opponent early as she mocked the young Skylar, but Arceneaux battled back, surviving several Flare Star Bombs including one onto the announce table. Skylar then stunned Diantha by nailing her with the Blood Money brainbuster from the top rope that SHOULD have put Rosso away for three. DT the Ruler would snatch referee Elle Halen from the ring before she could finish the count. This drew out Murder Inc, who would brawl with For the Minorities on the outside, while Thotyssey took to the ring to stomp out Diantha once again. The official had no choice at that point than to call for a double disqualification, leaving Skylar furious. Skylar demanded answers from Rebecca Filth, but caught a Gore Whore for her trouble. But as Thotyssey and Murder Inc were standing tall, Maggall made his shocking return to OWA, easily dispatching of Chris and Jeff with a pair of

Marra Drivers before absolutely flattening all three members of Thotyssey with the Big Bang Impact.

We're then shown highlights from the previous Kingdom of the six person street fight featuring Jeff X, Marie Bouchard, and Felix Hartley against For the Minorities and Rin Asakura. It was a brutal and hectic match that saw interference from the likes of Chris Sabertooth, Violet Cunningham, The Banshee, Diantha Rosso, Ruri Kuzunoha, Maggall, Angelina Magnum, and Rebecca Filth. At one point, Raivo took the Outlaw title from Jeff, only to lose it himself to Marie Bouchard moments later. It was an all out war between factions until Rin Asakura ate a Coven's Call, an X-Crusher, and the Daddy Issues to be put down for the three. After the contest, Jeff X took to the microphone, delivering an inspiring speech to rally the troops, as well as issue a warning to all their enemies, as he invited the Hex Girls and Thotyssey into the Frontline...or as Rebecca Filth coined it...the Thotline.)

("When The Lights Come On" by Asking Alexandria continues to blare over the speakers as we cut to the inside of the sold out Malmo Arena Stadium. A magnificent pink and silver pyro display erupts on either side of the stage as the fans cheer excitedly. We pan over the crowd, seeing all of them holding signs and wearing merchandise of their favorite stars such as Thotyssey, Bad Meets Evil, The Power of Incredible Violence, and Devi Krysis, among others. A graphic appears in the corner of the screen reading 'LIVE: Malmo, Sweden' as we cut down to Gia Cervantes and Stephanie Matsuda in the commentary booth.)

Gia Cervantes: Ladies and gentlemen, WELCOME to Saturday night Odyssey! We are SOLD OUT in front of a raucous Swedish crowd tonight and they are ready to see the best women's wrestlers on the planet put on a show for them tonight and BOY are they certainly in for a HELL of a show!

Stephanie Matsuda: We've got not one, but TWO championship contests to get to as not only will the Power of Incredible Violence be defending the tag team championships in the main event against Bad Meets Evil, but Felix Hartley will be putting her Sparks title on the line against Bethany Hastings as well!

Gia Cervantes: We'll also be seeing The Golden Dawn team up for the first time tonight as they take on the newly formed duo of Cassie Wu and Dani Fatale! Devi Krysis will be in action in a triple threat bout against Aalyah Landerson and Elani Angelos, and Rebecca Brookes will go one-on-one with Tomomi Shinozaki!

Stephanie Matsuda: And with everything that's happened over the last several weeks between the Kingdom and Odyssey rosters, you never know WHO will show up! The newly dubbed Thotline have come together to try and take down Havoc, For The Minorities, and the Golden Dawn! What will happen next between all of these warring factions? I'm sure we'll find out tonight!

(Suddenly “BORN TO DIE” by Sidewalks and Skeletons blasts over the PA System to a mixed reaction from the crowd. Skylar Arceneaux walks through the curtain and the smug look that usually is displayed upon her face is nowhere to be seen. She looks all business, as she immediately makes her way down the ramp, completely ignoring the outstretched hands of the fans, before making her way up the steps and into the ring.)

Gia Cervantes: Well, ladies and gentlemen, we weren’t scheduled to hear from Skylar Arceneaux until later in the show, but it appears that Skylar just couldn’t wait. She does not look happy, Cloud.

Stephanie Matsuda: Well, can you blame her, Gia? Say what you want about how the last Odyssey went off the air, but Skylar was downright screwed by the interference from For The Minorities and Thotyssey. She had the Undisputed Championship WON in my opinion.

Gia Cervantes: It did certainly appear that way. Of course, we’ll never know if Diantha would have kicked out after that Blood Money from the top rope or not, but if it hadn’t been for the outside interference, Skylar could very well be standing here tonight as your new Undisputed Women’s World Champion.

(Skylar demands a microphone from a ringside official as the music dies down.)

Skylar Arceneaux: We are NOT doing this! Do you hear me?! We are NOT FUCKING DOING THIS!!!

(Skylar paces around the ring angrily now.)

Skylar Arceneaux: We are not just going to go about the show like nothing happened, continuing to cater to this whole Kingdom and Odyssey crossover event to appeal to the network executives and pretend that an absolute MISSCARRIAGE OF JUSTICE didn’t occur two weeks ago!!!

(You can see the vein bulging out of Skylar’s neck as she screams, clearly more angry than we’ve ever seen her before.)

Skylar Arceneaux: I have dealt with SO much BULLSHIT since I’ve been here! From being saddled with rejects like Azurine Vebbins and Nakita DuBov, to being used to prop up Alyssa Grace and being SOLELY responsible for the star she has become, to being injured at the hands of clumsy neanderthals like Gwen Harper, to being forced to carry the ghost of Tarah Nova towards something interesting for the first time in over five years...and that’s fine. I took it all in stride. I played my role like a good little soldier in order to improve my own branding and pad my bank account in the process, and I did it all with a smile on my face. But I’m tired of it. I’m tired of acting like the women that come out here week after week after week, pretending to have talent, and being viewed as stars in this industry have even a FRACTION of the skill that I

possess! And two weeks ago...two weeks ago was the tipping point. I should be standing here right now as your Undisputed Women's World Champion...but I'm not. And why? Why is that? Because three classless, moronic WHORES let their little spat with their Blacked co-stars ruin MY big moment!!! And I'm not going to take it anymore. I am NOT going to stand idly by and let Thotyssey cost me what should have been the biggest moment in my career. They may have been able to get away with that when it comes to the likes of April Song, or Liz Karlson, or Alyssa Grace, or even you, Cloud Matsuda.

(Skylar stares at Cloud, but she merely rolls her eyes in response.)

Skylar Arcneaux: But I am not going to let them roll over me too. Let me tell you something 'Thotyssey'...I don't give a shit who you are or how favored you are within this company. You've managed to skate by in life up until this point by batting your eyes and laying on your backs, and it's gotten you pretty far...but it ENDS now! I am 'La Verduga'. I am Skylar Arceneaux. I was born into a powerful family, molded by pioneers of the business world. I have had the best education and training that money can buy. I was literally FORGED to be successful. I have put in my time, my money, my blood, and my effort to make it to this point...to this level that I stand on today...and when I was finally supposed to get my due...when ALL of it was finally supposed to pay off...I was done in because three women who have never had to work for ANYTHING in their lives couldn't wait ten more minutes to settle their issues with Diantha Rosso! And to show how fucking foolish they are...for all their efforts, Diantha got what she wanted in the end! She's STILL the Champion! And Thotyssey STILL got flattened in the middle of this ring, just like they did at Hardcore Havoc! This just goes to show you that those three...they don't think things through. They're ignorant, they're impulsive, and most importantly...they're stupid. And that is a dangerous combination in a business like ours...one that I will not allow myself to fall victim to again.

(The Thotyssey fans in the crowd are beginning to boo Skylar now, but she doesn't seem to mind.)

Skylar Arceneaux: As a matter of fact...I'm not going to let ANYONE fall victim to this again! Because as of this moment right now...you can consider Odyssey CANCELED!!!

Gia Cervantes: What?? What is she even TALKING about?!

Skylar Arceneaux: That's right! This show is OVER! Because I am not going ANYWHERE until Llorona comes out here and makes this right. I want her out here...right now...to both give me my rematch with Diantha Rosso AND fire those cum-filled morons from MY brand! And until that happens...I am going to stand RIGHT HERE...IN THIS RING...AND THERE WILL BE NO SHOW TONIGHT!!!

(The crowd really starts to boo now, but Skylar just paces back and forth, staring towards the back.)

Skylar Arceneaux: COME ON LLORONA! DO THE RIGHT THING! GET OUT HERE RIGHT NOW! YOU DON'T NEED THEM ANYWAY! THE WHOLE WORLD KNOWS THAT SKYLAR ARCENEAUX IS MORE TALENTED, MORE INTELLIGENT, AND MORE BEAUTIFUL THAN ALL OF THOTYSSEY PUT TOGETHER! I AM THE CHAMPION THAT WILL CARRY YOUR BRAND INTO THE FUTURE! GET OUT HERE AND DO THE RIGHT THING-

(Suddenly, Skylar is cut off by the sounds of "Buttons" by the Pussycat Dolls blaring over the speakers. The crowd cheers as Angelina Magnum makes her way out, blowing kisses to the crowd as she fixes her hair. Skylar stares daggers at her, but as Angelina's gaze meets hers, The Main Attraction merely smiles as she makes her way down the ramp and into the ring.)

Gia Cervantes: Well it looks as if Angelina Magnum has heard enough from Skylar as it pertains to Thotyssey. And she's here to put an end to this little protest from Arceneaux.

Stephanie Matsuda: I get Skylar's complaints, I really do. But she can't expect Llorona to just get rid of one of the hottest acts in the industry, can she?

(Angelina is handed a microphone as she turns towards Skylar, still wearing a smile. Skylar doesn't look to be in the mood for games, however.)

Angelina Magnum: Skylar, Skylar, Skylar, Skylar...you're upset. I get it. You failed to win the title and now you're mad at Thotyssey. Hell, you're mad at the world. And now you're out here running our good names into the dirt because of it. Well...Skylar...I have only one thing to say in response...

Gia Cervantes: ****THE MONEYMAKER!!!! OH MY GOD!!!! ANGELINA MAGNUM JUST COMPLETELY DROPPED SKYLAR ARCENEAUX WITH THE MONEYMAKER KNEE STRIKE!!!! GOOD LORD!!!!****

Stephanie Matsuda: SKYLAR HITS THE CANVAS AND SHE'S OUT COLD!!!! ANGELINA MAGNUM HAD HEARD ENOUGH AND SHE RESPONDED TO SKYLAR'S STATEMENTS WITH A MASSIVE STATEMENT OF HER OWN!!!

Gia Cervantes: And now Angelina bends down, grabbing Skylar....AND HEAVING HER RIGHT OVER THE TOP ROPE! SKYLAR HAS BEEN EJECTED FROM THE RING BY ANGELINA MAGNUM AND IT LOOKS LIKE THE PROTEST HAS COME TO AN END! THIS SHOW WILL GO ON AFTER ALL!!!

Stephanie Matsuda: Apologies, Skylar, but that's the way it breaks sometimes! This is a business after all! And the show MUST go on!

("Buttons" blares over the speakers again as Angelina poses for the crowd. Skylar starts to come to and she glares up at Angelina in the ring, visibly shaking in anger as we fade to somewhere in the backstage area where Havoc, possessing the body of Hana Nakajima, sits at

the head of a long conference table, their feet propped up on it, with Ruri Kuzunoha and Rin Asakura sitting on either side of her. Havoc has a smirk on their face as they tap their fingers on the Goddesses Championship that sits in front of them.)

Havoc: First off, I'd like to thank Rin here for arranging this meeting. She has proven herself to be very useful and loyal over these last few weeks...

(Havoc smiles over at Rin, who nods appreciatively.)

Havoc: So I have given her the benefit of the doubt when she tells me that I would be interested in what you have to say. So by all means...the floor is yours.

(The camera pans out to reveal Diantha Rosso, DT the Ruler, Raivo, Giovante Reese, and Maggall sitting on the opposite end of the table.)

Diantha Rosso: Well first off, thank you for the hospitality. We're all some of the most successful people in this industry and I'm certain we all have things to do tonight, so I won't waste any of our time and I'll just get right to the point.

Havoc: I appreciate that.

Diantha Rosso: It seems that we've made our fair share of enemies over the course of the last few months. The Frontline...Thotyssey...the Hex Girls...they all despise everyone in this room right now because they fear how powerful we all have become. You, obviously, have proven your own strength time and time again and there's no doubt that you keep them up at night, in fear that you may decide to end their miserable lives at any moment.

Raivo: Which, I hope you do. Personally I'm sick of those white boys and their cock socks.

(Havoc smiles at Raivo's comments but keeps her eyes on Diantha.)

Diantha Rosso: And I have made Thotyssey's life a living hell ever since Hardcore Havoc. I've made the world see that those three are not as powerful as they thought they were and together, along with the rest of For The Minorities, we have brought them to their knees, and not in the way that they are accustomed to being. We've humbled them. And now they are dead set on vengeance, even aligning themselves with a group they were sworn enemies with just a few short weeks ago in the hopes of reclaiming this title. But I have no plans of relinquishing it any time soon.

DT the Ruler: The way I see it, we have a common group of enemies. And whether either of us likes to admit it or not, we are outnumbered. Separately, all of us have forced change in this company. Change that was unwanted, but necessary. But the rest of them...they aren't going to give into this change peacefully. They have put aside their own differences and joined up now, in an effort to eliminate us. To me...it only makes sense that we fortify our own numbers

by aligning together. Reassembling the Golden Dawn at your side was a smart move, regardless of how I've felt about their motives in the past...but it's not going to be enough. Not now that this....Thotline group exists, with no other aim than to destroy us all.

Havoc: Do you think that I am worried about Thotline?

Raivo: She got a point DT. I seen that chick snap her damn fingers and make that little chinese broad blow up two weeks ago.

Rin Asakura: She was Japanese.

Raivo: The fuck difference does it make?

Rin Asakura: You disrespectful-

Giovante Reese Please, please...Rin...allow me to apologize for my client's rudeness. Raivo, you know damn well NAMI was Japanese.

Raivo: Who the hell is NAMI?

Havoc: She's nothing anymore. Let us not dwell on her any longer. Rin, I'm sure that Raivo didn't mean to offend. Isn't that right Raivo?

(Raivo meets Gio's stern gaze and rolls his eyes as he sits up.)

Raivo: Nah, I ain't trying to offend you three. I ain't trying to wind up like that Namdi girl or whatever the hell you said her name was. Look, the way I see it, this is easy money. You hate the Frontline. We hate the Frontline. You hate Thotyssey. We hate Thotyssey. You hate the Hex Girls. We hate the Hex Girls. This is simple. We team up, get rid of these fucking crackers and move on with our agendas.

DT the Ruler: Just like your father wanted to do, Rin. Just like we've been trying to do. We can continue at our current pace and fight them separately and to be honest...we'd probably still win if we do. Or we can team up and eliminate them once and for all.

Havoc: And what happens once they're gone? Are you not worried, Diantha...that I might have my eyes on that title of yours as well?

Diantha Rosso: I know full well that you will. Everyone on this brand wants this title. Everyone that's ever held it, knows that's the case. It comes with the territory of being champion. And once we have taken out our enemies...we can deal with that situation then. But if we continue to allow them to gain numbers and strength, we may never get the opportunity to settle who is the strongest on this brand at all. We team up...if only momentarily...and we rid ourselves of the threat. What do you say?

(Havoc sits there for a moment, still smiling and eyeing Diantha.)

Havoc: Rin?

(Rin looks up at Havoc now.)

Rin Asakura: Yes?

Havoc: What do you think about this proposal?

(Rin looks back at For the Minorities, a skeptical look on her face.)

Rin Asakura: Honestly? I don't think any of them can be trusted.

Raivo: You little-

Ruri Kuzunoha: But didn't you yourself say that the Frontline shouldn't be underestimated, Rin?

Rin Asakura: I did...and I stand by that statement. Even if I do not fully trust them, Havoc...we need the numbers. We have seen what these boys on Kingdom are capable of in the past. Even if it appears that they have no chance at all...if you give them the slightest opening, they will find it and they will capitalize on it. Whether we can trust these people or not...it might be worth the gamble.

(Havoc thinks about Rin's words for a moment before responding.)

Havoc: You all do raise excellent points. As Rin has pointed out...these Frontline nuisances have been a problem for me in the past, as much as I hate to admit it. Granted, I didn't have the power then that I possess now...in this body. But still...it may not be worth leaving it up to chance. But still you have to understand Rin's concerns as well...I do not know if I can trust any of you. I would need some assurances

Diantha Rosso: We are not going to kill one of our own like this one did just to make you happy. You can forget about that right now.

DT the Ruler: But even still...I am a businessman. I know how these negotiations work. You have your concerns and I think that's fair. That is why we came with a sign of good faith.

(Havoc cocks their eyebrow curiously.)

Havoc: And what might that be?

Diantha Rosso: You have abilities that almost nobody else on this brand possesses. Which makes you **almost** unstoppable. But we both know there's one other person that can rival your own powers. The Banshee.

Havoc: You think that The Banshee is more powerful than I am??

Diantha Rosso: I didn't say that...I just said she's your biggest threat. Whether you want to admit that or not is your own prerogative. But...we have brought you the key to destroying her.

(Havoc looks very interested now as they lean forward.)

Havoc: And how is that?

(Diantha nods at Giovante and he pulls out his cellphone, pressing a button and pressing the phone up to his ear.)

Giovante Reese: You can come in now.

(Giovante hangs up the phone and everyone turns to see the door opening.)

<https://tenor.com/view/wilson-fisk-kingpin-wilson-fisk-kingpin-gif-24049578>

(Giovante stands up to greet the man walking into the room before turning back to Havoc.)

Giovante Reese: Havoc, Rin, Ruri...allow me to introduce you to...****William McDonnell.****

Ruri Kuzunoha: McDonnell? As in...

William McDonnell: That's right. Morrighan McDonnell's father.

(Rin turns to stare angrily at Giovante.)

Rin Asakura: You brought the father of that...that THING here to our private meeting??

William McDonnell: Relax my young friend. I have no love left for that creature that was once considered my daughter.

Ruri Kuzunoha: Why? What happened?

William McDonnell: Let's just say that things went...awry during Morrighan's childhood. But I hardly think that we're gathered here to discuss my personal life.

Havoc: Then why are you here?

William McDonnell: Business. During the OWA's recent expedition to Ireland, I was able to meet DT the Ruler here and we struck up a conversation that made me realize that we might all share a mutual goal.

Ruri Kuzunoha: And that is?

William McDonnell: ****Destroying The Banshee.****

Rin Asakura: And how exactly do we do that? Is it even possible?

William McDonnell: Oh, it's possible. It's very possible. You just have to find the right method. I have found that method. It wasn't easy...and it definitely wasn't cheap...

Raivo: Yeah you can say that shit again.

William McDonnell: BUT...after the proper financial compensation from these fine gentlemen here...I have managed to procure you...this.

(William reaches into the inside pocket of his overcoat and pulls out a syringe containing some form of purple serum labeled 'Project Mockingbird'. William places it gently on the table next to Havoc. Havoc looks down at it for a moment and then back up at William.)

Havoc: And what does this do, exactly?

William McDonnell: It gets the job done. But do not waste it. This wasn't easy to come by. You want The Banshee gone? This is your one shot. Don't miss.

(Havoc reaches out and takes the syringe, eyeballing it for a moment before tucking it into their own pocket and nodding at William.)

William McDonnell: Very well then. I look forward to hearing of your success and hope that we can do business again in the future. But, I'm afraid I have other matters to attend to and must be going now. Ladies....gentlemen...

(William nods his head at all parties before turning and walking out of the room. As the door shuts, Havoc looks back up at Diantha, who smiles.)

Diantha Rosso: So what do you say? Do we have a deal? Havoc, Golden Dawn, and For the Minorities...together as one cohesive unit? One big happy family?

(Rin and Ruri both look at Havoc as they mull it over for a moment. Finally, Havoc pulls out the serum again and eyeballs it as a smile breaks out on their face.)

Havoc: Yes...yes I think we can make that work.

Raivo: Well then shit...welcome to the cookout girls!

DT the Ruler: Well...we will leave you to conduct your business tonight...it looks like you suddenly have a lot to attend to.

Havoc: I most certainly do, thanks to you all.

Giovante Reese: Don't mention it.

(For the Minorities all stand up to take their leave, but just as they reach the door, Havoc calls back out to them.)

Havoc: Oh, but I may need one more thing from you...

(They turn around, looking somewhat annoyed now, but also cautious.)

DT the Ruler: And what might that be?

(Havoc takes her eyes off the serum now, turning towards For The Minorities.)

