

List of items for children to bring 2026 - 2027

What to Bring

For All Students (every day):

- **Backpacks** – For security reasons, please label the backpack so the name DOES NOT SHOW when the pack is zipped closed (i.e., on the inside, at the top).
- A CLEARLY LABELED **water bottle**. (*For our touchless water-bottle filling stations*). We suggest sending in one that can be kept at school.
- A **healthy snack** for morning break/snack time. (Primary Students - labeled with first name, last name, and date.)
- Appropriate **inner and outer clothing for the weather**, including boots or a second pair of shoes CLEARLY LABELED as needed. (For example, an older pair of sneakers for the outdoors that can stay at school). Students go outside for recess unless the wind chill temperature is below zero. (Please reference the outdoor clothing charts.)

For Primary and Lower Elementary Only (bring once, replace as needed):

- A **complete change of clothing** (including undergarments and socks), in a gallon-size ziploc bag, CLEARLY LABELED with your child's first and last name. (The labeled ziploc bag is also important for any soiled clothing to be sent home.)

For Full-Day Students (every day):

- Lunch in a **Lunchbox or lunch bag** CLEARLY LABELED with the student's name (Primary students - labeled with first name, last name, and the date). Grade School - Remember to send in everything your child will need to prepare or eat their lunch, including utensils. If they have to borrow a utensil, they will be responsible for washing it after eating. Please also clearly label any returnable containers. We have microwaves available for Grade School students only, but we ask that they limit their microwave use to a couple of times a week as it takes time away from their lunch.

Grade School:

- **Proper PE shoes** (lace-up or velcro-fastened) for your child on PE days (*Tuesdays and Thursdays*). We suggest keeping a pair at school.
