Session 3 - Digital Portfolios/Seesaw

SeeSaw

Parents can keep the Seesaw Portfolio at the end of the year for a cost

Students can post photo, video, drawing, item from the camera roll, note, link.

Within the settings teacher can set up so the teacher must approve before others can see content.

*Teachers, administrators, nurse, etc. can comment on items posted - powerful!

*Use the QR code given for students to get onto SeeSaw account

*Teacher can organize groups (Reading, Math, etc), view calendar of documents uploaded each day

*If students are working in groups each one can upload the document together in their individual folders.

*There is also a classroom blog

*After reading a chapter, students can upload what they read. They can take a picture of the book and write a brief summary

Schoology

Google Classroom (workflow management system) as another option for Digital Portfolios