Havoc: I need you to use your Kingdom affiliation to set up a meeting for me...

Raivo: A meeting? Who the fuck you trying to set up a meeting with on Kingdom?

Havoc: ****Edward Softly.****

(The grin on Havoc's face grows upon saying the name and the eyes of everyone else in the room widens a bit.)

Giovante Reese: I think that can be arranged. We'll be in touch with the details.

(Havoc eyes dart back towards the serum in their hand as For the Minorities leave the room. Havoc then begins laughing, slowly at first, but building towards a loud, maniacal, and evil cackle as we fade out.)

Rebecca Sawyer: The following contest is scheduled for ONE FALL!!!

Crowd: ONE FALL!!!

Rebecca Sawyer: And it is for the OWA Sparks Championship!!!

("Massive Attack" by Heat Miser hits the speakers to jeers from the crowd. Dr. Bethany Hastings makes her way out onto the stage, being followed closely by a brooding Leona. Bethany looks confident as she makes her way out onto the stage, pointing at the crowd as she does. Leaving Leona out on the floor, Bethany makes her way up the steps and onto the apron before stepping through the ropes and holding her hands out wide, as if she was embracing the boos from the audience.)

Rebecca Sawyer: Introducing the challenger...from Washington, DC...weighing in at 150 lbs...'The Moral Majority'...DOCTOR BETHANY HASTINGS...PEEEEEEEEE
AAAAAAAAAAAAITCH DEEEEEEEEEEEEEEEEEEEEE!!!!

Gia Cervantes: Well Bethany Hastings earned this opportunity to challenge for the Sparks Championship by winning a fifteen woman battle royal nearly two months ago. Since then, she has bided her time, waiting on the perfect opportunity to challenge Felix...and she thinks that tonight is that night.

Stephanie Matsuda: And it very well could be a wise strategy. Say what you want about Bethany, but she's cunning and smart. We've seen that much of her already. I would assume that she knows exactly what she's doing at all times. And do not forget about the presence of Leona on the outside. My guess is that she could be a big factor in the final result of this match.

("NDA" by Megan Thee Stallion hits to cheers from the crowd. Some of those cheers turn to whistles from the male audience members as Felix Hartley comes out onto the stage, the Sparks Championship wrapped snugly around her waist. She smiles confidently as she makes her way towards the ring, stopping at the foot of the ramp to wink at the camera. She then heads up the steps and enters the ring, removing the title and raising it into the air as she sways her hips in a seductive fashion.)

Rebecca Sawyer: And her opponent...from Las Vegas, Nevada...weighing in at 115 lbs...she is the OWA Sparks Champion...'The Daddy Issues Barbie'...FELIIIIIIIIIIIIIIIIIIIX
HAAAAAAAAAAAAAAAAAAAAARTLEEEEEEEEEEEEEEEEEEEEEYYYYY!!!

Gia Cervantes: And here's the champion, a woman who has endeared herself to fans across the world after what happened at Hardcore Havoc where she outlasted the entire field to become Undisputed Women's World Champion inside of the Promethean Chamber...only to lose it mere moments later due to the underhanded tactics of Diantha Rosso and For The Minorities.

Stephanie Matsuda: Felix has been absolutely brutalized in recent weeks by For The Minorities, Gia, and I don't care what she says...there's no way that hasn't affected her confidence. She

needs to find a way to get past that and focus on tonight however, or she very well could wind up losing the only bit of gold that she and Thotyssey has left.

(DING! DING! DING!)

Gia Cervantes: And here we go as the bell rings for our first contest of the evening! Bethany and Felix lock up in the center of the ring for a test of strength and Felix SHOVES Bethany backwards! Bethany looks a little surprised at the power of Felix there!

Stephanie Matsuda: Can speak from experience, you get an extra boost of energy when you visit Jeff's locker room-

Gia Cervantes: And THAT'S enough of that! Bethany shrugs it off and the two lock up once more. This time Felix pushes Hastings back into the ropes...but Bethany ducks under the arms of Hartley, getting out from the ropes! Felix turns around and...BETHANY DISRESPECTFULLY SLAPS THE TASTE RIGHT OUT OF FELIX'S MOUTH!

Stephanie Matsuda: That might have been a mistake! Felix looks irate now and she lunges towards Bethany...but Bethany flees! She exits the ring and Felix is in hot pursuit! Bethany sprinting around the ring now with Felix giving chase! Hastings slides back in the ring and Felix goes to follow her...and Bethany drops the elbow right across the back of Felix as she gets in!

Gia Cervantes: No she doesn't! Felix sees it coming and slides back out of the ring just in time as that elbow drop connects with nothing but canvas! And now Felix DOES get back in the ring as a frustrated Bethany throws a clothesline her way! But it's ducked by Felix! Bethany turns around...and a shoulder block from Felix takes Hastings right off her feet!

Stephanie Matsuda: And now Felix reaches down, dragging Bethany back up to her feet and lifting her up in the air...and Felix just holds her there for a moment...BEFORE DROPPING HER HEAD FIRST WITH THE STALLING PILEDIVER!!!

Gia Cervantes: And with Bethany down, Felix rolls to the apron, getting back up to feet...AND FELIX FLINGS HERSELF BACK INTO THE RING WITH A SLINGSHOT SENTON RIGHT ACROSS THE CHEST OF BETHANY HASTINGS!

Stephanie Matsuda: Felix is in complete control right now as Bethany crawls her way to the corner! As Bethany picks herself back up, Felix takes this opportunity to give us ALL a treat as she shakes her body seductively! THIS is what we came to see!

Gia Cervantes: And Bethany doesn't like that as she moves in with a right hand...but it's blocked by Felix! And now Felix lands a BIG right hand of her own! Bethany stumbles backwards into the corner but Felix doesn't relent! She moves in, connecting with another right for good measure before taking a few steps back...and charging straight in at Bethany with a corner clothesline!

Stephanie Matsuda: NO! Bethany gets the boot up and Felix runs RIGHT into it! Felix stumbles back a bit, but shakes it off, charging right at Hastings again...

Gia Cervantes: ****BUT BETHANY CATCHES HER WITH A TILT-A-WHIRL GUTBUSTER!!!!****

Stephanie Matsuda: Bethany COMPLETELY turning the tide right there with the tilt-a-whirl gutbuster and she IMMEDIATELY follows up by cinching the side headlock on the downed Hartley! But Felix is resilient as she fights her way back up to her feet, although Bethany still keeps the hold applied.

Gia Cervantes: AND NOW HASTINGS JUST BEGINS DRIVING REPEATED KNEE STRIKES RIGHT INTO THE FOREHEAD OF FELIX!

Stephanie Matsuda: Felix staggers down to a knee now as Bethany finally lets her go...BUT NOW HASTINGS QUICKLY GRABS HER BY THE ARM! MANJI GATAME!!! SHE'S GOT THE MANJI GATAME CINCHED ON ON FELIX HARTLEY!!!

Gia Cervantes: Felix screams out in pain now as she tries desperately to find a way out of this! Bethany is not going to give up a SINGLE inch though as she continues to apply the pressure...but Felix...Felix manages to break her arm free and spin out of the hold...

Stephanie Matsuda: ONLY FOR BETHANY TO HOOK HER BY BOTH ARMS FROM BEHIND AND PULL HER RIGHT BACK IN FOR A TIGER SUPLEX!!!

Gia Cervantes: Bethany is feeling confident now as you can see the smile on her face as she makes her way back up to her feet. Felix drags herself up to her knees as well, trying to shake the cobwebs off, but Bethany LAYS into her with a series of right hands! Felix however continues to make her way up and Bethany doesn't relent! She keeps up with those vicious right hands...

Stephanie Matsuda: UNTIL FELIX DUCKS ONE AND GRABS HASTINGS PULLING HER DOWN AND INTO THE DOUBLE KNEE FACEBREAKER!!!

Gia Cervantes: Bethany is quick to get back up to her feet, but in comes Felix again...SLINGBLADE FROM FELIX HARTLEY!!!

Stephanie Matsuda: Again Bethany gets up quickly and Felix takes her by the wrist and whips her HARD into the corner! Bethany bounces off the turnbuckles and comes stumbling back towards Hartley...WHO GRABS BETHANY AND BRINGS HER SKULL CRASHING INTO THE CANVAS WITH THE SNAPMARE DRIVER!!!

Gia Cervantes: And Felix back in control again as she drags Bethany back up, nailing her with a right hand as she backs her up into the corner. And Felix takes her by the wrist, looking to

whip her ALL the way across the ring and into the opposite corner...but Bethany reverses! Felix hits the corner instead but she looks to explode out of it right back at Hastings...

Stephanie Matsuda: BUT LEONA GRABS HER BY THE LEG FROM THE OUTSIDE, TRIPPING HER UP AND CAUSING HER TO FACEPLANT ON THE CANVAS!

Gia Cervantes: And now Bethany begins to attack like a damn hyena! She starts STOMPING away RUTHLESSLY on Felix Hartley to the point where referee Amanda Aspen pulls her away, holding Hastings back.

Stephanie Matsuda: Felix Hartley tries to get back up to her feet...BUT WITH THE OFFICIAL'S BACK TURNED, LEONA STEPS INTO THE RING AND DELIVERS A VICIOUS BOOT RIGHT TO THE SPINE OF HARTLEY!!!!

Gia Cervantes: OH COME ON! THAT'S NOT FAIR!

Stephanie Matsuda: And as Leona flees the ring, Bethany wastes no time grabbing the leg of Felix and flipping her over...RIGHT INTO THE SINGLE LEG BOSTON CRAB!!!

Gia Cervantes: Felix SCREAMS out in pain as Bethany wrenches back on the leg of Hartley! Amanda Aspen asks Felix if she wants to quit, but she shakes her head 'no'! Felix now uses all her strength to flip herself back over onto her back and grab Bethany by the wrist...AND BETHANY PULLS HER RIGHT INTO THE BODY SCISSORS!

Stephanie Matsuda: AND WITH THE BODY SCISSORS APPLIED, FELIX STARTS DRIVING ELBOW STRIKES RIGHT INTO THE BACK OF HASTINGS' NECK!!!

Gia Cervantes: The official ORDERS Felix to stop and FINALLY she relents! Both women now slowly make their way back up their feet, staring daggers into one another! And Bethany strikes first with a big right hand! Felix responds with one of her own! And now Bethany with an elbow strike! Felix with another right hand! Bethany with a forearm! And she doesn't stop there! Bethany with three more forearm shots in rapid succession...and now Felix fights back with three right hands for Hastings!

Stephanie Matsuda: Now Bethany goes for a big knife edge chop...but Felix ducks it! AND BETHANY SWINGS BACK AROUND WITH A HUGE CLOTHESLINE RIGHT TO THE BACK OF THE NECK OF FELIX HARTLEY!

Gia Cervantes: Felix is down and Bethany grabs her by the arm...****CONSENSUAL NON-CONSENT!!!! THE DISRESPECT FROM HASTINGS!!!! SHE APPLIES FELIX'S OWN SUBMISSION MOVE ON HER!!!! FELIX HARTLEY IS IN TROUBLE!!!!****

Stephanie Matsuda: BUT FELIX ROLLS BACK OVER ACROSS BETHANY AND UP TO HER FEET, DELIVERING A STOMP RIGHT TO THE FACE OF BETHANY!

Gia Cervantes: Bethany slowly gets up to her feet...BUT THERE'S A SLINGBLADE FROM FELIX!!!

Stephanie Matsuda: Bethany is quick to get up again...BUT ANOTHER SLINGBLADE FINDS THE MARK!!!

Gia Cervantes: Bethany is back up once more, but Felix is already off the ropes again! This time Bethany looks for a clothesline...ducked by Hartley! Felix keeps running and bounces off the opposite ropes right back at Hastings...BUT BETHANY HEAVES HER UP INTO THE BACK BODY DROP!

Stephanie Matsuda: NO! FELIX HARTLEY COUNTERS INTO THE STALLING IMPLANT DDT!!!!

Gia Cervantes: Felix Hartley is FEELING it now! She heads to the corner and climbs up to the top rope! Bethany slowly begins to make her way back to her feet...AND FELIX DIVES OFF THE TOP! METEORA ONTO BETHANY!!!! SHE GETS ALL OF IT!!!!

Stephanie Matsuda: AND FELIX IS READY TO PUT THIS ONE AWAY! THE CROWD CHEERS HER ON AS FELIX HEADS TO THE CORNER AND CLIMBS UP TO THE TOP ROPE!!!! FELIX HARTLEY...****LOOKING FOR THE TRIGGER WARNING!!!!****

Gia Cervantes: BUT BETHANY ROLLS OUT ONTO THE APRON!!!

Stephanie Matsuda: Felix hops down from the top rope, looking annoyed now! She reaches over the rope, grabbing Bethany by the hair and dragging her up to her feet...BUT BETHANY GRABS HER BY THE HEAD AND LEAPS OFF THE APRON CAUSING FELIX TO BE DRAPED THROAT FIRST ACROSS THE TOP ROPE!

Gia Cervantes: FELIX FALLS DOWN TO HER KNEES AND NOW BETHANY SEES HER OPENING! SHE LEAPS UP ONTO THE ROPES, SPRINGBOARDING BACK INTO THE RING! ****ARCHETYPE: SHADOW!!!!!!****

Stephanie Matsuda: NO! FELIX CATCHES HER OUT OF MID-AIR!!!!

Gia Cervantes: BUT BETHANY SLIPS OUT OF HER GRASP, HOOKING BOTH ARMS!!!! ****ARCHETYPE: SELF!!!!!!****

Stephanie Matsuda: SHE HITS IT!!! SHE HITS IT!!!! BETHANY PLANTS FELIX WITH THE PEDIGREE AND THIS ONE IS OVER!!!! BETHANY HOOKS BOTH LEGS!!!! WE'VE GOT A NEW CHAMPION!!!!

Amanda Aspen: OOOONNNNNNEEEEEEEEEEE!!!...

TTTTWWWOOOOOOOOOOO!!!...

****TTTTHHHRRRRREEEEEEEEEEEE!!!****

Gia Cervantes: NO! I DON'T BELIEVE IT! FELIX HARTLEY KICKED OUT!!! SHE KICKED OUT!!!! WE'RE STILL GOING!!!!

Stephanie Matsuda: I CAN'T BELIEVE IT! FELIX HARTLEY SHOWING INCREDIBLE RESILIENCE ONCE AGAIN AS SHE SOMEHOW MANAGES TO GET THE SHOULDER UP JUST IN TIME!

Gia Cervantes: But she's not out of the woods just yet! Bethany Hastings STAYS on the offensive cause she KNOWS she's close to putting the one away! She grabs Felix by the arms, dragging her back up to her feet and hooking them one more time...

Stephanie Matsuda: ****ARCHETYPE: SELF FOR THE SECOND TIME!!!!!!****

Gia Cervantes: NO! FELIX FLIPS HER UP AND OVER WITH A BACK BODY DROP!!!! BETHANY TRIES TO SCRAMBLE BACK TO HER FEET, BUT FELIX WRAPS HER ARMS AROUND HER WAIST...

Stephanie Matsuda: ****DADDY ISSUES!!!!!! FELIX HARTLEY PLANTS BETHANY HASTINGS WITH THE DADDY ISSUES CANADIAN DESTROYER!!!! AND FELIX HARTLEY HOOKS THE LEGS TO RETAIN HER CHAMPIONSHIP!!!!****

Gia Cervantes: BUT THERE'S NO COUNT! AMANDA ASPEN ISN'T COUNTING BECAUSE SHE'S DISTRACTED BY LEONA! LEONA IS UP ON THE APRON AND THE OFFICIAL IS TRYING TO GET HER OFF! TURN AROUND AMANDA! TURN AROUND!!! FELIX SITS UP, LOOKING IRATE!!!

Stephanie Matsuda: ****BLOOD LIONESS CLAW!!!!!! WHAT THE HELL?!?!?!?! DIANTHA ROSSO JUST BLASTED FELIX WITH THE BLOODY LIONESS CLAW!!!! WHERE THE HELL DID SHE COME FROM?!?!?!?!****

Gia Cervantes: THE REFEREE NEVER SAW ANYTHING!!!! FELIX HARTLEY IS LAID OUT AS THE UNDISPUTED CHAMPION EXITS THE RING!!!!

Stephanie Matsuda: AND NOW BETHANY IS BEGINNING TO STIR!!!! SHE LOOKS OVER AND GRABS FELIX HARTLEY BY THE ARMS, PULLING HER BACK UP AS LEONA HOPS OFF THE APRON!!!

Gia Cervantes: NO!!! NO!!! NOT LIKE THIS!!!! BETHANY HASTINGS GETS HER IN POSITION...****FOR THE ARCHETYPE: SELF!!!! THIS TIME SHE HITS IT!!!! FELIX HARTLEY PLANTED WITH THE PEDIGREE AGAIN AND HASTINGS WITH THE COVER!!!! NOT LIKE THIS!!!!****

Amanda Aspen: OOOONNNNNNEEEEEEEEEEE!!!...

(DING! DING! DING!)

Rebecca Sawyer: Here is your winner...AND NEEEEEEEEEEWWWWWWW OWA Undisputed Women's World Champion...DOCTOR BETHANY HASTINGS PEEEEEEEEEE AIIIIIIIIITCH DEEEEEEEEEEEEEEEEEEEEEEE!!!!

Stephanie Matsuda: I DON'T BELIEVE IT! THE LONGEST SPARKS TITLE REIGN IN HISTORY HAS COME TO AN END AT THE HANDS OF BETHANY HASTINGS! AND IT WAS ALL THANKS TO DIANTHA ROSSO!!!

Gia Cervantes: This is too much! It's not enough that Rosso SCREWED Felix out of the Undisputed Title at Hardcore Havoc, but now she's cost her the Sparks Championship as well!

Stephanie Matsuda: AND THAT'S NOT ALL SHE'S GOING TO COST HER! LOOK! DIANTHA IS BACK IN THE RING NOW AND SHE'S BEING JOINED BY ALL OF FOR THE MINORITIES! DT, RAIVO, MAGGALL, DIANTHA...THEY'RE ALL STOMPING AWAY AT FELIX HARTLEY AS BETHANY TAKES HER TITLE AND FLEES WITH LEONA!!!

Gia Cervantes: Bethany got what she was after and now she's OUT of here! Showing NO sympathy for Felix Hartley as she's being JUMPED by For The Minorities right now!!!

Stephanie Matsuda: And Diantha Rosso is directing traffic as DT heaves Felix back up...****AND PLANTS HER WITH THE CORONATION!!!!****

Gia Cervantes: BUT THEY'RE STILL NOT DONE! DT DRAGS FELIX'S LIFELESS BODY UP AND HOLDING HER INTO PLACE...****AND RAIVO DRILLS HER WITH THE CLOSE QUARTER KNEE STRIKE!!!! COME ON!!! THIS IS SICK!!!! PUT AN END TO THIS!!!!****

Stephanie Matsuda: Diantha is showing NO signs of bringing an end to this, however, Gia! She RIPS Felix up and heaves her out of the ring, barking orders at For The Minorities! DT and Raivo now exit as well, picking Felix back up and...oh no...oh no...we might wanna move Gia!!!

Gia Cervantes: The World Tag Team champions have just picked up Hartley and laid her out RIGHT on top of our commentary desk! And now Diantha is barking at Maggall...oh no....oh dear God no...

Stephanie Matsuda: MAGGALL IS CLIMBING UP TO THE TOP ROPE!!!! DIANTHA IS CALLING THE SHOTS AS THE THREE HUNDRED PLUS POUND MAMMOTH OF A MAN KNOWN AS MAGGALL IS PERCHED ON THE TOP TURNBUCKLE!!! FELIX HARTLEY IS BEING HELD IN POSITION ON OUR COMMENTARY BOOTH BY DT AND RAIVO!!!

Diantha Rosso (no mic): NOW!!!

Gia Cervantes: ****BIG BANG IMPACT FROM OFF THE TOP ROPE BY MAGGALL ALL THE WAY TO THE OUTSIDE!!!!!!****

Stephanie Matsuda: THE TABLE JUST EXPLODED!!!! OUR DESK IS NOW NON-EXISTENT AND I CAN'T EVEN SEE FELIX HARTLEY ANYMORE UNDERNEATH THE MASS OF MAGGALL!!!!!! HOLY SHIT!!!!!!

(Maggall rolls off of Felix Hartley now, and the camera zooms in on her. We see her convulsing on the ground, coughing as blood begins to spew from her mouth.)

Gia Cervantes: CAN WE GET EMT'S OUT HERE?!?! FELIX HARTLEY NEEDS SOME DAMN HELP!!! THIS WAS SICK!!! ABSOLUTELY SICK!!! SOMEBODY GET OUT HERE!!!!

