

MUTINY SIMULATION BASEBALL'S "GAME INSIDE THE GAME"

GIG #1: Pre-season Predictions (shortly after 26-man Rosters are turned in):

- Predict the final finishing order of the top 4 teams in the KML.
 - Perfect = 10 points
 - Not perfect? 2 points for every team predicted, no matter their place.
- Predict the final finishing order of the top 4 teams in the FF.
 - Perfect = 10 points
 - Not perfect? 2 points for every team predicted, no matter their place.
- Predict the Home Run King of MSB. (3 points, ties count)
- Predict the Pitcher with the most wins. (3 points, ties count)
- Which two teams will play for the KML Championship? (3 points each)
- Which two teams will play for the FF Championship? (3 points each)
- Which two teams will square off in the MSB World Series? (5 points each)
- Who wins the MSB World Series? (7 points)

GIG #2 (thru April): Predictions based on the 10-team league you are NOT in: Predict the end-of-this-month's finishing order of the ten teams. Ties count.

- Perfect order of all ten teams = 15 points
- If only your top 5 is perfect = 10 points
- If only your top 3 is perfect = 5 points
- If you guessed only the top team correctly = 3 points
- How many wins will the top team have? (within 3 = 1 pt, nail it = 2 pts)
- How many losses will the last team have? (within 3 = 1 pt, nail it = 2 pts)
- How many games separate the 1st & 2nd place teams (within 1 = 1 pt, nail it = 2 pts)
- How many games separate the 1st & last place teams (within 3 = 1 pt, nail it = 2 pts)
- Now pick ONE team from this league: Name the team: _____
 - What place will this team be in? (within 1 = 1 pt, nail it = 2 pts)
 - How many Runs For? (within 10 = 2 pts, nail it = 4 pts)
 - How many Runs Against? (within 10 = 1 pt, nail it = 4 pts)

GIG #3 (month of May): Pick any full time hitter from YOUR team.

- Honor system (but I may have to check) that you will choose a player who checks all these boxes:
 - He's slated to play at least 80% of your games in May.
 - He has 450 or more real life ABs.
 - He is NOT a platoon player.
- These predictions are for stats accumulated ONLY in the month of May.
- Each team will play 29 games this month (one day off on the 15th, and one on the 31st).

Name the player: _____

Predict the player's May stats:

- 1) AVE (within .010 = 2 points, nail it = 5 pts)

- 2) OBP (within .020 = 2 points, nail it = 5 pts)
- 3) SLG (within .030 = 2 points, nail it = 5 pts)
- 4) How many Runs will he score? (within 3 = 2 points, nail it = 5 pts)
- 5) How many RBI will he have in May? (within 3 = 2 pts, nail it = 5 pts)
- 6) How many Strikeouts will he have in May? (within 3 = 2 points, nail it = 5 pts)
- 7) How many Doubles will he have in May? (within 3 = 2 pts, nail it = 5 pts)
- 8) How many HR's will he have in May? (within 3 = 2 points, nail it = 5 pts)
- 9) How many Walks will he have in May? (within 3 = 2 points, nail it = 5 pts)
- 10) Will he have a Game-Winning RBI in May? (no = 2 points, yes = 5 points)

GIG #4 (month of June): Predictions based on the MSB team that mirrors your team's current place in the standings.

1st place & 10th place
 2nd place & 9th place
 3rd place & 8th place
 4th place & 7th place
 5th place & 6th place

- Check out their schedule. These predictions are solely for JUNE'S games. Each team will play 28 games this month. Predict the following:
 - How many wins will this team have this month? (within 3 = 2 pts, nail it = 4 pts)
 - Games in which they score more than 6 runs (within 1 = 2 pts, nail it = 4 pts)
 - Games in which they get shut out (within 1 = 2 pts, nail it = 4 pts)
 - Games in which they shut out their opponent (within 1 = 2 pts, nail it = 4 pts)
 - How many games will they lose when leading after the 7th inning? (within 1 = 2 pts, nail it = 4 pts)
 - How many 1-run games will they play? (within 1 = 2 pts, nail it = 4 pts)
 - Which hitter will lead this team in:
 - Hits (3 pts)
 - RBI (3 pts)
 - HR (3 pts)
 - Which starting pitcher will lead this team in:
 - Innings Pitched (3 pts)
 - Wins (3 pts)
 - ERA (3 pts)

GIG #5 (month of July): Predictions based on ANY opposing TEAM..

- This GIG requires TWO posts in this thread. In an effort to not duplicate any one team, please name the team you'd like to predict on ASAP in this thread. Just name the team in the first post. This will seal that team - no other participant can pick that team. THEN take the time you need to answer the questions and post them at any time before the deadline to get predictions in.
- **First post:** What team did you pick? _____

- **Second post:** Check out their schedule. These predictions are solely for JULY'S games. Each team will play 29 games this month. Predict the following:
 - How many wins will this team have this month? (within 3 = 2 pts, nail it = 4 pts)
 - Games in which they score more than 6 runs (within 1 = 2 pts, nail it = 4 pts)
 - Games in which they get shut out (within 1 = 2 pts, nail it = 4 pts)
 - Games in which they shut out their opponent (within 1 = 2 pts, nail it = 4 pts)
 - How many series will they sweep? (within 1 = 2 pts, nail it = 4 pts)
 - How many series will they get swept? (within 1 = 2 pts, nail it = 4 pts)
 - How many games will they lose a game when leading after the 7th inning? (within 1 = 2 pts, nail it = 4 pts)
 - How many 1-run games will they play? (within 1 = 2 pts, nail it = 4 pts)
 - Which player will lead this team in:
 - RBI (3 pts)
 - HR (3 pts)
 - SB (2 pts)

GIG #6: Kyle will do fresh questions "old-school GIG style" based on CY and MVP and other special/surprise players and stats.

GIG #7 (thru the end of the season): Predictions based on YOUR 10-team league:

- Predict the final finishing order of the ten teams. Ties count.
 - Perfect order of all ten teams = 15 points
 - If only your top 5 is perfect = 10 points
 - If only your top 3 is perfect = 5 points
 - If you guessed only the top team correctly = 3 points
 - How many wins will the top team have? (within 3 = 1 pt, nail it = 2 pts)
 - How many losses will the last team have? (within 3 = 1 pt, nail it = 2 pts)
 - How many games separate the 1st & 2nd place teams (within 2 = 1 pt, nail it = 2 pts)
 - How many games separate the 1st & last place teams (within 3 = 1 pt, nail it = 2 pts)
 - Regarding YOUR team:
 - What place will your team be in? (within 1 = 1 pt, nail it = 2 pts)
 - How many Runs For? (within 10 = 2 pts, nail it = 4 pts)
 - How many Runs Against (within 10 = 1 pt, nail it = 4 pts)
