

Target Range School

Learn - Grow - Succeed

October 26, 2020

Middle School Announcements - Phase 0

- Below you will find the Zoom schedule for our two weeks of remote learning. Zoom links will be shared in Google Classroom on the appropriate day and are also shared below. [Zoom Codes](#)
- It is expected that all students attend all zooms unless prior arrangements have been made. Students will receive a grade for their participation in zoom learning sessions.
- Please note that there are different schedules for 7th and 8th listed below. Students will attend during the class period they would normally have that teacher at school.
- Teachers will also be available to meet at other times and will work with students to schedule those meetings as needed. Teachers will hold office hours every morning from 9:00-10:00 for students and parents to ask questions.
- Students are expected to login to their homeroom Classroom by 10AM to take attendance for the day. If your student is unable to complete the online attendance, please contact their homeroom teacher.
- See notes from individual teachers at the end of this newsletter. [Teacher Notes](#)
- Recall, there is NO SCHOOL next Tuesday, November 3 so the Zoom schedule may be altered to fit each class's needs. Students will be notified on Monday of any changes.

7th Grade

Period	Time	Monday	Tuesday	Wednesday	Thursday	Friday
	9:00	All Classes Office Hours	All Classes Office Hours	All Classes Office Hours	All Classes Office Hours	All Classes Office Hours

Subject	Notes for Remote Learning from Specific Teachers
ELA	Students will need to participate in Zooms and complete daily work. All daily work should be completed by 3 pm. Please use the Weekly Agenda, that is posted on Google Classroom, for assignments, instructions, and needed links.
Math	Students will still be responsible for three remote learning lessons per week as in Phase one. Additional work will be done during Zoom sessions, including grading, instruction, review, and questions. All work should be completed by 3:00 on Friday. All students will need their math packets and spiral notebooks for the full two weeks. Seventh graders are working on probability and 8th graders are working on algebra.
Science	All students will need their science notebook for notetaking and remote lessons. We will use zoom classes to discuss new material and conduct virtual labs.
Social Studies	Students will be zooming twice a week for ½ hour. Please check Google Classroom for all assignments, lectures and projects.
PE	There will be a mix of required activities for PE and suggestions for different workouts and resources for physical activity ideas.
Art	Students should have their sketchbooks and drawing materials including their colored pencils. They will also use materials available at home to create mixed-media projects. They should have glue or tape, scissors and recyclable materials available to them. Please do not make purchases for these projects. Email me if you need something specific.

Music	Choir classes are on hold until further notice. Check your email for a message from Mr. Heuchert. Band and Orchestra students, if you didn't take your instrument or music home you can pick them up from school on Monday.
