Grundy County residents who are not registered to vote are encouraged to do so. Residents may register in the office of the County Auditor in person, may obtain a registration form online at www.grundycountyiowa.gov, may request that a registration form be mailed to them, or may register online at www.sos.iowa.gov. The deadline to pre-register to vote for this election is October 20, 2025. With appropriate identification, an eligible elector may also register to vote on election day in the precinct where the person lives.

Pre-registered voters are required to provide an approved form of identification at the polling place before receiving and casting a regular ballot. Voters who are not pre-registered – such as voters registering to vote on election day – and voters changing precincts must also provide proof of residence. A voter who is unable to provide an approved form of identification (or prove residence if required) 1) may have the voter's identity/residence attested to by another registered voter in the precinct, 2) prove identity and residence using Election Day Registration documents, or 3) cast a provisional ballot and provide proof of identity/residence at the county auditor's office by 12:00 noon November 10, 2025. Election Day Registrant attestors must provide an approved form of identification. For additional information about providing proof of identity and/or residence visit: <https://sos.iowa.gov/voterid> or phone (319) 824-3122.

Voter Accessibility: All voting sites are fully accessible to persons with physical disabilities. Each site also has a voter assist ballot marking device that allows persons with disabilities to vote independently. This device allows voters to make their selections using an audio read-back and touchpad, or touchscreen. The touchscreen option provides magnification and reverse black and white images. Voters unable to see the screen may have the screen turned off and use only the audio read-back and touchpad features. The audio read-back feature provides all ballot instructions, choices, and selections in an audio format using headphones. After making selections with the ballot marking device, via touchpad or touchscreen, the device will mark the voter's paper ballot, and the voter will insert their marked ballot in the regular ballot tabulator used for all other ballots.

Voters may also choose another person to assist them to vote, except their employer, employer's agent, or an officer or agent of the voter's union.

Any voter who is physically unable to enter a polling place has the right to vote in the voter's vehicle. For further information, please contact the county auditor's office at the telephone number or E-mail address listed below. Telephone: (319)-824-3122 Email address: Alan.Tscherter@GrundyCountyIowa.gov. For TTY access, dial 711 + 319-824-3122.
