How to add to My.aps.edu

Right top corner add my own app

Mobymax- www.mobymax.com search

A tech person and have them push out to all your students

Benchmark has the same theme so if your student is at a different level

Green Apple in right is your teacher resource

Top Right:

Show me how

? is helpful too

To Assign:

Click assignments tap

Students (Students are group from Synergy by ELL too)

Bookshelves:

You can pull out books from different categories and topics to customize as a resource
Or add activities

I want you to pick books from the blue bookshelf (specific reading levels for example)

If you do add notes in presentation hit the cloud at the top so notes save

Wrench gives you the tools to highlight and mark up

For ELLS

Textbook provides suggestions for supporting ELLS

In the beginning one day of stuff may take 3 days

Heterogenous groups for rotations and pull homogenous groups (ability)

45 min of small groups with mini lessons then switch to rotations like guided reading

Planning page from Edcamp

Markers and Minions on Twitter and Facebook

We will have to do Foundations

They are completely different

They went through and matched it for example r controlled in Benchmark 2 take it from
Foundations

Literacy needs to be longer than 90 minutes

Some schools are doing 4 week unites instead of 3 weeks take to IC that way everyone is on
the same page but giving time to
