The Secret To Giving Her a Ground Shattering Orgasm, without Using Viagra Or Sex Enhancers…

Find Out The Top Secret About Pleasuring A woman and Making Her think Of You the Next Time She's Horny

A Free Report.

It's So Pathetic that Over 70% Of Men Don't Know How to give a Woman "A Hot Satisfying Sexual intercourse".

Now , with this Deficiency a Lot Of Married women, Behind Closed Doors Have never Experienced Orgasm Before .

And this Has Impacted Greatly On Many Marriages and Sexual Relationships.

According to Durex Condoms Survey, 63 women out of 100 Married Nigerian Women Cheat, because their Spouses Can't Sexually Satisfy them.

In Fact in One of the Interviews By Durex Condoms, One Woman Outrightly Said, that "She thought Orgasm was a Lie and Sex Satisfaction was Only For men, Not Until She had Orgasm With a Man She Met on Tinder.

Are Men Truly at Fault ? The answer is No.

But To make You the Guy she will always Go For anytime she wants a Pussy Treatment, You will have to learn this Tricks.

Now, The Major Reason For this is Basically From a Simple Scientific and Psychological Standpoint.

1.) Women Have Longer time Reaching Orgasm Than Men

2.) Men Don't Have Sex Emotionally.

So at this Point, I will Give 7 Nuggets on How to Overcome the Natural Short-comings and give You tricks that will help You.

Note : This Works For All Dick Sizes.

1.) **Talk Dirty:** Sex Doesn't Just come Unconsciously, it usually starts from the Mind On a Conscious Level.

Look let me tell, Women are Moved By Words .

Your Romantic Words , Trigger A Certain Part of Their Brain, Which Makes Them Sexually Aroused.

Your words alone Change the Environment to A Romantic Setting.

Dirty Talks Make their Vagina So wet that if You kept On talking , She has tendency To start kissing You ,and really want You inside her So badly she will Submit to You .

2.)Foreplay :

Now this is where the Real Deal Starts , This is where many Guys miss it.

They Just Jump in, Open her legs wide , Pull Out their Penis and Just Insert Inside the Vulva and in 150 Seconds they are Grunting "Baby I am Coming" ,Sir, where are You Coming to without Your Partner ? "

Now , Foreplay is Key because the More Aroused She is , the More Lubricated she will be and this will make her reach Her climax, so that by the time The Actual sex place takes Place, Both of You are already at Orgasm together.

Now see why this Technique works .

Now, an Average Man takes 90 Seconds To 5 Minutes to Reach Orgasm, while an Average Lady takes 14 Minutes(Another Proof women are stronger on Bed).

So Now , Having Foreplay with her To Begin with Draws Her closer to her climax, Before Penetration.

3.) Oral Sex Practice : Only 20% Of Men in the World Satisfy Women Using Penile Penetration.

By Default, a Woman Is Stronger than You in Bed .

So , How do we Even the Plane Field ?

Practicing Oral Sex, Now Oral Sex Involved Cunnilingus (Vulva Sucking) , Fellatio (Penis Sucking), Fingering or The Combo .

Now, the Importance Of this Technique is that By the Time You are Arousing her with Your Tongue and Fingers , Her Clitoris has Reached 65% climax, which is a Good Timing For Penetration.

Note: The Clitoris Stimulation Is Where the Real Orgasm Starts From... Women's Sex is 3 Times More Intense than Men , Due to the Fact that the Clitoris has 2-3 times as Much Nerve Endings Compared to the Penis.

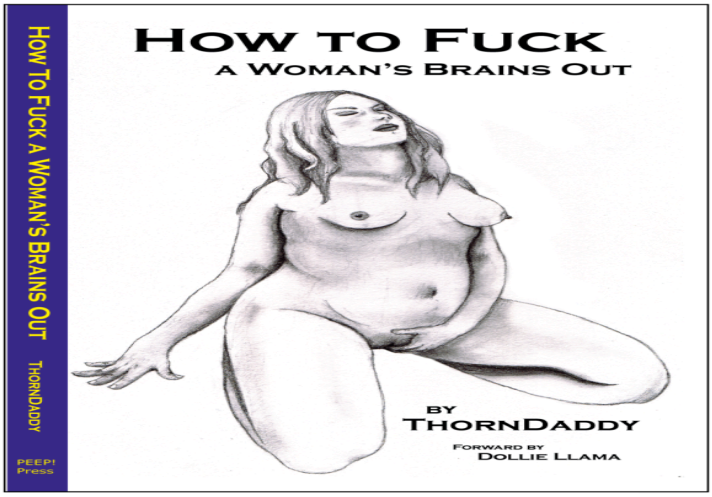

4.) Fingering (Hand Job) :

Now a Lot Of Men Have Underestimated this Technique.
One of the One ways To Giving her that Maximum Pleasure She Desires So Badly From You, is to Ruthlessly Use Your Fingers, To Stimulate Her Clitoris , while Preparing her For the Grand Arrival of the Penis.

Now , You know what to do , let me show You how to Do it .