(As if on cue, the crowd cheers as Rebecca Filth, Chris Sabertooth, Jeff X, and Angelina Magnum sprint down the ramp.)

Stephanie Matsuda: AND THE CAVALRY HAS ARRIVED! REINFORCEMENTS FROM THE THOTLINE ARE SPRINTING DOWN THE RAMP AND FOR THE MINORITIES WANTS NO PART OF IT! CHRIS AND JEFF TRY AND GRAB WHOMEVER THEY CAN, BUT THEY NARROWLY MISS AS FOR THE MINORITIES HOPS THE BARRICADE AND FLEE THROUGH THE CROWD!!!

Gia Cervantes: Rebecca Filth and Angelina Magnum wasting no time, coming to check on their partner, but it might be just a little too late!

Angelina Magnum (no mic): GET SOMEONE OUT HERE!!!! NOW!!!!!!

Stephanie Matsuda: Angelina Magnum SCREAMING for help as Felix continues to cough up blood. Rebecca Filth stands up now, her face ghost white pale as she stares pure DAGGERS

at For The Minorities in the crowd! And LOOK at them! Look at how smug they look, Gia! They're HAPPY about this?!

Gia Cervantes: I don't know if I've ever seen this look on Filth's face before, Cloud. That is pure hatred. She has had ENOUGH of this group.

Stephanie Matsuda: And now Jeff and Chris are joining their Thotline comrades and both of them look very concerned for Felix's wellbeing!

Jeff X (no mic): FELIX...FELIX, STAY WITH US, DAMNIT!

Angelina Magnum (no mic): WE NEED SOME FUCKING HELP!!!

Gia Cervantes: Angelina continuing to ask for medical help, where the HELL are they?! Jeff and Chris taking action into their own hands now as Jeff bends down to try and tend to Felix and...hey what's she doing?! Rebecca Filth looks over at Jeff bent over to help Felix and she...she's SMILING?! This is NO time to check out a guy's ass, Filth!

Stephanie Matsuda: THAT'S NOT WHAT SHE'S SMILING AT! FILTH JUST SNATCHED THE PISTOL RIGHT OUT OF THE WAISTBAND OF JEFF'S JEANS! SHE SPINS AROUND POINTING THE GUN AT FOR THE MINORITIES IN THE CROWD!

Rebecca Filth (no mic): FUCK YOU!!!

****BANG! BANG! BANG!****

Stephanie Matsuda: HOLY SHIT!!!! DUCK!!!! REBECCA FILTH JUST FIRED OFF SEVERAL ROUNDS AS EVERYONE IN THE CROWD SCREAMS AND DUCKS!!!!

Gia Cervantes: THE BULLETS THANKFULLY MISS AS THEY RICOCHET OFF THE ARENA LIGHTS, BUT FOR THE MINORITIES IS DONE WAITING AROUND TO GLOAT! THEY'RE OUT OF HERE! THANK GOD SHE'S BRITISH AND CAN'T SHOOT VERY WELL!!

Jeff X (no mic): HEY! FUCKING HELL, GIVE ME THAT!!!

Stephanie Matsuda: THANKFULLY, Jeff snatches his gun back from Rebecca Filth before anyone gets KILLED!

Jeff X (no mic): You trying to kill the crowd?!

(Rebecca Filth shrugs as Jeff sticks his gun back into his waistband and FINALLY medics rush the scene to tend to Felix.)

Gia Cervantes: Folks, what a wild way to start Odyssey this evening as it is very clear that Rebecca Filth is DONE playing with For The Minorities, but at least we FINALLY are getting some medical attention to Felix Hartley.

Stephanie Matsuda: Filth is out of fucks to give, Gia. If she was a better shot, For The Minorities would be getting loaded into body bags right now. But as it turns out, the only one seriously injured right now is Felix Hartley.

Gia Cervantes: I'm worried about her, Cloud. This doesn't look good. Chris, Jeff, Angie, and Filth all look incredibly concerned as they load Hartley up onto a stretcher. Folks, we're going to have to take a quick break to sort this mess out, but we'll be sure to update you on Felix's condition when we come back.

(COMMERCIAL BREAK)

(As we return from commercial, we find Felix Hartley, still unconscious, being loaded into the back of an ambulance on a stretcher. Several members of the Thotline have gathered around in concern as the doors to the ambulance shut.)

Angelina Magnum: You BETTER take care of our girl!

(Angelina points towards one of the EMTs, but they just nod in response before hopping into the cab of the vehicle. As the lights come on and sirens blare, the ambulance pulls out, leaving Jeff, Filth, Chris, and Angelina all standing there looking on. Once the ambulance is out of sight, Jeff shakes his head angrily and turns to Chris.)

Jeff X: That's it. I'm done with this shit. We're ending these motherfuckers tonight.

(Chris nods in agreement and the two go to storm off, but Filth places her hand on his chest, stopping him. Jeff looks up at her confused now.)

Jeff X: What?

Rebecca Filth: Look...I get it...you're supposed to be the big fucking hero all the time, right? I've seen Kingdom, I know how you operate. And it's commendable. It really is. And I'm glad you're on our side...both of you. But this...this isn't Kingdom. This is Odyssey. This is MY show. This is MY brand. NOT yours! And that...that is MY sister that got carted off in a fucking ambulance, you get what I'm saying?

Jeff X: I-

Rebecca Filth: I'm saying that I am going to fucking handle this, you got that? Me. Not you. ME. I run this fucking place, whether anybody likes it or not and I am going to be the one to make that bitch and her little BBC bregade pay for this? You got it?

Jeff X: I-

Rebecca Filth: GOOD.

(Filth turns around and starts to walk off, angrily.)

Jef X: What are you going to do?

(Filth stops momentarily, looking over her shoulder back at Murder Inc and Angelina.)

Rebecca Filth: What I do best.

(With a wink, Filth then turns back around and disappears off camera, leaving Jeff somewhat speechless, but Chris actually manages to smile as they watch her leave.)

Chris Sabertooth: Damn. She really put you in your place, huh?

Jeff X: ...yeah I guess so.

Angelina Magnum; She does that with everyone, don't feel bad.

Jeff X: Is it weird I'm kind of turned on right now?

Chris Sabertooth: You got some deep issues you need to work out, you know that?

(Jeff just shrugs and Angelina rolls her eyes at them.)

Angelina Magnum: ANYWAYS, somebody should be at the hospital for Felix, so I'm going to head that way now.

Jeff X: Hold up, nah. Nobody goes anywhere alone from here on out.

Angelina Magnum: I think I can handle myself.

Chris Sabertooth: Jeff's right. We're at war now.

Angelina Magnum: I am fully capable-

Jeff X: This isn't a discussion. This is war now. I get you're a badass, but we've been here before. Sticking together is how we win. Trust us.

(Angelina looks skeptical as she looks at Chris.)

Chris Sabertooth: Like it or not, it's true. Jeff, go with Angie to the hospital, check on Felix.

Jeff X: But I-

Chris Sabertooth: Look, I have bigger things to deal with than For The Minorities. We still have Havoc issues to deal with. And I don't think you're getting Filth to accompany Angelina to the hospital. That leaves you. Go. Make sure Felix is alright.

Jeff X: Yeah, you're right. But go meet up with the Hex Girls right now, yeah? No going rogue, you got me?

Chris Sabertooth: You know me.

Jeff X: That's the problem.

Angelina Magnum: You two either make out or let's go already.

(Jeff and Chris both laugh before clasping hands and pulling one another into a bro hug.)

Jeff X: Stay safe, and for the love of God, find out what Filth's up to.

Chris Sabertooth: I'll do my best. Tell Felix to get back on her feet soon and you guys stay safe too.

(With that, Jeff and Angelina head towards Magnum's car in the parking lot as we fade elsewhere backstage, next to a dressing room. Gwen Harper's dressing room, to be precise. After a beat, Josie Grey and her lovable death dog Rasputin walk up to it. She holds a gallon plastic bag of meat, sitting in its own blood. She looks at the door and takes a deep breath.)

Josie Grey: You got this. Just apologize and give her the meat HA! Merde...stop it...

(Josie shakes her head and pats at her eyepatch, as Rasputin nips at the bag. She yanks it away and glares at him.)

Josie Grey: Rasputin Stanley Bishop Grey, méchant chien! NOT your meat! No! You have been SUCH an asshole about this meat, I swear to god...you pull that shit again, you'll be hunting for BOTH of us for the next two months...

(Rasputin growls softly and sits beside her, grunting as she knocks on the door.)

Josie Grey: Gwen Harper? You in there, slugger? I got a gift for you...

(Josie slowly opens the door and steps inside. The dressing room is empty, save for a table with a half drunk whiskey bottle on it, a rope dangling from the ceiling, and a duffel bag of gear on the chair nearby. Josie walks in further towards the whiskey bottle.)

Josie Grey: Gwen Harper? Hun? I only have the one eye, if you're on my left say something...

(Josie stops at the table and looks down. She smiles at the whiskey bottle.)

Josie Grey: Well since YOU'RE here, we might as we-

(Josie looks down at her feet...where she is standing in a rope trap...)

Josie Grey: ...clever gir-MERDE!

(The rope suddenly tightens around her ankle and hoists her up into the air, flipping her upside down. The bag of meat drops to the floor...and Rasputin immediately dives for it, ripping it to shreds and bringing the slab to a nearby corner...)

Josie Grey: Ohhh hoho...youuu are going to be in soooome trouble when I get down, buster...

(The closet door suddenly swings open, and out walks Gwen Harper, glaring at Josie through dark, angry eyes. Josie smiles and waves.)

Josie Grey: ...bonjour...i suppose i kinda deserve this, oui?

Gwen Harper: ...oui...

Josie Grey: And I imagine you're going to beat the ever-loving hell out of me while I'm hanging up here, oui?

Gwen Harper: ...oui...

Josie Grey: Ah. You're probably going to enjoy it, oui?

Gwen Harper: ...oui...

Josie Grey: Weeeeeeee...

(Josie and Gwen stare at each other for a moment...)

Josie Grey: ...NOW, RASPUTIN!...NOW!

(Rasputin continues to gnaw on the large side of meat...)

Josie Grey: ...I'm SORRY I called you Buster earlier! NOW! NOW, Rasputin!

(Still, more gnawing...)

Josie Grey: ...oh yeah, Gwen Harper, I got you some meat...

(Gwen simply stares at Josie...who snuffles and coughs a bit...)

Josie Grey: Sorry...blood's rushing to my head quickly, cos I'm petite as fuck...So...I mean...I get it, right? This is all...very fun and kinky and hooboy what a party, oui? But I'm sorry, Gwen Harper, I don't swing that way...I don't swing ANY way...I mean, right now I'm swinging side-to-side, but...That's not really the same thi-

Gwen Harper: Ohmygod SHUT UP!

Josie Grey: No. Make me.

(Gwen punches Josie straight in the jaw, swinging Josie back and forth...)

Josie Grey: Fuuuuuuuuuck...nope, that's not gonna do it. Try again.

(Another hard punch straight to Josie's nose, knocking her head back again...)

Josie Grey: JESUS...MARY and Joseph...no...nope, that's not gonna do it, either. You got this, Gwen Harper, c'mon...effort at maximum, try agai-

(Another punch to the face, and another, and another and another, each one violently whipping Josie's head back. Blood seeps from her mouth and nose as she swings quietly...)

(Gwen sighs and cracks her neck, staring at Josie's swinging bo-)

Josie Grey: We're both upside down...

(Gwen ROARS, grabbing Josie by the ears before repeatedly smashing her skull into Josie's orbitals.)

Gwen Harper: Just...FUCKING COME OUT, ALREADY!

Josie Grey: I...*sputter*...Did...I'm...Asexual...

Gwen Harper: AAAAAAAGH!!! ULVENS DATTER!! COME OUT!!

(Josie suddenly swings her arms up and pushes Gwen away, before swinging her body up and quickly cutting herself down from the rope, effortlessly landing on her feet. Gwen stares at her as Josie snorts out a HUGE chunk of blood from her nose.)

Josie Grey: Thhhhhhere's the thunder...

Gwen Harper: You...you could have done that the whole time?!

Josie Grey: Of course I could have.

Gwen Harper: So you just LET ME beat the shit out of you?!

Josie Grey: Well, yeah...

Gwen Harper: ...Why?

Josie Grey: I dunno...wanted to see where you were gonna go with it, I guess...

(Gwen sighs as Josie dabs at her face, wiping the blood on her jeans.)

Josie Grey: ...plus it's your kink, and who am I to kink shame people, Gwen Harper... you know? That's not my place. What kind of forever best friend would I be if I kink shamed...deplorable forever best friend...

(Gwen hangs her head and slowly shakes it...Josie points over to Rasputin, who looks up at her, ears down...)

Josie Grey: And YOU...we will talk later, Rasputin Stanley...

(She turns to Gwen, who slowly stands...)

Josie Grey: So what's this about Ulvensdatter?

Gwen Harper: I want her to come out...

(Josie scoffs and chuckles.)

Josie Grey: That's a terrible idea, Gwen Harper. Why would you want to do th-

Gwen Harper: So I can kill her.

(Josie stops and purses her lips, staring quizzically at Gwen for a few moments...)

Josie Grey: ...um...k...about that...

Gwen Harper: It's the ultimate hunt...It's the ultimate kill. A GOD, a WOLF GOD...I can fight it and kill it, and I can be the one wh-

Josie Grey: WHO kills ME, too...Gwen Harper...you kill me, too...

(Gwen stops...)

Josie Grey: Yeah...kinda...the one drawback of her literally living in my head and taking control of me, you know?

Gwen Harper: ...sacrifices...

(Josie cocks her head and stares at Gwen for a second.)

Josie Grey: Are you just being a dick? Or are you deadass?

Gwen Harper: Deadass? What's that mean?

Josie Grey: "You serious?"

Gwen Harper: Yes, I'm serious, what does it mean?

(Now, Josie hangs her head...she slowly shakes it and looks back up at Gwen.)

Josie Grey: First off, are we cool?

(Gwen shrugs.)

Josie Grey: I'll take that as we're cool. Second, no. You're not getting to Ulvensdatter. That's not how you get her to come out, either.

Gwen Harper: So how do you do it?

(Josie starts to laugh, doubling over slightly.)

Josie Grey: Seriously? Why? So you can kill us? You think I'm going to fall for that?! C'mon...I'm way too savvy than that! You are a silly goose! A silly, silly, silly, shit fucking goose. Ohhhh, Gwen Harper, You are a funny lady.

(Josie's laughter slowly fades as she shakes her head, grabbing the bottle of whiskey and taking a swig. She sighs at the taste and hands the bottle to Gwen, still smiling.)

Josie Grey: No. You're not hunting Ulvensdatter. For everyone's sake. You're not going to let her out.

Gwen Harper: Really?

Josie Grey: Mmhmm.

Gwen Harper: And you're going to stop me?

Josie Grey: Mmhmm. Most definitely.

Gwen Harper: Well, then...I guess we have a little game, don't we?

Josie Grey: No, Gwen Harper, *You* have a game. I will be taking it seriously and succeeding.

Gwen Harper: ...fair enough, I guess...

(Gwen takes a swig from the bottle of whiskey as Josie turns to Rasputin...)

Josie Grey: And YOU, you little meat thieving silly goo-

CLUNK!

(Josie falls to the floor, knocked out cold. Gwen stands over her, holding the whiskey bottle in her hand by the neck before taking another swig from it.)

Gwen Harper: I'd like to say I'm sorry...but I'm really enjoying the silence...

(She puts the bottle back down on the table and flips Josie onto her back. Gwen stares at the eye patch...)

(She slowly reaches for it...she grabs the bottom of it...)

(Rasputin snaps his jaws down on her arm, causing Gwen to shriek in pain and rip away from him. Rasputin stands guard over Josie, snarling and furrowing his back as the blood from the meat drips from his stained teeth. Gwen slowly backs out of the room, as Rasputin turns to look at Josie...he licks her face...

...and runs back to the meat.)

Rebecca Sawyer: The following triple threat match is scheduled for ONE FALL!!!

Crowd: ONE FALL!!!

("Enlighten Me" by Legacey hits the speakers to a chorus of cheers and Devi Krysis walks out onto the stage as a red spotlight appears on her. She makes a cutthroat gesture as she takes off the hood of her hoodie and howls. She then starts walking down the ramp, giving high fives to fans along the way. She then walks up to the steel steps, goes up the turnbuckle, and throws up the Wolfpack hand sign before getting down into the ring, where she takes off her hoodie and gets ready to fight.)

Rebecca Sawyer: Introducing first...from Raleigh, North Carolina...weighing in at 135 lbs...DISCUUUUUUUUUUUUS DEVI!!!!!!!!!!!!!!!!!!!!!!!!!!!!
KRYYYYYYYYYYYYSSIIIIIIIIIISSSSSSSS!!!

Gia Cervantes: Well it's time for our next contest of the night as Devi Krysis looks to build on her big victory over the debuting Eleni Angelos two weeks ago. And tonight, Devi has not just one, but TWO opponents to take on if she wants to keep this winning streak going.

Stephanie Matsuda: But I'm worried about Devi, Gia. After what happened to NAMI two weeks ago, and the friends who have betrayed her in the past...Devi seems as if she may have given up on trusting anyone ever again. You hate to see that for someone as beloved and friendly as Devi has been, but on the other hand...if it leads to her finding success like she did two weeks ago, then who can blame her?

("Vengo Por Ti" by Def Rebel hits and Aalyah Landerson walks out onto the stage where she drops down on one knee and prays for a moment. She then gets up and points to the fans as pyro bursts on either side of her. She slowly walks down the ramp, slapping hands and high fiving the kids in the crowd before handing her fake Luchador mask to one of them. Then, she heads straight towards the ring and hops on the turnbuckle, posing with two fingers in the air, before hopping down and doing the same thing in the opposite corner.)

Rebecca Sawyer: And her opponent...from San Jose, California...weighing in at 114 lbs...she is 'The Princess of the Six-One-Nine'...AALYAAAAAAAAAAAAAAAAAAAH
LAAAAAAAAAANDERSOOOOOOOOOOOONNNNN!!!

Gia Cervantes: One of the most energetic young stars on the roster, Aalyah has still been trying to find her way as of late, coming up just short again two weeks ago against Tomomi Shinozaki.

Stephanie Matsuda: But it hasn't broken her spirit. Aalyah still has championship aspirations here on Saturday as you can tell from how fearless she is to challenge ANYONE! But if she wants to get into the title picture, she's going to have to start picking up some wins. Maybe that starts here tonight.

Stephanie Matsuda: Only able to get a one count there as Devi kicks out! All three women scramble to their feet now and Eleni and Aalyah exchange a glance...AND BOTH WOMEN WITH A KICK TO THE KNEE OF DEVI, TAKING BOTH HER LEGS OUT FROM UNDERNEATH HER!

Gia Cervantes: But the alliance ends there as Aalyah grabs Eleni in a side headlock! Angelos tries to escape, but Aalyah flips her over with a headlock takedown, keeping the hold cinched in! Devi however moves in from behind...ROLLUP ON AALYAH!

Elle Halen: OOOONNNNNNEEEEEEEEE!!!...

Stephanie Matsuda: But this time it's Landerson who's out at one! Once again, all three women make their way back up...AND AALYAH AND ELENI SIMULTANEOUSLY HIT RUNNING SINGLE LEG DROPKICKS ONTO DEVI KRYISIS!

Gia Cervantes: It's smart for the newcomers to gang up on the veteran Devi Krysis here, but now that's over as Aalyah goes for a backslide pin attempt on Eleni!!! She might steal it!!!

Stephanie Matsuda: But now Devi rolls BOTH of them over! She's got both women's shoulders on the mat!

Elle Halen: OOOONNNNNNEEEEEEEEE!!!...

TTTTTWWWWOOOOOOOOO!!!!...

Gia Cervantes: They both kick out however and scramble back up to their feet, angrily charging Discus Devi...BUT DEVI DROPS BOTH WOMEN WITH A DOUBLE CLOTHESLINE!!!

Stephanie Matsuda: Eleni and Aalyah drag themselves to opposite corner, picking themselves back up to their feet. Devi picks her first victim...and it's Eleni! Devi charges, NAILING her with a corner clothesline before spinning around and sprinting the other direction...AND AALYAH GETS A CORNER CLOTHESLINE OF HER OWN!

Gia Cervantes: Devi grabs Aalya by the head now, spinning around and going for a bulldog...but Landerson SHOVES her off of her as Krysis stumbles to the mat! Devi goes to sit back up...BUT ELENI COMES IN CONNECTING WITH A BIG DROPKICK RIGHT TO THE BACK OF DEVI'S HEAD!! COVER!!

