You'll use this information to train your volunteers at the beginning of your drive.

PREPARE

1. **Pick a location:** To find your closest campuses in swing districts, use [Drive Scout](#). Campuses and courthouses are best on weekdays; big events and libraries on weekends.
2. **Add your drive** to our [Mobilize calendar](#).
3. **Field Team 6 mails you a Voter Drive Kit for your 1st drive:** 6 clipboards and a liberal-looking [t-shirt](#) (for your initial drive), 48 forms, a Training Cheat Sheet, State Briefs, volunteer Sign-up Sheets, pens, and [stickers](#). (For every drive after, we'll refresh whatever you need, except for the clipboards & t-shirt.)
4. **If you need more voter forms**, get them from your [County Election Administrator](#).
5. **If you need more** [Montana Briefs](#) and [Sign-up Sheets](#), print them out.
6. **Prep clipboards** with a Brief, Sign-up Sheet, 8 voter forms, and a big sticker on the back.

RUN THE DRIVE

1. **Train your volunteers** in about 15 minutes, using what you learned in START, above. The [Training Cheat Sheet](#) that comes with your kit has every point you need to hit!
2. **Take a group photo.** Take a selfie with your Voter Drive Kit and a group picture – and tag Field Team 6 on your favorite social media platform with #Voterizer. We'll amplify!
3. **Assign everyone their hot spot**, and let them know when to regroup, usually 2 hours later. Ideally, send out groups of 2-5, pairing newbies with seasoned pros.

Now let's go REGISTER some DEMOCRATS!

AFTER THE DRIVE

1. **Collect all completed voter forms and Sign-up Sheets.** Take pictures of each form and any volunteer sign-ups, and email (with any group photos) to voterdrives@fieldteam6.org. (Please include city, date and time of your drive in your email.)
2. **Mail/deliver** all forms to your [County Election Administrator](#) within 24 hours to be safe!
3. **Sign up volunteers** for your next voter drive or other [Field Team 6 volunteer opportunities](#)!

You now have all you need to lead your own voter drive!

Thank you for helping save the world!
