<b>Number of Participants</b>	80 Students visited the Leprosy centre – SAHYOG KUSHTHA YAGNA TRUST, Himmatnagar

**Objective of the event:** (why this event has organize, Brief about Importance of the event)

**1<sup>st</sup> OBJECTIVE** -This event was organized for 3<sup>RD</sup> year students as per community medicine curriculum part. The objective of Leprosy centre – SAHYOG KUSHTHA YAGNA TRUST, Himmatnagar visit is to make student come across the leprosy patient. They saw different stages of leprosy, patient with hypopigmentation & anesthetic condition, patient with deformities with amputated limbs, They also came across the social service done by the trust towards the Leprosy patient, mentally retarded people, old age people and disowned cattles. Recovered patient and mentally retarded people work in khadi textile and do other activities & earn from that. It was very motivational and inspiring visit as it encouraged student and everyone how to live life happily inspite of having so difficulties. How one's will is enough to lead independent life.

**Flow of the event:** mention the flow / schedule of the event in detail.

- 1) At 7:30 am Faculty members and 80 students departed from college.
- 2) At 10 : a m we reached there.
- 3) From 10:30 am to 2 pm students explored the centre.

**Significance/Outcome:**

(Include questions and answer session with expert and students, what students learn from this event, include examples shared by expert faculties during the talk etc.)

This event was organized for 3<sup>RD</sup> year students as per community medicine curriculum part. The objective of Leprosy centre – SAHYOG KUSHTHA YAGNA TRUST, Himmatnagar visit is to make student come across the leprosy patient. They saw different stages of leprosy, patient with hypopigmentation & anaesthetic condition, patient with deformities with amputated limbs, They also came across the social service done by the trust towards the Leprosy patient, mentally retarded people, old age people and disowned cattles. Recovered patient and mentally retarded people work in khadi textile and do other activities & earn from that. It was very motivational and inspiring visit as it encouraged student and everyone how to live life happily inspite of having so difficulties. How one's will is enough to lead independent life.