Elle Halen: OOOONNNNNNEEEEEEEEE!!!...

TTTTTWWWWOOOOOOOOO!!!!...

Stephanie Matsuda: But Devi kicks out at two! Eleni turns over to Landerson now, dragging her back up to her feet...but Aalyah pulls her in, right into a jawbreaker! Eleni stumbles backwards and Landerson plants her with a forearm shot! But Eleni comes right back, responding with one of her own! And now Eleni! Now Aalyah! Eleni switches up and nails Landerson with a knee to the gut before pulling her into a rear waistlock! But Aalyah spins out of it, reversing the maneuver!

Gia Cervantes: Aalyah pushes Eleni from behind now, sending her into the ropes...WHERE SHE KNOCKS DEVI KRYSSIS OFF THE APRON AND SENDS HER CRASHING TO THE FLOOR...AND THEN LANDERSON WITH THE ROLLUP FROM BEHIND ON ELENI!

Elle Halen: OOONNNNEEEEEEE!!!...

TTTTWWWOOOOOOOO!!!...

Stephanie Matsuda: But Eleni kicks out with such force that she sends Aalyah stumbling backwards...AGAIN KNOCKING DEVI OFF THE APRON AS SHE HAD JUST PULLED HERSELF BACK UP THERE!

Gia Cervantes: But Aalyah pays Devi now mind, instead spinning back around...WITH THE SPINNING HEEL KICK ONTO ELENI!

Stephanie Matsuda: Eleni hits the deck, but quickly drags herself to the corner, pulling herself back up to her feet...ONLY FOR AALYAH TO COME SPRINTING IN WITH A BIG RUNNING SICK KICK THAT CATCHES ANGELOS RIGHT ACROSS THE JAW!

Gia Cervantes: Eleni falls to the canvas and Aalyah leaps up to the top rope...****SPLIT LEGGED MOONSAULT ONTO ANGELOS!!!****

Stephanie Matsuda: NO! Eleni rolls out of the way! Landerson hits the mat and tries to pick herself back up to her feet...****RUNWAY EXPRESS!!! THE RUNNING SINGLE LEG DROPKICK CONNECTS ONTO AALYAH!!!! COVER!!!****

Elle Halen: OOONNNNEEEEEEE!!!...

TTTTWWWOOOOOOOOOOOO!!!...

Gia Cervantes: But Devi breaks it up by grabbing Eleni by the boot and RIPPING her off of Aalyah! But Eleni with a BIG kick right to the jaw of Devi, sending her stumbling backwards into the ropes! Eleni gets up, staring at Devi angrily...but Landerson is up as well! She moves in from behind with a full nelson and now Devi moves in...but Eleni lifts herself up with a headscissors onto Devi...AND ELENI HITS BOTH A HEADSCISSORS TAKEDOWN ON KRYSSIS AS WELL AS AN ARM DRAG TAKEDOWN ONTO LANDERSON SIMULTANEOUSLY!!!!

Stephanie Matsuda: Devi rolls to the outside to try and buy herself some time to recover, meanwhile Landerson falls over to the mat with her neck draped over the bottom rope! Eleni slides to the outside and PLANTS Eleni with a STIFF elbow shot!

Gia Cervantes: ONLY TO BE ABSOLUTELY DRILLED WITH A SICK KICK FROM DEVI KRYSSIS!!!

Stephanie Matsuda: Devi RIPS Eleni back to her feet and slings her right back into the ring! And with Angelos down, Aalyah Landerson climbs up to the top rope! But Devi jumps up onto the apron and SHOVES her backwards, leaving Aalyah to fall into the tree of woe position! Devi steps through the ropes and starts STOMPING away at the midsection of Landerson!

Gia Cervantes: And now Devi grabs Eleni, RIPPING her up to her feet...AND WHIPPING HER SHOULDER FIRST RIGHT INTO THE RIBCAGE OF THE UPSIDE DOWN LANDERSON!

Stephanie Matsuda: With Aalyah still upside down, Devi goes RIGHT back to stomping at the ribcage before she takes a few steps back and charges in...but Landerson gets one foot unhooked from the top rope and Devi runs RIGHT into the boot of the Bit Luchador's daughter! Devi stumbles back a bit...AND ELENI WITH THE SCHOOL GIRL ROLLUP!

Elle Halen: OOOONNNNNNEEEEEEEEE!!!!...

TTTTWWWOOOOOOOO!!!!...

Gia Cervantes: But Devi kicks out at two! Both women scramble back to their feet and Eleni BLASTS Devi with a forearm shot before turning around and delivering one to Aalyah as well! And now another one for Devi! Landerson sprints in...BUT ELENI PLANTS HER WITH A LARIAT!!

Stephanie Matsuda: Devi looks for a clothesline of her own...but Eleni ducks underneath it! Devi spins around...DROPKICK FROM ANGELOS! Devi stumbles backwards into the corner that Landerson had propped herself up in and now Eleni takes off...RUNNING ELBOW TO BOTH AALYAH AND DEVI IN THE CORNER!

Gia Cervantes: Devi comes stumbling out of the corner now and Eleni takes off, bouncing off the ropes...****NEW YORK GROVE!!!! THE BLOCKBUSTER ONTO DEVI KRYISIS!!! COVER!!!****

Elle Halen: OOOONNNNNNEEEEEEEEE!!!!...

TTTTWWWOOOOOOOOOO!!!!...

Stephanie Matsuda: But Aalyah Landerson breaks up the count at two! Aalyah now looks to drag Eleni back up to her feet and connects with a right hand in the process! But Eleni responds with one of her own! But now Aalyah hits another! Then Eleni responds again! Aalyah! Eleni! But Devi is back up and drills Aalyah with a right hand of her own! And then Eleni connects with a shot on Devi! Landerson follows suit!

Gia Cervantes: But Devi NAILS Landerson with a kick to the gut followed by a clubbing blow to the spine and IMMEDIATELY spins around, nailing Eleni with a right hand! Devi grabs Aalyah

now and throws her through the ropes to the outside, but Landerson lands on the apron! Devi pays it no mind, instead turning back to Eleni and slinging her up onto the middle rope...AND CONNECTING WITH AN UPPERCUT FOLLOWED BY A SHOOT KICK TO THE TEMPLE AS ELENI FALLS BACK INTO THE RING!

Stephanie Matsuda: Now Devi looks to pull Landerson through the ropes to do the same thing...but Landerson ducks the uppercut by hopping off the apron! She reaches under the bottom rope and RIPS Devi's leg right out from under her, causing her to face plant onto the canvas!

Gia Cervantes: Devi slowly picks herself back up as Aalyah re-enters the ring...AND AALYAH CHARGES IN WITH A LEAPING LARIAT THAT TAKES KRYSSIS RIGHT BACK OFF HER FEET!

Stephanie Matsuda: Eleni is back up now though as she runs at Aalyah with a clothesline of her own...but Landerson ducks it! Angelos keeps running, rebounds off the ropes, right back at Aalyah...BUT LANDERSON LEAPS UP WITH A HURRICANRANA ONTO ELENI!!

Gia Cervantes: With Eleni down, Aalyah turns, seeing Devi propped up in the corner and she takes off...BIG CORNER SPLASH DELIVERED ONTO KRYSSIS!!

Stephanie Matsuda: She lands the splash and Devi falls to her knees. She slowly tries to pick herself back up, but Aalyah charges in again...ONLY FOR DEVI TO LIFT HER UP AND PLANT HER WITH A SPINNING SPINEBUSTER!!! COVER!!!

Elle Halen: OOOONNNNEEEEEEEEEEE!!!...

TTTTWWWOOOOOOOOOOO!!!...

Gia Cervantes: But Eleni JUST breaks up the count! A frustrated Devi gets up and grabs Eleni by the wrist, whipping her right into the corner! Devi follows up by charging in at her...but she runs RIGHT into an elbow shot from Angelos! Devi stumbles back a bit and Eleni climbs up onto the top turnbuckle!

Stephanie Matsuda: She's not quick enough to capitalize however as Devi spins around and PLANTS her with a right hand! And now Krysis climbs up onto the top rope to join Eleni! Here we go! She gets her into position...FOR THE SUPERPLEX!

Gia Cervantes: But Eleni grabs the top rope, keeping Devi from being able to flip her over for the superplex...BUT LOOK AT AALYAH! SHE RUNS IN, GRABBING DEVI BY THE WAIST! GERMAN SUPLEX OFF THE TOP ROPE ONTO DEVI WHO SIMULTANIOUSLY HITS THE SUPERPLEX ONTO AALYAH!!!

Stephanie Matsuda: ALL THREE WOMEN ARE DOWN, BUT LANDERSON IS THE FIRST TO MOVE! SHE CRAWLS HER WAY OVER TO ELENİ WITH THE COVER!

Elle Halen: OOOONNNNNNEEEEEEEEE!!!...

TTTTWWWOOOOOOOOO!!!...

Gia Cervantes: But Eleni kicks out at two! Aalyah looks upset, but she has to stay focused! She drags Eleni back up to her feet now, getting her in position for a vertical suplex...ONLY FOR DEVI KRYSSİ TO DRILL HER WITH A RUNNING BIG BOOT!!! THAT WAS RIGHT TO THE FACE OF AALYAH LANDERSON!

Stephanie Matsuda: AND NOW DEVI TURNS BACK TO ELENİ! SHE LIFTS HER UP ONTO HER SHOULDERS...****WAY TO THE WOLF!!!****

Gia Cervantes: NO! ELENİ SLIPS OFF HER SHOULDERS AND RIGHT INTO THE ROLLUP!!!

Elle Halen: OOOONNNNNNEEEEEEEEE!!!...

TTTTTTWWWOOOOOOOOOO!!!...

Stephanie Matsuda: But Devi kicks out at two! Both women are back up to their feet quickly...AND DEVI CHARGES IN WITH ANOTHER SICK KICK!!!

Gia Cervantes: NO! ELENİ DUCKS IT AND PULLS THE TOP ROPE DOWN! DEVI GETS HER LEG CAUGHT ON THE ROPE AND ELENİ HEAVES HER UP AND OVER, TOSSING DEVI TO THE OUTSIDE!

Stephanie Matsuda: ****AND THERE'S LANDERSON FROM THE TOP ROPE! DIVING BULLDOG ONTO ELENİ!!! SHE HITS IT!!! COVER!!!****

Elle Halen: OOOONNNNNNEEEEEEEEE!!!...

Gia Cervantes: But Eleni kicks out JUST in time! But Landerson isn't going to let it deter her! She wastes NO time climbing up to the top rope...

Stephanie Matsuda: ****LANDERSON FROG SPLASH!!!! SHE HITS IT!!!! SHE HITS IT!!!!****

Gia Cervantes: BUT THERE'S DEVI KRYSSİ! SHE GRABS AALYAH FROM BEHIND AND SENDS HER SAILING OVER THE TOP ROPE TO THE OUTSIDE! AND NOW SHE SPINS

(DING! DING! DING!)

Rebecca Sawyer: Here is your winner...DEVIIIIIIIIIIIIIIIIIIII KRYYYYYYYYSSSSSSSS!!!

Stephanie Matsuda: She did it! Devi Krysis keeps up her winning ways with back to back wins after once again pinning the newcomer Eleni Angelos!

Gia Cervantes: Devi proving why she's one of the favorite competitors here on Odyssey as she picks up a BIG win and shows off some veteran instincts with a nice win. Maybe not trusting anyone these days is the right attitude to have. The proof is in the results for Devi!

("Legacey" hits the speakers and Devi gets to her feet as the official raises her hand in victory. Landerson looks disappointed as she shakes her head on the outside and makes her way to the back, but Devi looks to the outside and requests a microphone. A ringside worker gives her one as her music fades out.)

Devi Krysis: Seeing what happened to NAMI two weeks ago....it broke my heart. I know things have been tough between us lately...but she was still my friend.

(Devi looks sad as she hangs her head low.)

Devi Krysis: That said...I fear I don't have the luxury to care anymore. Every time I've ever cared about someone here...anytime I ever thought I had a friend...it came back to bite me in the ass. But that's part of this business. Learning from your mistakes. And now I know...now I know...you can't trust ANYBODY but yourself. After all...nobody else around here does.

(Devi lets the mic fall to the mat and sighs heavily again, looking both sad and angry all at once as she exits the ring.)

(We cut backstage where we find April Song, sitting down in the dressing room. Her eyes are bloodshot and it looks as if she hasn't slept in days. She sighs heavily as she runs her hands through her hair, but suddenly she hears a knock at the door and looks up, her eyebrow raised suspiciously. She walks over to the door and opens it, ever so slightly to see who's there. She then lets her guard down a bit.)

April Song: Oh...hey...

(April turns and walks back to her chair as the door opens the rest of the way and Chris Sabertooth walks in.)

Chris Sabertooth: Hey, April. I've been looking for Rebecca Filth, you seen her anywhere?

(April just shakes her head.)

April Song: No, can't say that I have. Then again, I try to avoid her as much as I can because the sound of her voice gives me a headache.

(Chris laughs a little bit.)

April Song: Why are you looking for her anyway? I know things are tough with Hana right now, but I didn't peg you for the type to need the Gutter Whore for sexual relief. That seems more like your partner's schtick.

Chris Sabertooth: Yeeeeeeaaaaah, Jeff likes to have fun, what can I say. But that's not why I'm looking for her. I'm just trying to make sure she doesn't do anything stupid.

April Song: Well...good luck with that.

(Chris stands there awkwardly for a moment, looking at April.)

Chris Sabertooth: April...you okay? You look kind of rough.

April Song: You don't exactly look great yourself.

Chris Sabertooth: Well, I was killed by my wife recently, what's your excuse?

(April manages a laugh now as she looks up at Chris.)

April Song: Honestly? It's your wife for me as well.

Chris Sabertooth: Yeah...

(Chris has a seat next to April.)

Chris Sabertooth: You wanna talk about it? Nobody knows better than me.

(April shakes her head and closes her eyes.)

April Song: I just...I can't wrap my head around what's real anymore, Chris. When I close my eyes to sleep...I see Hana...and she tells me things. Things about the Frontline...things about YOU. Things that I know in my HEAD aren't real...it's just tricks from Havoc or whatever...but...but it seems so real. When I see her, I don't see a demon or anything...I see my friend. I see my little sister. And I just can't shake the feeling that maybe she's right.

Chris Sabertooth: I understand completely.

April Song: Do you, Chris? Because from what I'm being told, YOU are the bad guy.

Chris Sabertooth: Maybe I am.

(April cocks her eyebrow as she stares at Chris.)

Chris Sabertooth: I brought Havoc here. It was me that caused all of this in the first place. I've made my amends with the people that I did wrong, but I've never forgotten it, April. I know the mistakes that I've made and I've had to live with them every day. I've done terrible, TERRIBLE things. But to me, all of them pale in comparison to allowing Hana to be controlled by that...that thing. And I know how close you two are, but you have to believe me April...Hana is my wife. And I love her more than anything. And there is NOTHING that I won't do to get rid of Havoc and get the Hana that we both know back...

April Song: Nothing you say? And what if Hana dies in the process?

Chris Sabertooth: I would never let that happen. Hana's safety is my number one priority.

April Song: And your friends?

Chris Sabertooth: They understand that fully. We're going to get Hana back, April. I don't know how yet. Marie is looking into it...but we will. I promise.

April Song: ...yeah...

(April drops her gaze to the floor.)

Chris Sabertooth: April.. April, look at me. Look me in the eyes.

(April looks back up at Chris now and he looks deadly serious.)

Chris Sabertooth: Look me in my eyes and tell me I'm lying. I love my wife. I love Hana. And I would NEVER hurt her. And I will stop at NOTHING to bring her back to us. Do you understand?

(April smiles weakly now and nods, feeling better about this conversation.)

April Song: Yeah...yeah I do, Chris. I believe you.

Chris Sabertooth: Good. And we could use your help.

(April stands up now, as if she's ready to get to work.)

April Song: Well, you've got it. Just tell me what you need me to do.

(Chris stands up as well, looking relieved.)

Chris Sabertooth: Well for starters, you can help me find Filth.

April Song: Seriously?

Chris Sabertooth: Hey, like it or not, she's part of the group now. We gotta make sure she doesn't do anything reckless that gets herself hurt.

April Song: It's a big ask for you to ask me to care about that.

Chris Sabertooth: Come on.

(April rolls her eyes as the two walk through the door and into the hallway.)

April Song: Yeah, yeah...whatever.

Chris Sabertooth: Thank you. We'll cover more ground if we split up. You go that way, I'll go this way, yeah?

April Song: Yeah, sure. Meet you back here in a little bit?

Chris Sabertooth: Sounds good.

(The two nod at one another and walk off in separate directions as we fade to commercial.)

(COMMERCIAL BREAK)

(When we come back from the commercial, we find April Song opening up random doors in the hallway.)

April Song: Filth, you in here? Nope.

(April shuts the door and moves on to the next one.)

April Song: Filth, you making someone's life miserable in here?

(Still nothing. April shuts the door again and checks the next.)

April Song: Filth, you giving away STDs in here? Nope.

(Again, nothing. April moves onto the next door, opening it.)

April Song: Filth you-

(April stops in her tracks in the doorway, seeing Hana Nakajima, Rin Asakura, and Ruri Kuzunoha sitting at a table. Hana smiles at the sight of April.)

Hana Nakajima: April...how good to see you, my friend.

April Song: Uh...sorry, I didn't mean to interrupt.

Hana Nakajima: Don't be ridiculous, April. We're best friends. You're always welcome with me.

April Song: ...right...

Hana Nakajima: Ladies...could you give us a moment? I'd like to catch up with my old friend here.

(Rin nods and Ruri rolls her eyes as the two get up. Rin glares at April as they make their way past her and out of the room and Ruri shuts the door behind them. April turns back to Hana now, who smiles and gestures towards a seat at the table.)

Hana Nakajima: Please...have a seat. What can I help you with, April?

April Song: I was just...looking for Rebecca Filth.

(Hana cocks an eyebrow now.)

Hana Nakajima: Really? Why? She's always been so rude to you.

April Song: Well yeah, I was just....it's a long story.

Hana Nakajima: I see. Well if I see her, I will be sure to let her know you were looking for her.

April Song: Thanks...I guess...but sorry to barge in here like this...I didn't mean for you to have to kick your new friends out or anything.

Hana Nakajima: Who, them? Don't be silly, April. Ruri and Rin are merely business partners bred from a mutual desire to stay alive as our enemies conspire against us. They are not friends.

April Song: Right...

Hana Nakajima: You...on the other hand...you, April...

(Hana reaches out, placing her hand on April's shoulder.)

Hana Nakajima: You are my only friend. My only REAL friend. I've always been able to count on you, even in my mistakes. And it's why I know that when I need you...you'll be there. Because you would never let anything happen to me.

April Song: Yeah...yeah, of course...but what do you think is going to happen?

Hana Nakajima: You know what, April. Chris, the Frontline...or 'Hotline' as they apparently like to be called...they're conspiring against me. I imagine they've even tried to recruit you to help them, haven't they?

(April doesn't respond.)

Hana Nakajima: Thought so.

April Song: I don't-

Hana Nakajima: You don't have to explain, April. I know it's not your fault. It's them trying to turn everyone who loves me against me. But I know that I have nothing to worry about when it comes to you. I know how important we are to one another. And I know that when push comes to shove...you will make the right decision.

April Song: ...yeah, I guess..

(Hana pulls April in now, surprising her as she wraps her in a hug.)

Hana Nakajima: Thank you for always being there, April. You have no idea how much I value you.

(April looks unsure, but she returns the hug.)

April Song: Of course, Hana...

(Hana pulls back from the hug and smiles at April for a moment.)

Hana Nakajima: But I better not keep you any longer. You have to go find...that thing, after all.

(April laughs slightly.)

April Song: Yeah..yeah, I suppose I do.

Hana Nakajima: I'll let you get to it then. I should probably get going myself before my 'husband' gets any bright ideas and tries to kill me to get his pet demon back.

(Hana smiles weakly, as if it were a joke, but also in a way that makes April think she means it.

April Song: Hana...he loves you...he wouldn't-

(Hana puts her hand up, silencing April.)

Hana Nakajima: April, please...you don't know him like I do.

April Song: I guess I don't...

Hana Nakajima: BUT...my problems with Chris are not yours to worry about. I'll see you around, ok April?

April Song: Yeah...yeah, ok.

Hana Nakajima: Take care of yourself.

April Song: You too, Hana.

