

Selective Attention (#32)

"My teacher said I don't pay enough attention in class.
At least, that's what I think she said."

Step 1: Define

Define selective attention

Step 2: Your Opinion

Do you believe human beings can multitask? Explain using evidence from your prior experiences. (4-6 sentences)

Step 3: Teams

You will be placed into a group of 4. Gather information based on the topic you are assigned and create either a poster using Google Drawing or a Google Slides.

- Use a minimum of 3 articles/websites
- Have between 6-10 slides
- If possible, graphs or statistics to support your responses
- Works Cited page at the end in proper MLA or APA format
