

Some Helpful Links to make creative presentations -

<https://slidesmania.com/>

<https://www.slidescarnival.com/>

Workshop 1

- [Part 1](#) Video
- [Part 1](#) Video
- **Assessment** - After viewing the materials above, create a google slides presentation with information you want to present to your students. This presentation will be the starting point for using Pear Deck and should serve as a place where you test what types of interactive slides you are interested in using. Please name this file "Test File - Your Name". Please be sure to set permissions to view

Workshop 2

- [Part 2](#) Video
- **Assessment** - Please submit a screenshot of the pear deck extension enabled and ready for use. On windows press the Ctrl + PrtSc keys and paste onto a document. On mac press Shift + Command + 4 and paste onto a document. Please upload the document here. Be sure to allow permissions to view.

Workshop 3

- [Part 3 - Premade Slides 1](#)
- [Part 3 - Premade Slides Part 2](#)
- [Part 3 - Adding your own questions.webm](#)
- **Assessment** - Please view and participate in the following linked self paced pear deck activity.
 - https://accounts.google.com/o/oauth2/v2/auth/oauthchooseaccount?access_type=offline&include_granted_scopes=true&scope=https%3A%2F%2Fwww.googleapis.com%2Fauth%2Fuserinfo.profile%20https%3A%2F%2Fwww.googleapis.com%2Fauth%2Fuserinfo.email&state=%7B%22finalDestinationUrl%22%3A%22%2Fstudent%2Ftabkixxfc%22%7D&prompt=select_account&hd&login_hint&response_type=code&client_id=689742286244-g7fjuiujmclsm3r9v5t4vdl00pgkjfd.apps.googleusercontent.com&redirect_uri=https%3A%2F%2Fapp.peardeck.com%2Fauth20180910%2Freturn&service=iso&o2v=2&flowName=GeneralOAuthFlow

Workshop 4

- [Part 4](#)
- Assessment - Please submit a screenshot of your sessions tab on pear deck. Additionally, using the test presentation, add one or more interactive slides and screenshot the teacher dashboard of that presentation. Submit both screenshots here

Workshop 5

- [Part 5](#)
- Assessment - For assessment 5 please fill out the feedback form. Additionally I would love to see any presentations you have made with any feedback attached and possible tips for other users to be posted in the FAQ. Thanks for participating!