(Hana smiles and reaches out, gently squeezing April's arm in a friendly way, before nodding politely and walking out of the room, leaving April standing there looking confused as we cut back to ringside where Rebecca Sawyer is standing in the ring.)

Rebecca Sawyer: The following contest is scheduled for ONE FALL!!!

Crowd: ONE FALL!!!

("Pogo!" by cluppo plays, as the arena lights up with pink, white, and purple lights. Tomomi Shinozaki comes running out onto the stage, and stops, looking around and smiling at everyone. She skips down the ramp, waving, and hi-fiving the fans until she gets to the stairs. She then stops, says a little prayer, bows, and walks up, and into the ring. She goes to referee Tianna Royce and shakes her hand, and then Rebecca Sawyer, doing the same thing, before

finally going up to the second turnbuckle, waving to the crowd one final time, and smiling widely.)

Gia Cervantes: I tell ya, it's impossible not to like this young lady. Just always with a positive attitude, and perhaps more importantly, a bright, bright future based on her skills in the ring.

Stephanie Matsuda: You can say that again, Gia. I feel like people sleep on Tomomi, but to anyone who has actually been paying attention, this young lady has the goods. We saw it two weeks ago when she disposed of Aalyah Landerson in relatively quick fashion. But tonight the competition may get a little stiffer.

(The beats of "Punk Tactics" by Joey Valence begin to play throughout the arena as the house lights shine down a blue hue, circling around the arena and the stage. Soon RebeccaBrookes comes out, standing front and center of the stage, with a shine to her eye as she looks around the arena with a smile on her face. She slowly twirls around on the top of the ramp, showing off the sparkling gems within her ring jacket. Rebecca then takes one final deep breath before making her charge to the ring, high fiving every fan that she passes along the way and hugging the children that reach out to her. The crowd sings the chorus as Rebecca makes her way around the ring, climbing onto the apron and looking out to the thousands of fans as she raises her hand up to the air and waves to them, all of them cheering wildly for Rebecca as she nods her head to the music. She then enters the ring and heads to the corner, climbing up onto the second rope to soak in the crowd's cheerful reaction.)

Gia Cervantes: It seems Rebecca Brookes has adopted a new outlook on her career, opting to 'start over' as she says. And who knows? With the struggles she's gone through lately, maybe that's the best strategy!

Stephanie Matsuda: I mean, maybe. She has to figure out something though, because I KNOW that the woman who took me to the absolute limits inside of the Chamber is still in there somewhere and I want to see her unleash it. Rebecca Brookes has ALWAYS had the potential to become the World Champion and if it takes her starting from scratch to finally realize it...then I'm all for it.

(DING DING DING)

Stephanie Matsuda: And there is the bell as Tomomi and Rebecca face off. If I was Rebecca I would faint a lock up and shock her with a big shot.

Gia Cervantes: But she doesn't and the two women lock up and Rebecca pushes them up against the ropes, the ref stepping in for a clean break. Both women put their hands in the air..

Stephanie Matsuda: And it is a clean break..cmon fight you two! They lock up again and this time Rebecca gets the headlock, spins around back with a hammer lock! Tomomi looking to pick the leg but that isn't there, so she pops up and delivers a back elbow right to the jaw of Brookes!

Gia Cervantes: That rocks Brookes back as Tomomi spins around right into a dropkick from Rebecca! Both women pop back to her feet and Rebecca hits a second beautiful Dropkick! This one keeps Tomomi down and Brookes goes for a cover!

Tianna Royce: ONE!!!

TW—

Stephanie Matsuda: And Tomomi kicks out quickly, that was not going to do it. She scrambles to her feet in the corner. Brookes rushes in! Tomomi sends her over the top rope, but Brookes lands on the apron. Step up kick rocks Tomomi backwards! Rebecca springboards up.

Gia Cervantes: BUT TOMOMI RUSHED FORWARD AND KNOCKS HER FEET OFF THE ROPES!!! REBECCA GETS HUNG UP ACROSS HER BODY!!! Tomomi grabs Brookes while she is hung up and snap suplexes her into the ring! She floats over into the pin!

Tianna Royce: ONE!!!

TWO!!!

THR—

Gia Cervantes: Rebecca just kicks out in time, that fall really messed her up and she is still down grabbing those ribs! Tomomi is not done and moves in, reaching down to pull Rebecca up but she eats a kick to the side of the head. Shinozaki stumbles back as Brookes is on her feet! She runs in...

Stephanie Matsuda: But Tomomi is ready, drop toe hold! NO Rebecca rolls through and pops up with a roundhouse kick that drops Tomomi! But she rolls back and is in the corner! Rebecca runs in with a huge corner dropkick! Tomomi is down! Rebecca climbs the ropes but Tomomi is getting up and she shoves the Red Angel from the top rope to the outside! Rebecca crashes into the barricade from the fall and screams out in pain as she must have broken ribs now!

Gia Cervantes: Shinozaki slides under the bottom rope and goes to bring Rebecca, who is curled up at ringside, back into the ring. She pulls Brookes to her feet but Brookes shoves her off as she goes back down to one knee! Shinozaki runs in with a basement dropkick that sprawls out Becks!

Stephanie Matsuda: Tomomi runs in and slides down with a second low dropkick this time right into those injured ribs of Rebecca! OH AND BROOKES JUST SPIT UP BLOOD SHE IS HURT! Tomomi snatches her up and hits another snap suplex, this time on the outside! She rolls through lifting Brookes up and tosses her into the ring!

Gia Cervantes: Brookes is down in the ring and here comes Tomomi. She runs in and leaps up and brings the double foot stomp right down across those injured ribs! MORE BLOOD from Rebecca who cries out in agony. The ref pulls Tomomi off and is checking on Rebecca who moves to the corner trying to get up.

Tianna Royce: Becky, you're hurt are you sure you can continue..

Rebecca Brookes (no mic): I'm Fine..I'm Good...

Gia Cervantes: Rebecca won't give in as the ref backs away. Tomomi runs in and nails an elbow to the side of Beck's face! She whips her across the ring! Brookes hits hard into the far corner as Tomomi rushes in and Rebecca RUSHES OUT!! ****THE CLIMB BACK!!!!**** THAT HUGE SPEAR JUST TURNED TOMOMI INSIDE OUT! BOTH WOMEN ARE DOWN!

Stephanie Matsuda: Brookes is moving first as she gets to her feet, grabbing those ribs as she moves to Shinozaki! Tomomi still hasn't moved and Brookes struggles to drag her closer to the corner. She starts to climb the ropes, stalling part way to dig her fingers into her ribs trying to get the pain to stop. She is up top now! SHOOTING STAR PRESS!!! SHE FLIES FROM THE TOP ROPE!

Gia Cervantes: FLIES AND BURNS DOWN!!! TOMOMI ROLLS OUT OF THE WAY!!! REBECCA MISSES!!!! REBECCA POPS BACK TO HER KNEES AND CRAWLS TO THE ROPS GRABBING AT THOSE RIBS BUT TOMOMI IS UP AND RUNS IN ****619!!!! TIGER FEINT KICK!!!!**** AND SHE ISN'T DONE AS BROOKES IS PRONE IN THE CENTER OF THE RING!!

Stephanie Matsuda: TOMOMI WITH THE SPRINGBOARD SHE FLIES OFF THE TOP ROPE ****GOOMBA STOMP!!!!**** BOTH FEET DRIVE DOWN INTO THE GULLET OF REBECCA BROOKES AND TOMOMI ROLLS INTO THE PIN SHE HOOKS THE LEG!!

Tianna Royce: ONE!!...

TWO!!!...

****THREE!!!****

(DING DING DING)

Rebecca: HERE IS YOUR WINNER BY PINFALL!! TOMOOOOOOOOOOOOOOOMI SHINOOOOOOOOOOOOOOOOOZAAAAAAAAAAAAAAAAAAAAAAAK!!

Gia Cervantes: What a win for the young talent here in OWA!

Stephanie Matsuda: But at the expense of the falling Brookes who just can't seem to catch a break! OH but look at this, Becks is getting up as Tomomi comes down from her celebration! Shinozaki offers the hand! What a show of respect.

Gia Cervantes: Rebecca looks down at the hand and she accepts it with a smile on her face!! BUT FROM BEHIND TOMOMI EATS A GIANT BOOT FROM LEONA WHAT IS SHE DOING HERE?????

Stephanie Matsuda: AND BROOKES IS SPUN AROUND!!! THAT'S BETHANY HASTINGS!! THE NEW SPARKS CHAMPION!!! ****ARCHITYPE:SELF THAT PEDIGREE LAYS OUT BROOKES! AND LEONA FEEDS TOMOMI IN A SECOND ARCHETYPE SELF!!! THAT LAYS OUT SHINOZAKI!!!!****

Gia Cervantes: I don't know why they are here but both of these women are laid out and Bethany is grabbing the mic!!

Bethany Hastings: This sportsmanship is sickening. Rebecca Brookes used to be great, just like my proud country of America. But now she's losing matches to a jobber like Tomomi, just and is so content about it that she's shaking hands afterwards. It's disgusting! It's almost as terrible as the democratic party petitioning to add an 'F' to an already far too long acronym in order to please the freakshows of the world! That's not what the people want! These two...they aren't what the people want! They want America to be great! They want Odyssey to be great! They want someone ruthless...they want someone like the new Sparks Champion! They want ME!!!

Gia Cervantes: Oh Please

Dr. Bethany Hastings: It is time someone makes it clear that this love-everyone liberal bullshit is for the WEAK!!! From now on, we are restoring Odyssey to GLORY once more! It started with me winning the Sparks Champion from that wretched, sultry jezebel Felix Hartley, but that was only the beginning! From now on, I will lead the way towards a PROMISING and BRIGHT future of Odyssey that will NOT show the weakness that women like these do. There is no place here for the weak any longer. We will MAKE ODYSSEY GREAT AGAIN!!! Leona...show them what I mean.

Stephanie Matsuda: AND ON THAT LEONA PICKS UP TOMOMI AND DRIVES HER DOWN WITH A HUGE SINGLE ARM POWERBOMB!!!! SHE HOLDS ONE AND DELIVERS A SECOND!!!

Gia Cervantes: BROOKES IS ON HER FEET AND SHE RUSHES LEONA BUT IS GOOZLED FOR HER EFFORTS! ****AND LEONA CHOKESLAMMS HER OVER THE TOP ROPE!!!! SHE JUST SLAMMED DOWN TO THE ARENA FLOOR AS MORE BLOOD IS COUGHED UP AS SHE LIES THERE IN AGONY!!****

Stephanie Matsuda: CAN WE GET SOME HELP OUT HERE!! FOLKS WE DON'T WANT TO TURN AWAY BUT WE MUST GO TO COMMERCIAL!! PLEASE GET SOME MEDICS OUT HERE!!!

(Bethany and Leona celebrate arrogantly in the ring as the medical team runs down to check on Tomomi and Rebecca Brookes just before fading to break.)

(COMMERCIAL BREAK)

(As we come back from commercial, we find ourselves in a hospital room. Felix Hartley lies on the bed, completely unconscious as Angelina Magnum and Jeff X stand by her side. Angelina looks sad as she holds Felix's hand in her own, while Jeff looks angry and lost in thought.)

Angelina Magnum: It'll be okay, Felix. Bex is gonna make this right. Just get you some rest.

(Angelina looks up and sees Jeff's face now.)

Angelina Magnum: Hey...you alright?

Jeff X: Hm? Yeah...yeah, I'm good. Just feel pretty useless stuck here in a hospital is all and not knowing what's going on in the arena.

Angelina Magnum: Relax. Filth is there. Chris is there. And I hate to admit it, but the Hex Girls are there too. They'll be fine.

Jeff X: Yeah...I should call Mike and Arata. See if they get over there.

Angelina Magnum: Will you relax? The worst they could do, they already did.

Jeff X: It can always get worse...

Angelina Magnum: Yeah and it normally does whenever YOU show up.

Jeff X: The FUCK does that mean??

Angelina Magnum: Relax, I don't mean it in a bad way. It's not your fault, but you're like a magnet for this shit. What NORMAL human has to make a DEMON deal to bring their best friend back to life?

Jeff X: Would you not have done the same thing?

Angelina Magnum: I wouldn't be able to talk to that disgusting freak long enough to make a deal, but because that thing grosses me out.

(Jeff laughs a little now.)

Jeff X: Yeah, me too.

Angelina Magnum: You worried about it?

Jeff X: About what?

Angelina Magnum: That deal.

Jeff X: Oh...

(Jeff thinks back to his conversation with Marie and goes silent for a moment, but shakes it off.)

Jeff X: Nah...I'll be fine.

(Angelina sighs at his response and rolls her eyes.)

Angelina Magnum: Fine, we'll do it.

Jeff X: Do what?

Angelina Magnum: Save your ass apparently. I don't know what you agreed to, but luckily for you, you have Thotyssey on your side now. We'll get Felix healed up, meet back up with Bex and the women will save the damsel in distress...you.

(Jeff laughs and shakes his head.)

Jeff X: Well I appreciate that. First thing's first though, we gotta get Felix back on her feet.

Angelina Magnum: Yeah, cause I'm sure that on her feet is where you want her...

Jeff X: CHILL!

(The two are interrupted by a nurse suddenly walking into the room.)

Jeff X: What can you tell us, doc?

Nurse: Well she's got a collapsed lung and some pretty severe internal bleeding. But...as long as she stays on her back for a few days-

Angelia Magnum: See, that sounds like more where you want-

(Jeff shoves her slightly to shut her up and smiles at the nurse.)

Jeff X: Sorry, you were saying?

Nurse: As long as she stays in bed for a while, she should make a full recovery. But we'd like to keep her here to monitor and ensure that she's not overdoing it. She needs REST. As little movement as possible to ensure that her insides can recover.

Angelina Magnum: Well funnily enough, I hear that Jeff here has taken wonderful care of her insid-

Jeff X: THAT'S enough of that. Thank you doctor.

Nurse: Oh and one more thing. Hospital policy, only two visitors are allowed at a time, so you'll have to leave before the others can come up.

Angelina Magnum: Others?

Nurse: Yes there's a...

(The nurse flips a page on her clipboard and reads the names.)

Nurse: Diantha and Donovan downstairs to see her?

(Angelina and Jeff's faces both go serious as they look at one another.)

Angelina Magnum: The fucking audacity of those people. They really come to finish the job?

Jeff X: Probably thought we'd still be at the arena. Come on, let's go. We'll finish this shit ourselves, right now.

(Jeff pulls the pistol out from his waistband and the nurse jumps backwards, screaming slightly.)

Angelina Magnum: Oh shut the hell up, it's not for you!

Jeff X: Where are they?

(The nurse, trembling, points down the hallway. Jeff and Angelina nod to one another and march down the hall in search of DT and Diantha. Once they disappear beyond the corner, the nurse smiles slightly and a clapping sound can be heard.)

???: Well done, doc.

(Skylar Arceneaux comes walking up from the opposite side of the hallway, clapping her hands, and smiling as she makes her way to the door of Felix's room.)

Skylar Arceneaux: I didn't think you had that kind of acting job in you.

Nurse: You didn't tell me he had a GUN!

Skylar Arceneaux: Are you kidding? Look at him. He's white trash, of course he has a gun.

(The nurse just stares at Skylar angrily and Skylar rolls her eyes as she reaches into her pocket.)

Skylar Arceneaux: Relax, I'll pay you extra for that.

(Skylar pulls out a wad of cash, and hands it over to the nurse, who happily pockets it.)

Skylar Arceneaux: A pleasure doing business with you. But now if you'll excuse me...I have some business of my own to handle.

(The nurse nods respectfully and exits the room, shutting the door behind her. Skylar turns and smiles as she sees Felix lying there, unconscious and breathing heavily.)

Skylar Arceneaux: Well, well, well...what do we have here. Hello again, Felix...

(Skylar sits down on the bed next to Felix.)

Skylar Arceneaux: Well isn't this a familiar sight...Felix Hartley broken in half, barely able to breathe. Kind of like how you were at Hardcore Havoc, huh? You know...after Diantha and For The Minorities crushed every dream that you've ever had by cashing in the Ascension to the Heavens Briefcase and STEALING your Undisputed Championship. That had to be tough for you. I imagine it was simply devastating. Which begs the question...WHY WOULD YOU DO THE SAME THING TO ME?!

(Skylar takes her fist and slams it into the stomach of Felix as hard as she can. Felix instantly coughs and blood comes flying from her mouth.)

Skylar Arceneaux: WHY WOULD YOU (punch) AND YOUR STUPID FRIENDS (punch) ROB ME OF MY DREAM (punch) WHEN YOU YOURSELF (punch) KNOW HOW THAT FEELS! (punch)

(With every strike, more blood pours out of Felix's mouth. She begins convulsing and shaking involuntarily, but Skylar doesn't seem to care.)

Skylar Arceneaux; YOU THOTYSSEY WHORES JUST THINK YOU CAN GET AWAY WITH WHATEVER YOU WANT, DON'T YOU?? WELL I'M NOT GOING TO TAKE IT, FELIX!!!

(Skylar rips the monitor off the stand, holding it high over her head and sending it crashing down onto the ribcage of Felix.)

Skylar Arceneaux: I TOLD YOU, I WOULD MAKE YOU PAY FOR THIS!!! I TOLD YOU, I WASN'T GOING TO LET IT STAND!!!

(Skylar grabs the bed and flips it over. Felix's body hits the ground HARD and Skylar starts driving viciously stiff kicks right into the gut of Felix. Blood now covers her hospital gown.)

Skylar Arceneaux: FUCK YOU FOR TAKING THAT OPPORTUNITY FROM ME FELIX! YOU HEAR ME?! FUCK YOU!!! I AM GOING TO MAKE ALL OF YOU PAY FOR WHAT YOU DID TO ME! DO YOU UNDERSTAND ME!

(Skylar takes a few steps back now and gets a running start, driving the toe of her boot as hard as she can right into Felix's guts. Felix goes limp now and Skylar looks into the mirror, fixing her hair for a moment before looking down at a bloody and shaking Felix.)

Skylar Arceneaux: I'm glad we had this talk, Felix. But it won't be the last. Tell your little friends that they'll be hearing from me very soon as well.

(Skylar then takes steps over Felix's body and opens the door, walking out of the room as we cut back to the arena where Rebecca Sawyer is standing in the ring.)

Rebecca Sawyer: The following tag team contest is scheduled for ONE FALL!!!

Crowd: ONE FALL!!!

("Guerilla Radio" by RedHook hits the speakers, prompting cheers from the crowd. Dani Fatale and Cassie Wu emerge from the back, each of them wearing wide smiles upon their faces. They stop at the top of the stage and gaze out over the crowd for a moment before turning to one another and exchanging fist bumps. Then, the pair make their way down the ramp, slapping hands with the outstretched hands of the fans as they do so, before sliding into the ring. They head to opposite corners, climbing up onto the top rope and raising their arms into the air to soak in the reaction from the audience.)

Rebecca Sawyer: Introducing first...at a combined weight of 263 lbs...the team of CASSIE WU AND DANI FATALE...SLEEPYTIME GUERILLAAAAAAA
PUUUUUUUUUUUUUUUUUNKKKKKK!!!

Gia Cervantes: An interesting duo here this evening as these two have quickly become friends after their match last month in which they gained one another's respect. We saw two weeks

ago that Dani came to Cassie's aid after being attacked by Bethany and Leona and now...it looks like Odyssey has a fresh new team for the tag division!

Stephanie Matsuda: More than that, this is a team that can make WAVES! I spent some extra time training with Cassie this week, and I can assure you that she's more ready than ever. And having someone she can kind of develop with in Dani Fatale, as they both adapt to life on the Odyssey roster can only be beneficiary. I think both of these women have bright futures and it may all start right here.

("Tokyo Rain" by Adrian von Ziegler hits the speakers to boos from the crowd. Rin Asakura and Ruri Kuzunoha make their way out through the curtain and each of them pause on the stage for a moment. Rin turns towards Ruri, slapping her on the back in an attempt to hype her up, but Ruri just shakes her head and rolls her eyes. The two make their way down the ramp and Rin makes her way up the steps as Ruri just rolls into the ring. Both women stare down Dani and Cassie for a moment before Rin turns to Ruri and again attempts to hype her up to no avail.)

Rebecca Sawyer: And their opponents...from Tokyo, Japan...weighing in at a combined weight of 255 lbs...the team of RIN ASAKURA AND RURI KUZUNOHA...THE GOLDEEEEEEEEEEEEEEEEEEN DAAAAAAAAAAAAAAAAAAAAAAWWWWWWNNNNNNN!!!

