

**Let's Fuck These Zombies Up!**

## **Addition Slap Game**

Directions: Deal out all of the cards to all of the players. Each player turns over a card.  
Players with matching sums must move as quickly as they can to slap the chainsaw, which is,  
after all, the ultimate zombie fighting weapon. The player who slaps first gets both cards.

Players continue until all of the cards have been turned over.

The player with the most cards at the end of the game is clearly the smartest, so they win the game.
