

Principle of Trust in Practice valerie f. hunt, phd 1/14/2026 rev. 1/21/2026

In what ways has trust informed your own professional philosophy? What does trust mean to you personally and professionally?

How do you identify what trust means or trust looks like in your community/ies of practice?

What are the concrete ways you practice trust?

How do you practice trust with your clients?

How do you move trust from transactional practice to more transformative practices such as trust as healing, trust as community building?