Gia Cervantes: And here we go in this new era of the Golden Dawn! Ruri Kuzunoha was FORCED against her will to finally concede into joining the Golden Dawn two weeks ago, and perhaps even more important than that...the Golden Dawn are very much aligned with Havoc and Hana Nakajima.

Stephanie Matsuda: Look, the Golden Dawn gaining power again is a terrifying thought. We witnessed what this group did under Arata Asakura over on Kingdom, and now his daughter has made that name mean something again with the support of Havoc and Ruri Kuzunoha in the fray as well. Against her will or not, it was Rin that saved Ruri's life two weeks ago. That has to count for something.

(DING! DING! DING!)

Gia Cervantes: And it looks like we're going to start things off here with Rin Asakura and Dani Fatale as Cassie and Ruri take their places on the apron. Rin and Dani cautiously move towards one another now, going to lock up...but Rin ducks down low with a double leg takedown on Dani!

Stephanie Matsuda: Dani tries to roll over and get back to her feet, but Rin cinches in a rear waistlock, and slings Dani right back to the ground! Rin tries to drag Dani back up, but Fatale catches her in a leg sweep and Rin faceplants! Now Dani jumps on her with a side headlock!

Gia Cervantes: Dani fights her way back up to her feet with the hold still applied and Fatale transitions now into an arm wrench. But she can't get it all the way in as Rin tries to wriggle free...and Fatale switches up, rolling Rin up!

Amanda Aspen: OOOONNNNNNEEEEEEE!!!...

TTTWWWOOOOOOOOOO!!!...

Stephanie Matsuda: But Rin kicks out at two! But as soon as she does, Dani goes right back to the arm, wrenching it backwards again! Rin, however, continues to fight her way back to her feet but Dani shoves her back into the corner where Cassie Wu makes the tag!

Gia Cervantes: Cassie takes over for Dani, grabbing that limb of Rin and contorting it around again before pulling Asakura straight into a shoulder block! Rin drops down to her knees, but Cassie keeps hold of that arm, continuing to apply the pressure...but Rin counters, reversing the pressure...but Cassie flips her over with a hip toss!

Stephanie Matsuda: Rin rolls back to her feet quickly and charges Cassie...but Cassie catches her with an arm drag, still keeping control of that arm. Rin, though, manages to roll back up to her feet...and she flips Cassie over with a fireman's carry takedown!

Gia Cervantes: Cassie scrambles back to her feet, but Rin grabs her from behind, shoving her all the way back into the corner...and there's the tag to Ruri Kuzunoha! Ruri enters the ring and Rin takes Cassie by the wrist, whipping her straight at Ruri...WHO PICKS HER UP AND PLANTS HER WITH A SCOOP SLAM!

Stephanie Matsuda: But she doesn't stay down long as Ruri pulls her RIGHT back up and whips her at Rin...RIN NAILS HER WITH A SCOOP SLAM OF HER OWN!!

Gia Cervantes: Rin takes her place on the apron now, but Ruri drags Cassie back up, placing her in the corner and there's the tag right back to Asakura. Rin comes back into the match and Ruri grabs Cassie by the wrist and sends her at Rin...A THIRD SCOOP SLAM CONNECTS ONTO CASSIE WU!

Stephanie Matsuda: And this time Rin goes right back to the arm of Wu, trying to twist it around into a hammerlock, but Cassie fights her way back to her feet. Rin keeps hold of that arm, but Cassie drives her back into the ropes and bounces her off of them, whipping Rin across the ring! Rin hits the opposite ropes and rebounds...RIGHT INTO A SPINNING WHEEL KICK FROM CASSIE WU!

Gia Cervantes: Cassie wastes no time grabbing Rin in a headlock and dragging her back up and towards the corner where Dani Fatale makes the tag! Dani comes into the ring and she runs, rebounding off the ropes...AND NAILING RURI WITH A RUNNING FOREARM THAT SENDS HER FLYING FROM THE APRON!

Stephanie Matsuda: And now she turns back around, charging Rin from behind while Cassie leaps into the air... ****GUERRILLA TACTICS!!!**** THE CHOP BLOCK/DROPKICK COMBINATION FROM THE TEAM NO KNOWN AS SIMPLY SGP!!!

Gia Cervantes: These two displaying some excellent chemistry already as Cassie heads to the apron. Ruri Kuzunoha angrily pulls herself up off the floor now and back onto the apron and extends her hand to Rin as she crawls towards the corner! There's the tag and Dani Fatale is telling Ruri to bring it on!

Stephanie Matsuda: Ruri is going to do JUST that as she steps into the ring and charges Dani with a clothesline...but Dani ducks underneath it and goes RIGHT into the sleeper hold on Ruri!

Gia Cervantes: Ruri drops to her knees as Dani tries to wear her out, but Kuzunoha isn't going to go down like that! She fights her way back up, grabbing Dani by the wrist and just prying her arm from around her neck...BUT DANI USES HER OTHER ARM TO ABSOLUTELY BLAST RURI WITH A RIGHT HAND THAT DROPS HER RIGHT BACK DOWN TO THE CANVAS!

Stephanie Matsuda: Ruri tries to get back up, but there's ANOTHER right hand from Fatale! Still Ruri continues to make her way up...UNTIL AN UPPERCUT FROM DANI BLASTS HER ACROSS THE JAW AND RIGHT BACK TO THE MAT SHE GOES!

Gia Cervantes: And now Dani Fatale is in complete control, dragging Ruri back up to her feet! Dani looking confident here as she rears back with a BIG time lariat! NO! DUCKED BY RURI! AND RURI WRAPS HER ARMS AROUND DANI'S WAIST! BIG TIME GERMAN SUPLEX FROM KUZUNOHA!!!

Stephanie Matsuda: Dani moves to get up, but Ruri isn't having ANY of it! She lays into Dani with a right hand, knocking her back on her ass and now Ruri mounts her and just starts UNLOADING! Furious rights and lefts being swung by Ruri Kuzunoha as she takes out the last two weeks of frustration on Dani Fatale in the middle of the ring!

Gia Cervantes: Dani however manages to kick Ruri off of her, if only for a moment! Ruri looks more annoyed by anything as she marches back towards Dani, who quickly scrambles to her feet...BUT DANI WITH A STIFF SHOOT KICK RIGHT TO THE CHEST AS RURI FALLS BACKWARDS ONTO HER KNEES!

Stephanie Matsuda: AND DANI FATALE WASTES NO TIME! SHE CHARGES IN...RUNNING DDT SPIKES THE KNEELING RURI'S SKULL OFF THE CANVAS!!!

Gia Cervantes: And now both women are down as they turn and drag themselves towards their corners! Dani easily makes it first, so in comes Cassie! But there's the tag to Rin Asakura as well! Both women hit the ring and charge one another! Cassie goes to throw a right hand, but

Rin blocks it and now Rin starts UNLOADING on Wu! Furious right hands back Cassie all the way up into the ropes and Rin bounces her off of them, whipping her across the ring!

Stephanie Matsuda: But Cassie reverses! Rin is sent into the ropes instead...AND RIN LEAPS UP, SPRINGBOARDING OFF THE MIDDLE ROPE AND RIGHT BACK AT CASSIE WU WITH A LEG LARIAT THAT TAKES HER DOWN!!!

Gia Cervantes: Cassie is quick to get back to her feet, but Rin is already charging in...SLING BLADE!!! Again Cassie scrambles back up to her feet...BUT AGAIN SHE'S CAUGHT WITH A SLING BLADE!

Stephanie Matsuda: And Dani has seen enough! She enters the ring as well and charges Asakura...BUT RIN CATCHES HER! EXPLODER SUPLEX FROM RIN SENDS DANI ROLLING RIGHT BACK TO THE OUTSIDE!!!

Gia Cervantes: Cassie is back up as well and she looks to blindside Rin with a clothesline...BUT RIN CATCHES HER AS WELL! ANOTHER EXPLODER SUPLEX DISHED OUT, THIS TIME FOR CASSIE WU!!!

Stephanie Matsuda: And now Rin gets up and makes the tag to Ruri, but before Rin exits, she turns back to Cassie...****CODE RED!!!! THE DOUBLE KNEE DROP FROM RIN ASAKURA!!!****

Gia Cervantes: But instead of following it up with the moonsault knee drop as she normally would, Rin rolls out of the way...****ALLOWING RURI TO RUN IN WITH THE HOLLOW POINT!!!! THE DOUBLE FOOT STOMP RIGHT TO THE CHEST OF CASSIE!!! COVER!!!!****

Amanda Aspen: OOOONNNNNNEEEEEEEEE!!!!...

TTTTWWWWWOOOOOOOOOO!!!!...

Stephanie Matsuda: But Cassie Wu kicks out at two! Cassie rolls over, trying to reach for the tag here, but Ruri grabs her by the boot, dragging her back towards the center...but Cassie rolls over onto her back and KICKS Ruri off of her! And now Cassie jumps up and DIVES...THERE'S THE TAG TO DANIE FATALE!

Gia Cervantes: Ruri charges Dani, but Fatale with a kick RIGHT over the ropes to the temple Ruri! Ruri stumbles backwards and Dani...Dani climbing up to the top rope?! You don't see this often from Fatale!

Stephanie Matsuda: And THIS might be why! Ruri runs up and NAILS her with a right hand! She grabs Dani off the top and lifts her up in a powerbomb position, carrying her ALL the way over to the adjacent corner when Rin Asakura makes the tag! Rin comes into the ring and...

Gia Cervantes: RURI FLIPS DANI OFF HER SHOULDERS AND ****RIGHT INTO THE BLINDING DAWN FROM RIN ASAKURA!!!! DANI FATALE IS OUT AND THERE'S THE COVER FROM RIN!!!****

Amanda Aspen: OOOONNNNNNEEEEEEEEEEE!!!...

TTTTWWWOOOOOOOOOOOO!!!...

TTTTHHHHRRRRREEEEEE-

Stephanie Matsuda: BUT CASSIE WU DIVES IN AT THE LAST SECOND TO BREAK UP THE PIN!

Gia Cervantes: Cassie and Ruri now being forced back out of the ring by the official as Dani and Rin each pull themselves up to their knees, right next to one another. Rin strikes first with a right hand...Dani fights back with a headbutt! Rin with another right! Dani with a right of her own! Rin with an elbow! Dani responds! These two trading shots as they both make it back to their feet! Rin! Dani! Rin! Dani! Rin! And Dani switches up with a punch to the gut, doubling Asakura over! Dani goes right into the side headlock and drags her to the corner! Tag back into Cassie Wu!

Stephanie Matsuda: Cassie comes in and she runs, rebounding off the ropes as Dani goes down low for the chop block...****GUERRILLA TACTICS FOR THE SECOND TIME!!!****

Gia Cervantes: NO! ****RURI COMES OUT OF NOWHERE, BLINDSIDING CASSIE WU WITH THE KNUCKLEDUSTER!!!! THE DISCUS FOREARM ABSOLUTELY LEVELS WU, SAVING RIN ASAKURA IN THE PROCESS!!!****

Stephanie Matsuda: And Rin looks to take advantage as she charges at Wu...BUT WU DUCKS THE CLOTHESLINE AND CATCHES HER ARM! FULL NELSON SLAM FROM CASSIE WU!!!

Gia Cervantes: AND SHE'S NOT DONE THERE! CASSIE WU DRAGS RIN BACK UP...****BAYSIDE BUSTER!!!! SHE HITS IT!!!! THE NORTHERN LIGHTS BOMB CONNECTS ONTO RIN ASAKURA!!!****

Stephanie Matsuda: ****AND NOW CASSIE GOES RIGHT INTO THE BLASIAN SLEEPER!!!! THE BLASIAN SLEEPER ON RIN ASAKURA!!!! CASSIE WU IS GOING TO PUT HER TO SLEEP!!!!****

Gia Cervantes: RIN ASAKURA IS FADING FAST!!!! CASSIE WU HAS THE MOVE APPLIED TIGHTLY!!! YOU CAN SEE THE LIGHT LEAVING HER EYES!!! RIN ASAKURA TRYING TO REACH FOR THE ROPES, BUT SHE'S TOO FAR AWAY!!!! RIN DROPS DOWN TO HER KNEES NOW!!! SHE TRIES TO REACH OUT FOR ANYTHING TO HELP HER BUT IT'S NO USE!!!! YOU CAN SEE THE ARM FALL LIMP!!!

Stephanie Matsuda: NO! WITH ONE LAST BURST OF STRENGTH, RIN FLIPS CASSIE OVER HER SHOULDER WITH AN ARM DRAG, ESCAPING THE BLASIAN SLEEPER JUST IN TIME!!!

Gia Cervantes: Both women scramble back up to their feet and Rin desperately charges Wu...BUT SHE RUNS RIGHT INTO THE KNEE STRIKE FROM YOUR COUSIN, CLOUD!!!! The knee catches Asakura on the side of the head and she stumbles backwards...where Ruri is waiting to make the tag!

Stephanie Matsuda: Ruri enters the ring and wastes no time grabbing Cassie by the wrist, looking to whip her across the ring...BUT CASSIE PULLS HER INTO THE BLASIAN SLEEPER AS WELL!!!

Gia Cervantes: NO! Ruri pushes her away! Cassie hits the ropes and Ruri turns the opposite way, rebounding off the other set of ropes...BOTH WOMEN WITH THE SAME IDEA AS THEY TAKE ONE ANOTHER OUT WITH THE DOUBLE CLOTHESLINE!!!

Stephanie Matsuda: BOTH WOMEN NOW TRYING TO CRAWL TO THEIR CORNERS TO MAKE THE TAG! RIN AND DANI REACHING OUT AS FAR AS THEY CAN TO MAKE THE TAG!!!

Gia Cervantes: WAIT! LOOK! IT'S HANA!!! HANA NAKAJIMA IS STRUTTING DOWN TO RINGSIDE!!!! DANI FATALE SEES HER!!! AND DANI HOPS OFF THE APRON, SHOWING NO FEAR!!!! SHE TELLS HANA TO BRING IT ON!!! DANI FATALE IS WILLING TO FIND THE GODDESSES CHAMPION!!!

Stephanie Matsuda: BUT SHE'S TAKEN HER EYE OFF THE BALL!!! SHE'S NOT THERE TO MAKE THE TAG FOR CASSIE!!! BUT RIN IS!!! RIN ENTERS THE MATCH AS HANA AND DANI JAW BACK AND FORTH!!!

Gia Cervantes: Rin charges Cassie to capitalize...but she runs into an elbow strike from Wu! Rin stumbles backwards...AND THERE'S A ROUNDHOUSE KICK FROM CASSIE THAT FINDS ITS MARK!!

Stephanie Matsuda: Rin drops down to her knees now and Cassie goes RIGHT for the push kick...NO! Rin catches her leg and pulls her in...FISHERMAN'S SUPLEX FROM RIN ASAKURA!!! AND THERE'S THE TAG TO RURI!!!

Gia Cervantes: RURI HEADS UP TO THE TOP ROPE!!! ****FINAL HEAVEN!!!!!! THE SWANTON BOMB FROM RURI KUZUNOHA AND SHE GETS ALL OF IT!!!!!!****

Stephanie Matsuda: DANI FINALLY REALIZES WHAT'S GOING ON! SHE ABANDONS THE CONFRONTATION WITH HANA AND SLIDES BACK INTO THE RING! BUT SHE'S CUT OFF BY RIN, WHO WRAPS HER IN A SLEEPER HOLD AS RURI MAKES THE COVER!!!

Amanda Aspen: OOOOONNNNNNNNEEEEEEEEEEE!!!...

TTTTTWWWWOOOOOOOOOOOOOO!!!...

****TTTTTHHHRRREEEEEEEEEEEEEEEEEEEE!!!****

(DING! DING! DING!)

Rebecca Sawyer: Here are your winners...the team of Rin Asakura and Ruri Kuzunoha...THE GOLDEEEEEEEEEEEEEEEEEEN DAAAAAAAAAAAAWWWWWWNNNNNNNNNN!!!

Gia Cervantes: They've done it! Give the assist to Hana Nakajima for distracting Dani Fatale, but this new version of the Golden Dawn has won their first matchup as a team!

Stephanie Matsuda: That's just part of being a young competitor, Gia. Dani and Cassie showed some excellent teamwork and they have a bright, bright future ahead of them, but tonight, a rookie mistake cost them and the more experienced duo of Ruri and Rin came out on top. And I have to say...considering Ruri didn't even want to be a part of the team...she looked VERY comfortable out there with Rin. These two have undeniable chemistry.

("Sedai No Scream" hits the speakers as Ruri Kuzunoha and Rin Asakura get to their feet. The official raises both of their arms into the air as Hana looks on with approval from the outside, gently clapping her hands. Ruri stares at her unsure what to think, but Rin just pats her on the shoulder as if to say it's alright. Shrugging it off, the Golden Dawn celebrate the victory as we fade to commercial.)

(COMMERCIAL BREAK)

(As we return from commercial, "Cry of Achilles" rings out through the arena to a chorus of loud boos from the crowd. Diantha Rosso emerges through the curtain first, with the Undisputed Women's World Championship draped over her shoulder, but she's soon flanked by the rest of For The Minorities as DT the Ruler, Raivo, Maggall, and Giovante Reese join her on the stage. They all smirk smugly as they make their way down the ramp and take up residence in the ring.)

Gia Cervantes: Well, it appears we're being joined by For the Minorities and just LOOK at how happy they are with their actions, Cloud. What they did earlier tonight was absolutely sickening, placing Felix Hartley in the hospital and sending the Thotline into a rage.

Stephanie Matsuda: I think that's the least of their worries, Gia. Don't forget what else we saw tonight. For the Minorities now have an alliance with Havoc and the Golden Dawn. The

Thotline is made up of some of the best talents we've ever seen, but their adversaries are beginning to mobilize as well. And if what we saw from Felix earlier was any indication...things may only get worse for the Thotline from here on out.

(As the music dies down, Diantha is handed a microphone. Before she speaks, she allows the crowd to continue to boo her loudly.)

Diantha Rosso: Go ahead. Show your bias. Boo us for destroying your fake heroes and exposing them for the WEAKNESS that they truly are.

(More boos rain down on the group.)

Diantha Rosso: But whether you like it or not, we are here to stay. I told you. I told you all a year ago that I was going to burn this brand to the ground and rebuild how I saw fit. None of you believed me at the time. None of you took me seriously despite EVERYTHING that I've done in my career! But now...now that I have some new friends alongside me, maybe now you'll start to heed my warnings. Because if I've proved one thing by now, it's that I will always be full of surprises. You thought I revealed my hand at Hardcore Havoc with DT and Raivo, but I proved once again that I had more tricks up my sleeve with the return of Maggall...arguably the single most powerful man in all of OWA. He easily destroyed your heroes Murder Inc two weeks ago and he didn't even break a sweat.

(Maggall smiles evilly with his arms crossed as Diantha pats him on the shoulder.)

Diantha Rosso: But then you were given a ray of hope on Kingdom. The formation of the...ugh...'Thotline' with a resounding speech from Jeffrey X had you all thinking that the cavalry had arrived. That Jeff, Chris, Bishop, and their friends would come to the rescue to destroy the bad guys once again. Even I have to admit that it was a lovely speech. It was something straight out of a movie. But as you all found out tonight...THIS is not a movie. THIS is the real world. And in the real world, it takes more than one heartwarming speech to win the war. After all, just look at where that speech landed Felix Hartley.

(The crowd cheers a bit at the mention of Felix's name.)

Diantha Rosso: Cheer her all you want! She can't hear you! She can't hear you because that bitch is on a hospital bed fighting for her fucking LIFE!!!

(Diantha laughs now as trash begins getting thrown in the ring.)

Diantha Rosso: But Felix was just step one. We are far from done. One by one, we will eliminate every one of your heroes until only we stand. Until only the strong have survived. Us, Havoc, the Golden Dawn...we are the only ones who deserve your attention. Not the Hex Girls, not the Frontline, certainly not Thotyssey. And to all of those who oppose us...I don't care who you are. We will knock you off of your pedestal and force you all to get in line behind us. It

doesn't matter who you are. Chris Sabertooth, Jeff X, The Banshee, Arata Asakura, Rebecca Filth, even April Song if she so desires...if you defy us...WE will destroy you. WE will make what happened to Felix look like a walk in the park. WE will-

???: For fuck's sake, we get it. Can you shut the FUCK up already?

(The crowd cheers as everyone turns to see Rebecca Filth on the OmegaTron. She stands in the hallway backstage, leaning up outside of a door, smoking a cigarette. Her hair seems to be a bit of a mess and she's not wearing a top, just a small, silk black bra. She seductively takes her finger and wipes her lips off before smirking.)

Diantha Rosso: Well, well, well...look at you Rebecca. I thought you were coming to get revenge for your fallen friend? But there you sit...doing nothing. Coward. What's the matter? Don't want to wind up next to her in the hospital.

Rebecca Filth: Nah, Felix has enough company right now. I'm sure Jeff can nurse her back to health just fine on his own. Besides I had other business to take care of...like YOU, Diantha.

Diantha Rosso: And you're doing that from backstage? Why don't you come on out here?

Rebecca Filth: Please. I might be a lot of things, Diantha. But I'm not stupid. My Blacked taping isn't until Wednesday and I don't think I need a rehearsal so I'll pass on coming down there and getting my back blown out by that little NBA G-League team you've assembled. I have other plans for how I'm going to pay you back for what you did to Felix.

Diantha Rosso: Well, would you like to share with the class?

(Filth smiles, putting her cigarette out on the wall as she looks at the camera.)

Rebecca Filth: Let me explain something to you Diantha. I may like to have my fun, but there are some things I take very, VERY seriously. My Thotyssey sisters above them all. Those girls mean more to me than anything in this world...and tonight...you took one of them away from me. And the way I look at it, it's an eye for an eye, babe.

(Diantha laughs, along with the rest of For The Minorities)

Diantha Rosso: What are you going to do? Try and put one of these men in the hospital as payback? Oh this I have to see. Please...PLEASE Rebecca, I invite you to come try.

(Filth just shakes her head, laughing.)

Rebecca Filth: Of course not, you daft little bitch. Why would I want to hurt them to get to you? They obviously mean nothing to you. Just backup because you're too pathetic to do anything yourself. No, Diantha. I'm going to hit you where it HURTS. I'm going to take from you the

ONE thing that you actually care about more than anything...the Undisputed Women's World Championship...and I'm going to do it...in two weeks time on Odyssey.

(The crowd explodes in cheers at that statement, but Diantha just continues to laugh.)

Diantha Rosso: HAHAAHAHAHA! You're a funny little whore aren't you, Bex? What makes you think that I would EVER give you a title shot?? Your reign brought this brand into a new low and you NEVER deserve to challenge for this title again.

(Filth shrugs.)

Rebecca Filth: Luckily it's not up to you.

Diantha Rosso: You think Llorona would give you a shot? Get a grip on reality, Bex. Llorona isn't backing you anymore.

Rebecca Filth: I realize that, you dumb bitch. Seems she's clit-riding a darker shade of pussy these days. That's why I went around her...straight to the top.

Diantha Rosso: What...what do you mean?

(Just then the door opens and Filth smiles as she looks over at a sweaty Scott Oasis who walks out of the room, zipping up his pants. Upon seeing the camera, his face goes red.)

Scott Oasis: Oh..uh...I was just...having a business meeting with Ms. Rebecca Filth here.

Rebecca Filth: Yeah you were, big boy.

(Filth winks at him and Oasis looks a bit flustered.)

Scott Oasis: But uh...ahem...since I do have the attention of the audience, I might as well make an announcement...after talking with Ms. Filth who made some...uh...VERY compelling arguments, I've decided that Diantha Rosso WILL defend the Undisputed Women's World Championship in two weeks time against Rebecca Filth. It's truly the match we all need to get everyone ready for Civil War and I hope you all will enjoy it.

(The crowd cheers LOUDLY, but For The Minorities looks irate. Oasis quickly hustles off camera as Filth slaps him on the ass on the way out. She then turns back to the camera, smirking mischievously at Diantha.)

Rebecca Filth: There you have it, Di. I'll be seeing you in two weeks. Keep my title warm for me will you.

Diantha Rosso: NO! YOU CAN'T DO THIS! THIS IS AN OUTRAGE! THIS CANNOT BE LEGAL! I WANT TO SPEAK TO THE BOARD OF DIRECTORS! I WANT-

Rebecca Filth: IT DOESN'T MATTER WHAT YOU WANT BITCH! THIS IS MY FUCKING BRAND! IT ONLY MATTERS WHAT I WANT! AND WHAT I WANT...

(Filth breathes heavily for a moment, calming down as she smiles widely.)

Rebecca Filth: What I want is to make you pay for everything you've done. What I want is to make you bleed all over that ring. What I want is for you to wish that you had never heard of the name 'Thotyssey'. What happened to Felix was unfortunate, but it's not HER that will be fighting for her life because of it...it's you. You're fucking mine now, Di. And I'm going to make you scream my name, bitch.

(With that the OmegaTron goes black. Diantha hurls the microphone down in anger and begins swearing loudly as Giovante tries to calm her down.)

Gia Cervantes: OH MY GOD!!!! WHAT AN ANNOUNCEMENT! IT'S REBECCA FILTH VS DIANTHA ROSSO FOR THE UNDISPUTED CHAMPIONSHIP IN TWO WEEKS TIME! TWO OF THE GREATEST TO HAVE EVER DONE IT HERE ON ODYSSEY SQUARING OFF FOR THE ULTIMATE PRIZE!!!

Stephanie Matsuda: It's a DREAM match to be sure, Gia! But this is about MORE than just wrestling! This is about MORE than just the title! These two women are going to go to war for their entire factions in two weeks! It's gotten MORE than personal and I can't WAIT to see it!!! This might be the BIGGEST Odyssey match of ALL TIME!!!!

(Giovante, DT, Raivo, and Maggall continue to try and calm down Diantha as we fade to commercial.)

(COMMERCIAL BREAK)

Rebecca Sawyer: The following tag team contest is scheduled for ONE FALL!!!

Crowd: ONE FALL!!!

Rebecca Sawyer: And it is for the OWA Women's World Tag Team Championships!!!

("Gun" by CHVRCHES rips through the arena as Liz Karlson and Alyssa Grace make their way out from backstage, the Women's World Tag Team Championships wrapped snugly around their waists. The fans cheer wildly as the TPOIV logo flashes on the OmegaTron and both women

make their way down the ramp and to the apron. Liz leaps up first and steps on the middle rope allowing Grace to step in. Liz follows shortly thereafter, and the two bump fists before unclasping their titles and raising them high into the air.)

Rebecca Sawyer: Introducing first...weighing in at a combined weight of 285 lbs...they are the OWA Women's World Tag Team Champions...ALYSSA GRACE...ELIZABETH KARLSON...THE POWEEEEEEEEEEEEER OF INCREDIBLLLLLLLLLLLLLLLLLLLLLEEEEEE VVVVVVVVVVVVIOOOOOOOOOOOOOLEEEEEENNNNCCCCCEEEEEEEE!!!

Gia Cervantes: 181 Days. For 181 Days, the team of Liz Karlson and Alyssa Grace have DOMINATED the Women's Tag Team division. They won the titles all the way back at Game Over to become the inaugural champions and they've had a stranglehold on them ever since, defending them against ALL comers.

Stephanie Matsuda: And for good reason. These two have long been two of the best in the world, but tonight they put their belts on the line against one of the teams they beat to win the titles in the first place. And it's all happening because of what happened inside the Promethean Chamber between The Banshee and Liz Karlson. Alyssa and Liz are, as always, as confident as ever...but we know how badly and how long their opponents have wanted this match. Tonight, they finally get it.

(The house lights suddenly go out, leaving the crowd in near silent darkness as fog billows from the stage. It creates a faint path down the ramp and begins to leech into the stands as if it's a living thing, searching for something. Two spotlights then hit the stage, one a deep oppressive blood red, one a ghostly pale blue, illuminating Violet Cunningham and Marie Bouchard. The lights grow to split the ramp in harsh color, and Marie runs ahead, carrying the Outlaw title with her, in the blue light to give high fives to people waiting along the ramp and stops to take a selfie with a fan holding a "Murder Mommies" sign, leaving Violet to swagger up to the ring in a bloody path of red, smirking at the crowd reception. She ascends the stairs and enters the ring, climbing the turnbuckle to put herself on the second rope to stand with her arms held wide. Marie runs to join her, jumping on to the apron and climbing the outside of the turnbuckle to perform her backbend, leaving them both in their signature poses, inches from each other, as flames shoot from the other three turnbuckles. Violet holds out a hand to Marie and helps her spring up and over the turnbuckle, and they make their way to their corner. Violet sits cross legged, waiting, while Marie reclines on the second rope, leaning down to whisper something to her.)

Rebecca Sawyer: And introducing the challengers..representing the Thotline...weighing in at a combined weight of 310 lbs..the OWA Outlaw Champion Marie Bouchard...Violet Cunningham...BAAAAAAAAAAAAAAD MEEEEEEETS EEEEEEEEEEEV!!!!!!!!!!!!!!!!!!!!

Gia Cervantes: Violet and Marie have BURST onto the scene in the last year in a big way, but now they find themselves knee deep in a battle that has been felt all across the company as the newly formed Thotline have been embroiled in a battle with Havoc and For The Minorities. But

it hasn't come without its successes, as evidenced by Marie Bouchard's shiny new Outlaw Championship!

Stephanie Matsuda: The Outlaw title was a plus for Marie, but there is still a LOT of looming evil coming for this group as they have still not found a way to stop Havoc. We know that Violet wants to try her hand herself, but I don't know if that's a good idea. Regardless, they'll have to put aside the war with Havoc for a little while if they want to have ANY hopes of unseating the Power of Incredible Violence from their perch atop the Women's Tag Team division.

(DING! DING! DING!)

Gia Cervantes: And it looks like we're going to start things off here with Violet Cunningham and Alyssa Grace, as Marie and Liz take their places in their respective corners. Violet and Grace lock up in the center of the ring, and Violet quickly takes Alyssa down with an arm drag, perhaps surprising the veteran there!

Stephanie Matsuda: Alyssa rolls back to her feet and Violet smirks as she moves in to lock up again...OR NOT! Alyssa this time goes low with a kick to the midsection, doubling Cunningham over! Alyssa grabs Violet around the waist now...SAITO SUPLEX FROM GRACE!

Gia Cervantes: NO! Violet flips out, landing on her feet...AND SHE CATCHES ALYSSA WITH THE SCHOOLGIRL ROLLUP FROM BEHIND!

Stephanie Matsuda: But Alyssa rolls through and right back up to her feet...SHORT ARM CLOTHESLINE FROM GRACE TAKES VIOLET RIGHT BACK DOWN!!

Gia Cervantes: Alyssa bends down to drag her back up, but Violet drives a BIG kick right into her gut! Alyssa stumbles backwards as Violet makes her way back to her feet and BLASTS Alyssa with a Big Boot that takes her down to the mat as Violet tags in Marie Bouchard!

Stephanie Matsuda: Marie entering the match is a big opportunity for Alyssa and Liz. If they can pin her tonight, one of them will become Outlaw Champion due to the 24/7 stipulation that comes with that title! But Bad Meets Evil has NO plans of that happening! Marie Bouchard is climbing up to the top rope while Violet grabs the legs of Grace...

Gia Cervantes: AND IT'S A SLINGSHOT CATAPULT RIGHT INTO THE MISSILE DROPKICK FROM MARIE!!!! MARIE WITH THE COVER ON GRACE!!!

Elle Halen: OOOONNNNNNEEEEEEEEEEE!!!...

TTTTWWWOOOOOOOOOOO!!!...

Stephanie Matsuda: But Alyssa is out after only two there! Marie, however, goes right into the front headlock, dragging Grace back to her feet and carrying her to the corner where Violet

makes the tag! Cunningham comes into the ring and grabs Alyssa from behind while Marie holds her in place! Rollup from Violet!

Elle Halen: OOOONNNNNNNEEEEEEEEEEE!!!...

TTTTWWWOOOOOOOOOOOO!!!...

Gia Cervanets: And again, Alyssa kicks out at two! Both women scramble back to their feet, but Alyssa makes it just a hair earlier and plants Violet with a kick to the gut, doubling her over...SNAP SUPLEX FROM ALYSSA GRACE!!!

Stephanie Matsuda: And now Alyssa is right back up and she just begins STOMPING a hole in Violet, trying to keep the larger woman grounded! Alyssa drops down now and starts LAYING in right hands on Violet until the official is FORCED to pull her off of her!

Gia Cervantes: Alyssa reaches down and grabs Violet by the hair now, trying to drag her back to her feet...but Violet pulls her into a jawbreaker! Alyssa stumbles backwards into the ropes and Liz Karlson makes the tag!

Stephanie Matsuda: And Liz wastes no time, immediately locking in a side headlock on Cunningham! But Violet SHOVES her off of her, slipping out of the hold as Liz is sent rebounding off the ropes...and she comes RIGHT back with a shoulder block, knocking Violet off her feet!

Gia Cervantes: Violet scrambles back up now and charges Liz...but Karlson LEAPFROGS right over her! Violet keeps running, rebounding off the ropes and Liz drops down for a monkey flip...but Violet LEAPS over her! Both women to their feet now for a staredown as this crowd cheers them on!

Stephanie Matsuda: Violet moves in first, but Liz throws a clothesline her way! Violet ducks underneath it and IMMEDIATELY applies a side headlock! But Liz slips out of it and applies a headlock of her own! Violet uses her strength to SHOVE Liz off of her again! Liz hits the ropes and comes back at Liz who lifts her up for a hip toss!

Gia Cervantes: But Liz lands on her feet! She keeps running, bounces off the ropes...****SILVER BULLET!!!! THE SPEAR FROM LIZ KARLSON CONNECTS!!!****

Stephanie Matsuda: Violet Cunningham WISELY rolls to the outside of the ring, however, to keep from getting pinned! Marie comes over to check on her partner now...but Alyssa Grace hops off the apron and drives a kick RIGHT into her gut! Marie doubles over and...ALYSSA HEAVES MARIE BOUCHARD RIGHT INTO THE STEEL STEPS!!! DEAR LORD, YOU CAN HEAR THAT SOUND OF FLESH ON STEEL ECHO THROUGHOUT THE ENTIRE ARENA!!!

Gia Cervantes: Alyssa bends down now, grabbing an injured Marie and slinging her into the ring for Liz! Liz bends down, wrapping her up in a rear waistlock and dragging her back up to her feet, but Marie NAILS her with a few elbow shots trying to get out of it...BUT IT'S NOT GONNA WORK AS LIZ THROWS HER BACKWARDS WITH A GERMAN SUPLEX!

Stephanie Matsuda: NO! Marie flips out of it and lands on her feet! Marie stumbles back a bit into the ropes and rebounds back at Liz...

Gia Cervantes: ****AND LIZ POPS HER UP ONTO HER SHOULDERS!!! BLUE BOMBER!!!! THE POP-UP POWERBOMB TO MARIE BOUCHARD!!!****

Stephanie Matsuda: NO! Liz pops her up, but Marie keeps her momentum going forward and lands on her feet behind Liz! Liz spins around with a clothesline, but Marie DUCKS underneath it! STEP-UP ENZIGURI FROM MARIE CATCHES LIZ RIGHT ON THE TEMPLE!!

Gia Cervantes: Liz falls towards her corner where she tags Alyssa back in and Marie dives towards hers as she makes the tag to Violet! Both women charge one another and Alyssa goes for a clothesline...but Violet ducks underneath it! Violet keeps running forward...AND SHE LAYS OUT LIZ WITH A BIG-TIME LARIAT!!!

Stephanie Matsuda: And now she spins back to Alyssa...CLOTHESLINE FOR ALYSSA GRACE! Liz is back up...BUT SHE EATS A CLOTHESLINE AS WELL! Violet Cunningham is hitting anything that moves!

Gia Cervantes: Liz drags herself over to the corner to pick herself up, but Violet takes Alyssa by the wrist and whips her RIGHT into Karlson! Violet takes off running now...CORNER CLOTHESLINE TO ALYSSA WHO FALLS TO THE MAT!

Stephanie Matsuda: Liz however is still propped up in the corner, so Violet heads to the other side of the ring again...with a full head of steam, she NAILS the cornered Liz with a running big boot and falls backwards RIGHT onto Alyssa Grace with an elbow drop!!

Gia Cervantes: Violet is FEELING it right now as Alyssa slowly drags herself back up to her hands and knees as Liz rolls out of the ring. Cunningham eyes Alyssa now and runs, rebounding right off the ropes...AND A RUNNING KNEE FROM VIOLET GETS DRIVEN RIGHT INTO THE BACK OF ALYSSA GRACE'S SKULL!!!! AND NOW VIOLET MAKES THE TAG TO MARIE!!

Stephanie Matsuda: And Violet drags Alyssa in position now as Marie Bouchard climbs all the way up top! She's got her RIGHT where she wants her! Marie SAILS!

Gia Cervantes: ****CHASSE-GALERIE!!!! THE DIVING MOONSAULT HITS!!!! MARIE BOUCHARD HOOKS THE LEG OF ALYSSA GRACE!!! WE COULD HAVE NEW CHAMPIONS!!!****

Elle Halen: OOOONNNNNNNEEEEEEEEEEE!!!...

TTTTWWWOOOOOOOOOOOO!!!..

TTTHHHHRRRREEEEEEEE-

Stephanie Matsuda: But it's NOT good enough as Alyssa JUST kicks out in time! Marie looks a bit frustrated now as she drags Alyssa back to her feet...but Grace NAILS her with an uppercut! Marie looks out on her feet as she stumbles backwards into the ropes and Alyssa charges straight at her!

Gia Cervantes: But Marie gets her foot up and Alyssa runs face first RIGHT into her boot! Alyssa stumbles back a bit again, but she angrily tries again as she charges at Bouchard...

Stephanie Matsuda: BUT MARIE MOVES OUT OF THE WAY AND VIOLET IS THERE ON THE APRON, LEAPING UP AND CATCHING ALYSSA WITH AN ENZIGURI OVER THE TOP ROPE!

Gia Cervantes: Alyssa stumbles backwards and Marie has herself positioned on her hands and knees behind her! Alyssa trips over her and falls to the mat! And Marie right away drags her up to her feet and tags in Violet as she enters the ring!!!

Stephanie Matsuda: Marie gets Alyssa into a DDT position...****SUPERKICK FROM VIOLET RIGHT TO GRACE'S HEAD!!! AND MARIE PLANTS HER WITH THE DDT!!! IT'S A GOTH GIRL SUMMER AS VIOLET MAKES THE COVER!!!****

Elle Halen: OOOONNNNNNNEEEEEEEEEEE!!!...

TTTTWWWOOOOOOOOOOOO!!!...

TTTHHHHRRRREEEEEEEE-

Gia Cervantes: Violet looks annoyed as she drags Alyssa Grace back up to her feet by the wrist and goes to whip her into the corner... BUT ALYSSA REVERSES AND PULLS VIOLET INTO A SUPERKICK!!! VIOLET GETS CAUGHT RIGHT ON THE JAW!!!

Stephanie Matsuda: Violet looks out on her feet and Alyssa runs, NAILING Marie with a running elbow that sends her FLYING from the apron! Violet looks to attack Alyssa from behind now...but Alyssa ducks underneath it! She hooks both of Violet's arms...DRAGON SUPLEX FROM ALYSSA GRACE AS VIOLET CUNNINGHAM LANDS RIGHT ON THE BACK OF HER NECK!!! AND THERE'S THE TAG TO LIZ KARLSON!

Gia Cervantes: AND LIZ SLINGSHOTS HER WAY BACK INTO THE RING WITH A SENTON RIGHT ACROSS THE CHEST OF VIOLET! BUT SHE'S NOT STOPPING THERE! LIZ RIPS HER BACK TO HER FEET! ****SPECIAL DELIVERY!!!! SHE PLANTS VIOLET CUNNINGHAM WITH THE PACKAGE PILEDRIVER!!! COVER!!!****

Elle Halen: OOOONNNNNNEEEEEEEEEEE!!!...

TTTTWWWOOOOOOOOOOOOO!!!...

TTTTHHHHRRRRREEEEEEEE-

Stephanie Matsuda: BUT MARIE BOUCHARD GETS IN TO BREAK IT UP JUST IN TIME!!!

Gia Cervantes: And Alyssa isn't having any of that as she grabs Marie Bouchard and goes to HURL her straight over the top rope! But Marie reverses! She shifts momentum and it's Alyssa Grace that goes FLYING over the top instead!

Stephanie Matsuda: But Alyssa lands on her feet at ringside! She reaches under the bottom rope and RIPS Marie's leg out from under her! Marie hits the mat and Alyssa looks to drag her to the outside, but Marie LAYS into her with a boot to the chin! Alyssa stumbles backwards a bit and Marie pops to her feet on the apron! Marie takes off!!!!

Gia Cervantes: ****COVEN'S CALL!!!! MARIE SAILS FROM THE APRON WITH THE RUNNING KNEE AND CONNECTS RIGHT TO THE FACE OF ALYSSA SENDING HER CRASHING INTO THE STEEL STEPS!!! WHAT A MOVE FROM MARIE BOUCHARD!!!****

Stephanie Matsuda: Liz Karlson is looking to the outside in ANGER at what Marie just did to her tag team partner...BUT SHE NEEDS TO PAY ATTENTION! VIOLET GRABS HER FROM BEHIND! ****NIGHTFALL!!!! THE BACKBREAKER ONTO LIZ KARLSON!!!****

Gia Cervantes: Liz TRIES to sit back up...****BUT VIOLET BLASTS HER RIGHT IN THE JAW WITH A SUPER KICK!!!!****

Stephanie Matsuda: STILL Liz Karlson tries to get to her feet...****BUT ANOTHER SUPERKICK FINDS THE MARK FROM VIOLET CUNNINGHAM AND THIS TIME LIZ HITS THE CANVAS HARD!!!!****

Gia Cervantes: BUT VIOLET ISN'T DONE! SHE GRABS LIZ AND FLIPS HER UP ONTO HER SHOULDERS IN THE CRUCIFIX POSITION!!!! SHE CARRIES HER ALL THE WAY TO THE CORNER WHERE MARIE BOUCHARD TAGS HERSELF IN!!! MARIE CLIMBS UP TO THE TOP ROPE...

Stephanie Matsuda: ****RIGHT AS VIOLET SENDS LIZ CRASHING TO THE CANVAS WITH THE CRUCIFIX POWERBOMB!!!! AND MARIE DIVES FROM THE TOP RIGHT AFTER!!!!**

DOUBLE FOOT STOMP RIGHT TO THE CHEST!!! LIZ KARLSON HAS BEEN HIT WITH THE FALLEN ANGELS!!!! THERE'S THE COVER BY MARIE!!!!!!**

Elle Halen: OOOOONNNNNNNEEEEEEEEEEE!!!...

****TTTTTHHHHRRRREEEEEEEEEEEEEEE!!!****

(DING! DING! DING!)

Rebecca Sawyer: Here are your winners...and NEEEEEEEEEWWWWWWWWW OWA Women's World Tag Team Champions...VIOLET CUNNINGHAM...MARIE BOUCHARD...BAD MEEEEEEEEEEEEETS EEEEEEEEEEEVVII!!!

Gia Cervantes: THEY'VE DONE IT! THEY'VE DONE IT! VIOLET AND MARIE ARE THE NEW CHAMPIONS! THE POWER OF INCREDIBLE VIOLENCE HAVE BEEN DETHRONED!!!!

Stephanie Matsuda: Give it up to Liz and Alyssa for a HELL of reign, breaking these titles in the right way, but it is FINALLY Bad Meets Evil's time as they capture their first taste of Odyssey gold!!!! Congratulations to these two!!!!

(“Black Sheep” blares over the speakers again and Marie gets to her feet, almost in disbelief. Elle hands Violet and Marie the titles and they both smile widely as Marie wraps Violet in a hug. Violet raises Marie off her feet as both women clutch their titles along with one another in full on celebration mode.)

Gia Cervantes: WHAT a moment for these two! Bad Meets Evil have been cornerstones of the women's tag division since its inception and now they have FINALLY realized their dream of becoming Women's WORLD Tag Team Champions-

(Suddenly the lights go out.)

Stephanie Matsuda: Oh no...oh shit...this CAN'T be good.

(When the lights come back on, Havoc is standing in the ring alongside Rin Asakura and Ruri Kuzunoha, looking across from Marie and Violet, whose smiles quickly fade.)

Gia Cervantes: IT'S HAVOC!!!! HAVOC IS HERE!!!! HAVOC IS IN THE RING!!!! AND SHE BROUGHT THE GOLDEN DAWN WITH HER!!!

Stephanie Matsuda: AND VIOLET WASTES NO TIME! SHE DROPS THE TITLE AND LUNGES RIGHT AT HAVOC!!!!

Gia Cervantes: BUT HAVOC JUST WAVES THEIR HAND AND VIOLET GOES FLYING FROM THE RING...LOOK OUT!!!!

Stephanie Matsuda: VIOLET CUNNINGHAM JUST CRASHED RIGHT THROUGH OUR ANNOUNCE TABLE!!!! DEAR GOD, WE NARROWLY GOT OUT OF THERE IN TIME!!!

Marie Bouchard (no mic): VIOLET!!!!

Gia Cervantes: BUT MARIE HAS NO TIME TO MOURN HER FALLEN FRIEND!!!! HAVOC HAS HER BY THE HAIR, SPINNING HER AROUND AND LIFTING HER UP...****SCARLET REDEMPTION!!!! MARIE BOUCHARD WAS JUST PLANTED WITH THE SCARLET REDEMPTION FROM HAVOC!!!!****

(Havoc looks over at Rin now.)

Havoc (no mic): Go on. Take your prize. You've earned it by proving your loyalty.

(Rin looks down at Marie but she shakes her head 'no' and then looks up at Ruri.)

Rin Asakura (no mic): This one is yours. YOU made the wise decision to join us. I told you it would pay off. You deserve this.

(Ruri looks down at Marie lying motionless at her feet and then back up at Havoc who smiles at her.)

Havoc (no mic): She's right. Go on. Take what's yours Ruri. Take what you deserve.

(Ruri looks back and forth from Havoc to Rin for a moment before slowly reaching out and placing her boot over Marie's chest as Elle Halen slowly drops down to count.)

Elle Halen: OOOONNNNNNNNEEEEEEEEE!!!!...

TTTTTWWWWOOOOOOOOOOO!!!!...

****TTTTHHRRREEEEEEEEEEEEEE!!!!****

(DING!)

Rebecca Sawyer: Ladies and gentlemen...your NEEEEWWWWWWWW Outlaw Champion...RURI!!!!!! KUZUNOOOOOOHAAAAAAAAAAAA!!!

Gia Cervantes: OH MY GOD! RURI HAS JUST WON THE OUTLAW CHAMPIONSHIP!!!! HAVOC LINED IT UP FOR HER ON A SILVER PLATTER!!!!

Stephanie Matsuda: Maybe this WAS the smartest decision that Ruri has ever made! Ruri is a champion for the FIRST time in her OWA career!!!

(The official hands Ruri the Outlaw Championship and Ruri smiles as she looks down at it. Rin pats her on the back and Havoc smirks, when suddenly the lights go out again.)

Gia Cervantes: Oh COME ON!!! NOW WHAT?!

(The lights come back on and The Banshee is standing in the ring across from Havoc. There's a buzz of electricity from the crowd as two powerful entities stare one another down.)

Stephanie Matsuda: OH MY GOD! IT'S THE BANSHEE! THE BANSHEE AND HAVOC ARE IN THE RING AT THE SAME TIME!!! ALL ROADS HAVE LED TO THIS MOMENT FOR QUITE SOME TIME!!! THE IRRESISTIBLE FORCE MEETS THE IMMOVABLE OBJECT!!! THE BANSHEE AND HAVOC ARE STARING DAGGERS INTO ONE ANOTHER!!!

Gia Cervantes: BUT RURI AND RIN IMMEDIATELY POUNCE ON BANSHEE! THE GOLDEN DAWN ARE BATTERING BANSHEE, BUT BANSHEE IS FIGHTING BACK! SHE SWATS AWAY RIN WITH AN UPPERCUT AND CATCHES RURI WITH AN ELBOW! BUT NOW HAVOC JOINS IN AND STARTS MAULING THE BANSHEE WITH FURIOUS RIGHT HANDS!!!

Stephanie Matsuda: BUT THE BANSHEE IS FIGHTING BACK! THESE TWO FORCES ARE TRADING BLOWS IN THE MIDDLE OF THE RING! BACK AND FORTH THEY GO! AND THE BANSHEE IS STARTING TO GET THE ADVANTAGE!!! HAVOC STUMBLES BACKWARDS...BUT RURI AND RIN JUMP ON BANSHEE AGAIN!!! IT'S THREE-ON-ONE!!!

Gia Cervantes: WAIT! LOOK! IT'S CHRIS SABERTOOTH AND REBECCA FILTH!!! THOTLINE REINFORCEMENTS ARE COMING!!! ****DEAD TRIGGER TO RURI KUZUNOHA AS CHRIS LAYS HER OUT!!!! BUT NOW RIN IS LAYING KICKS INTO CHRIS AS SABERTOOTH TRIES TO PROTECT HIMSELF!!!****

Stephanie Matsuda: AND FILTH SHOWS NO FEAR AS SHE ATTACKS HAVOC FROM BEHIND!!! REBECCA FILTH IS LAYING INTO HAVOC...BUT HAVOC SWATS HER AWAY WITH ONE HAND!!!! FILTH FLIES FROM THE RING AND LANDS ON THE OUTSIDE!!! HAVOC GLARES AT HER WITH GLOWING RED EYES!!!

Havoc (no mic): YOU MEDDLESOME FUCKING WHORE!!!! I AM SO SICK OF YOU!!!

(Havoc reaches into their coat pocket and removes a golden dagger. As Filth gets back up to her feet and turns around, Havoc holds the dagger up and flings it forward. It spins end over end as the blade moves directly towards Filth.)

Gia Cervantes: ****NO!!!!!!!!!!****

Stephanie Matsuda: ****BUT THE BANSHEE SHOVES REBECCA FILTH OUT OF THE WAY AT THE LAST SECOND AND BLADE STICKS RIGHT INTO THE CHEST OF THE BANSHEE INSTEAD!!!!****

Gia Cervantes: OH MY GOD!!!! OH MY GOD, I CAN'T BELIEVE IT!!!! THE BANSHEE JUST SAVED REBECCA FILTH'S LIFE!!!!

(Rebecca Filth stares up from the floor at The Banshee, who has the dagger sticking right out from her chest. Filth looks to be in shock.)

Rebecca Filth (no mic): BANSHEE?!? ARE....ARE YOU ALRIGHT?!

(Blood starts to leak from The Banshee's mouth, but she looks down at the blade and back at Filth.)

The Banshee (no mic): You need to keep yourself safe. There are people who need you now.

(Filth looks speechless.)

Rebecca Filth: Banshee I-

(But Banshee turns around now, staring at a smiling Havoc. Havoc's smile fades however when Banshee reaches up and pulls the blade out from her chest. It drips blood, but Banshee lets it fall to the floor and climbs up onto the apron.)

The Banshee (no mic): We finish this now. Me and you.

(Havoc smirks again.)

Havoc (no mic): You're right...it is time we finish this.

Stephanie Matsuda: WAIT!!!! LOOK!!!! THE BANSHEE IS RIPPED OF THE APRON BY DT AND RAIVO!!!! FILTH TRIES TO FIGHT THEM OFF, BUT SHE'S BLINDSIDED BY DIANTHA AND MAGGALL!!!!

Gia Cervantes: IT'S A FOUR ON TWO BEATDOWN AS FOR THE MINORITIES ATTACK BANSHEE AND FILTH!!!! CHRIS IS TRYING TO HELP, BUT HE'S BEING DOUBLED TEAMED BY THE GOLDEN DAWN!!!! HE CAN'T GET THERE!!!

Stephanie Matsuda: BUT MARIE AND VIOLET ARE BACK UP!!!! THEY GO TO JOIN THE FIGHT...WHAT THE HELL?!?!

Gia Cervantes: NO! NO! IT'S THE DISCIPLES OF DEATH!!!!!! HAVOC'S DISCIPLES OF DEATH THAT HE USED DURING THE GREAT WAR HAVE APPEARED IN DROVES FROM SEEMINGLY OUT OF NOWHERE AND THEY'RE SWARMING BAD MEETS EVIL!!!!

Stephanie Matsuda: AND THAT'S NOT ALL!!! THEY'VE SURROUNDED EVERYONE!!!!!! THE DISCIPLES OF DEATH...BY GOD THERE MUST BE THIRTY OF THEM!!!! THEY'RE EVERYWHERE!!!! CHRIS IS BEING BEATEN TO A PULP!!! FILTH ISN'T STANDING A CHANCE!!!! VIOLET AND MARIE ARE DOING THEIR BEST BUT THEY'RE SURROUNDED!!!! EVEN THE BANSHEE IS BEING TAKEN TO TASK!!!

The Banshee (no mic): FUCK YOOOOOOUUUUUUUUUUUUU!!!!

Gia Cervantes: AND THE BANSHEE JUST LET OUT A BLOOD CURDLING SHRIEK!!!!!! THE DISCIPLES AROUND HER SHIELD THEIR EARS AND NOW BANSHEE STARTS LAYING INTO THEM! AN ELBOW FOR ONE, AN UPPERCUT FOR ANOTHER! BANSHEE GRABS TWO BY THE THROAT AS SLINGS TO THE GROUND AS SHE FIGHTS HER WAY TOWARDS HAVOC!!!

Stephanie Matsuda: BUT SHE'S CUT OFF NOW BY RIN, RURI, DIANTHA, MAGGAL, DT, AND RAIVO!!!! THEY ALL JUMP THE BANSHEE, STOMPING AWAY AT HER!!! NONE OF BANSHEE'S ALLIES CAN HELP, THEY'RE SURROUNDED BY THE DISCIPLES OF DEATH, EACH OF THEM FIGHTING FOR THEIR OWN LIVES!!!!

Gia Cervantes: BUT BANSHEE REFUSES TO STOP!!!! SHE SWATS AWAY DIANTHA!!! SHE KICKS RAIVO OFF OF HER!!! BUT EVERY TIME SHE FIGHTS ONE PERSON OFF, ANOTHER JUMPS ON HER!!!

Stephanie Matsuda: BUT BANSHEE IS STILL ADVANCING!!!! MAGGALL GETS DRIVEN BACKWARDS WITH A SHOULDER TACKLE AS BANSHEE TRIES TO REACH HAVOC! DT GRABS HER FROM BEHIND BUT BANSHEE GIVES HIM AN ELBOW BETWEEN THE EYES!!!! RURI AND RIN EACH GRAB BANSHEE BY THE ARM AND DIANTHA TAKES THE OPPORTUNITY TO WAIL AWAY ON HER...BUT NOW BANSHEE USES SUPERHUMAN STRENGTH TO SEND RURI AND RIN FLYING AND CRASHING INTO DIANTHA!!!

Gia Cervantes: BANSHEE IS DESTROYING EVERYTHING THAT MOVES!!! IT'S SIX ON ONE AND THE BANSHEE IS STILL ADVANCING!!!!

(Suddenly the Banshee lets out a soul-shattering shriek and the camera zooms in....

...seeing the syringe labeled 'Project Mockingbird' sticking out from her neck with Havoc standing next to her, smiling.)

Havoc (no mic): Try that on for size.

Stephanie Matsuda: THAT'S...THAT'S THAT VILE THAT WILLIAM MCDONNELL GAVE TO HAVOC?!? WHAT DOES THAT MEAN?!?!

(The Banshee's eyes narrow as she rips the syringe from her neck and crushes it in her hand.)

Havoc (no mic): WHAT?! NO!!!

(Havoc actually begins to look nervous now as they backpedal with The Banshee marching towards them.)

Gia Cervantes: IT DIDN'T DO ANYTHING!!! THE BANSHEE IS STILL COMING FOR HAVOC!!!! I THINK HAVOC WAS HAD BY WILLIAM MCDONNELL!!!!

(But suddenly green and purple mist begins to surround The Banshee. Banshee looks confused as she looks around.)

Stephanie Matsuda: WHAT THE FUCK IS HAPPENING?!?!?! WHERE IS THIS MIST COMING FROM?!?!

(Havoc smiles now and everyone is staring at the scene in the ring. As the mist fades away, we find The Banshee on her knees in the ring.... Only it's no longer The Banshee. It's Morrighan McDonnell...with tears in her eyes, devoid of any powers as she looks up at Havoc. There's a collective gasp heard from the arena.)

Havoc (no mic): Now let's see you fight me, bitch.

Morrighan McDonnell (no mic): Fuck...you...

Gia Cervantes: WAIT!!! MORRIGHAN'S GOT THAT DAGGER!!!! SHE LUNGES FORWARD AT HAVOC, SWINGING THE BLADE RIGHT AT HER THROAT!!!!

Stephanie Matsuda: ****BUT HAVOC CATCHES HER ARM AND SNATCHES THE BLADE FROM HER HAND!!!!****

Gia Cervantes: ****AND SHE DRIVES IT RIGHT INTO THE STOMACH OF MORRIGHAN!!!!****

Marie Bouchard (no mic): ****NOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO!!!!!!!!!!!!!!****

(Morrighan falls to her knees, blood coming from her mouth and Havoc twists the blade. Nobody is moving now, just watching what just happened. Havoc removes the bloody blade from the stomach of Morrighan and she falls over onto the mat.)

(Cold and lifeless.)

Stephanie Matsuda: Oh my God....Gia....

Violet Cunningham (no mic): ****I'M GOING TO FUCKING KILL YOU!!!!!!!!!!****

Gia Cervantes: AND VIOLET CUNNINGHAM GOES ON A RAMPAGE!!!! SHE GRABS ONE DISCIPLE AND RIPS HIS HEAD CLEAR FROM OFF HIS SHOULDERS!!!! ANOTHER TRIES TO JUMP VIOLET, BUT HE UPPERCUTS HIM SO HARD THAT HIS JAW SHATTERS!!!! ANOTHER TRIES TO ATTACK BUT VIOLET SNAPS HIS NECK ALL THE WAY AROUND AND HE DROPS TO THE GROUND!!!! VIOLET IS ON A WARPATH!!!! SHE'S KILLING EVERY DISCIPLE THAT GETS IN HER WAY!!!

Stephanie Matsuda: Marie hasn't moved! She's dropped onto her knees, sobbing uncontrollably while Chris and Filth are still trying to fight off For The Minorities and the Golden Dawn!!! Havoc remains in the ring, looking down at the body of Morrighan McDonnell...AND VIOLET IS STILL KILLING EVERY DISCIPLE SHE CAN GET HER HANDS ON!!! SHE JUST RIPPED ONES ARMS RIGHT OUT OF THE SOCKET AND SWUNG IT AROUND, LAYING OUT TWO MORE!!!

(Havoc starts to notice Violet's anger and smiles at her destroying the Disciples.)

Havoc (no mic): Keep that anger child. You'll need it. Come. We've done our job for the night. Let them mourn...for now.

(The lights in the arena flicker on and off. When they come back on, there's no sign of Havoc, the Golden Dawn, For The Minorities, or any of the Disciples of Death. Just Chris Sabertooth, Rebecca Filth, Violet Cunningham, and Marie Bouchard, all of them bloody and beaten up...but all of them looking at The Banshee/Morrighan McDonnell's dead body in the ring. Marie moves first, scrambling into the ring and lifting Banshee's head up.)

Marie Bouchard (no mic): Banshee...PLEASE! BANSHEE!!!! ****BANSHEEEEEEEEEEEEE!!!!****

(Violet joins her by her side. She looks down at Banshee's body and closes her eyes, turning away for a moment. The only sound that can be heard in the arena are the sobs of Marie as she holds The Banshee's body tight.)

Marie Bouchard (no mic): Please no...please...Banshee...this can't be happening.

(Chris and Filth share a somber look at one another before getting in the ring. They each gently grab Marie by the shoulder, as they try and pull her away.)

Marie Bouchard (no mic): NO!

Chris Sabertooth (no mic): Marie...there's nothing we can do now...

Rebecca Filth (no mic): I'm so sorry.

Violet Cunningham (no mic): ****FUCK YOU HAVOC!!!! DO YOU HEAR ME?!?!? I'M GOING TO KILL YOU FOR THIS!!!! WITH GOD AS MY WITNESS, I'LL FUCKING KILL YOU!!!!****

(Violet's yells of anger fill the air and Marie finally turns away from Banshee's body to look at Violet. Violet is trembling as she looks up and locks eyes with Marie. Instantly, she runs and the new tag team champions wrap their arms around one another, embracing in a hug as tears drip down their faces.)

Gia Cervantes: I don't believe what I just saw, Cloud....The Banshee...The Banshee is really gone. Killed at the hands of Havoc.

Stephanie Matsuda: This was supposed to be a happy night for Bad Meets Evil. But it has turned into the worst circumstances they could have ever imagined. Folks...I don't...I don't know what to say. I'm sorry for anyone who had to watch this...and my thoughts and prayers go out to the family and friends of The Banshee.

(Chris shakes his head in frustration as Filth nervously looks down at the body of The Banshee, a look of fear now on the face of the Thotyssey leader. But the last sight we see is of Bad Meets Evil, still holding onto one another for dear life, sobbing as they mourn the death of The Banshee.)
